The Governors of New South Wales 1788-2010 David Clune, 2009 This book contains biographical accounts of all 37 Governors of New South Wales from Arthur Phillip in 1788 to Marie Bashir Highlights of the book include John Hunter's amazing sea voyages the erratic career of the devious and foul tempered William Bligh the highly public clashes of Sir Hercules Robinson nicknamed the Crisis maker with Governments and Parliament the Boy s Own Naval career of the swashbuckling Sir Harry Rawson the extraordinary double life of Lord Beauchamp and the dramatic events surrounding Sir Philip Game's dismissal of Jack Lang Leading historians such as Brian Fletcher JM Bennett Geoffrey Bolton Graham Freudenberg Anne Twomey Chris Cunneen Ian Hancock Evan Williams and Rodney Cavalier tell of both extraordinary lives and the political and constitutional crises many had to face The First Fleet Piano: Volume One Geoffrey Lancaster, 2015-11-03 During the late eighteenth century a musical cultural phenomenon swept the globe The English square piano invented in the early 1760s by an entrepreneurial German guitar maker in London not only became an indispensable part of social life but also inspired the creation of an expressive and scintillating repertoire Square pianos reinforced music as life s counterpoint and were played by royalty by musicians of the highest calibre and by aspiring amateurs alike On Sunday 13 May 1787 a square piano departed from Portsmouth on board the Sirius the flagship of the First Fleet bound for Botany Bay Who made the First Fleet piano and when was it made Who owned it Who played it and who listened What music did the instrument sound out and within what contexts was its voice heard What became of the First Fleet piano after its arrival on antipodean soil and who played a part in the instrument's subsequent history Two extant instruments contend for the title First Fleet piano which of these made the epic journey to Botany Bay in 1787 88 The First Fleet Piano A Musician s View answers these questions and provides tantalising glimpses of social and cultural life both in Georgian England and in the early colony at Sydney Cove The First Fleet piano is placed within the musical and social contexts for which it was created and narratives of the individuals whose lives have been touched by the instrument are woven together into an account of the First Fleet piano s conjunction with the forces of history View The First Fleet Piano Volume Two Appendices Note Volume 1 and 2 are sold as a set 180 for both and cannot be purchased separately *Jeremy Bentham and Australia* Tim Causer, Margot Finn, Philip Schofield, 2022-04-28 Jeremy Bentham and Australia is a collection of scholarship inspired by Bentham's writings on Australia These writings are available for the first time in authoritative form in Panopticon versus New

South Wales and other writings on Australia a volume in The Collected Works of Jeremy Bentham published by UCL Press In the present collection a distinguished group of authors reflect on Bentham's Australian writings making original contributions to existing debates and setting agendas for future ones In the first part of the collection the works are placed in their historical contexts while the second part provides a critical assessment of the historical accuracy and plausibility of Bentham's arguments against transportation from the British Isles In the third part attention turns to Bentham's claim that New South Wales had been illegally founded and to the imperial and colonial constitutional ramifications of that claim Here authors also discuss Bentham's work of 1831 in which he supports the establishment of a free colony on the southern coast of Australia In the final part authors shed light on the history of Bentham's panopticon penitentiary scheme his views on the punishment and reform of criminals and what role if any religion had to play in that regard and discuss apparently panopticon inspired institutions built in the Australian colonies This collection will appeal to readers interested in Bentham s life and thought the history of transportation from the British Isles and of British penal policy more generally colonial and imperial history Indigenous history legal and constitutional history and religious history Black Founders Cassandra Pybus, 2006 Black Founders changes the way we think about the foundation of Australia In an evocative and compelling narrative distinguished historian and prize winning author Cassandra Pybus reveals how the settlement of Australia was a multi racial process from the outset Pybus has uncovered that our black founders were originally slaves from America who sought freedom with the British during the American Revolution only to find themselves abandoned and unemployed in England once the war was over BOOK JACKET **Empire, Colony, Genocide** A. Dirk Moses, 2008 In 1944 Raphael Lemkin coined the term genocide to describe a foreign occupation that destroyed or permanently crippled a subject population This text is a world history of genocide that highlights what Lemkin called the role of the human group and its tribulations

Destiny in Sydney D. Manning Richards, 2012-07 DESTINY IN SYDNEY is an epic multicultural novel of convicts Aborigines and Chinese embroiled in the birth of Sydney Australia Adventurous and opportunistic Scottish marine Lieutenant Nathaniel Armstrong is in charge of convicts on one of eleven ships sent in 1787 on a perilous voyage from England to the other side of the world to establish a British penal colony He lusts after fiery Irish convict Moira O Keeffe and surprises himself when he falls in love with her Together they nearly starve in Sydney Cove while learning to farm the harsh land and deal with the Aborigines whose lot is disease and unequal warfare Armstrong descendants deny their convict heritage and oppose the Chinese who come for the gold rush Three Fong brothers suffer violence and despair as they fight to forge a place for themselves Duncan Armstrong rich and powerful helps pass the White Australia Policy in 1901 to keep out the Chinese while his cousin Eleanor works for women s suffrage and a fair go for the Aborigines Impeccably researched this gripping dramatization of the true history of Sydney Australia is drawn from the writings of Australian leaders soldiers explorers and settlers Richards has mined Australian history for its action adventure and applied his incomparable storytelling skills for a

powerful fast paced read The seguel novel A GIFT OF SYDNEY available in late 2013 will continue the story of the Armstrongs and Fongs and add the Hudson Aboriginal family ending with the Summer Olympic Games held in Sydney in the The Australian Study of Politics R. Rhodes, 2009-11-11 The Australian Study of Politics provides the first vear 2000 comprehensive reference book on the history of the study of politics in Australia whether described as political studies or political science It focuses on Australia and on developments since WWII also exploring the historical roots of each major The Water Dreamers Michael Cathcart, 2010-08-02 The long awaited history that will change the way subfield Australians think about their country The Water Dreamers is the story of the settlement of Australia of the scarcity of water and the need to fill an imagined silence with the sounds of civilisation From the moment the First Fleeters stepped ashore water determined progress The Tank Stream that flowed through what is now the Sydney CBD provided fresh water until settlers and their livestock fouled it Then water from a nearby swamp was piped into the growing settlement When it ran dry sights were set further afield The Water Dreamers is an illuminating account of the ways people have imagined and interpreted Australia while struggling to understand this continent and striving to conquer its obstacles It s an environmental history and a cultural history with an unmistakable sense of how today we are part of that continuing story crime and empire Kirsty Reid, 2017-03-01 Between 1803 and 1853 some 80 000 convicts were transported to Van Diemen s Land Revising established models of the colonies which tend to depict convict women as a peculiarly oppressed group Gender crime and empire argues that convict men and women in fact shared much in common Placing men and women ideas about masculinity femininity sexuality and the body in comparative perspective this book argues that historians must take fuller account of class to understand the relationships between gender and power The book explores the ways in which ideas about fatherhood and household order initially informed the state s model of order and the reasons why this foundered It considers the shifting nature of state policies towards courtship relationships and attempts at family formation which subsequently became matters of class conflict It goes on to explore the ways in which ideas about gender and family informed liberal and humanitarian critiques of the colonies from the 1830s and 1840s and colonial demands for abolition and Evatt John Murphy, 2016-09-01 John Murphy s Evatt A life is a biography of Australian parliamentarian self government and jurist HV Evatt Remembered as the first foreign minister to argue for an independent Australian policy in the 1940s and for his central role in the formation of the UN Evatt went on to be the leader of the Labor party in the 1950s the time of the split that resulted in the party being out of power for a generation Evatt traces the course of Evatt's life and places him in the context of a long period of conservatism in Australia It treats Evatt's inner personal life as being just as important as his spectacular controversial and eventual tragic public career Murphy looks closely at Evatt's previously unexamined private life and unravels some of the puzzles that have lead Evatt to be considered erratic even mad Bert Evatt remains a polarising figure still considered by many in Labor as the man who split the party and by many conservatives as unreliable and

dangerous *Grog* Tom Gilling, 2016-09-27 The story of grog is the story of Australia This is how it all began Even before James Squire set sail as a convict aboard the First Fleet liquor was playing its part in shaping the colony to be Who was entitled to it and who wasn t who could make and sell it and who couldn t and how the young and thirsty colony could make itself self sufficient in booze As the colony grew rum became both a currency and a source of political strength and instability culminating in the Rum Rebellion in 1808 and what one observer said was a society of drunkenness gaming and debaucheries Now with Grog writer Tom Gilling presents a compelling bottled history of the first three decades of European settlement how the men and women of New South Wales transformed the colony from a squalid and starving convict settlement into a prosperous trading town with fashionable Georgian street names and a monumental two storey hospital built by private contractors in exchange for a monopoly on rum Grog is a colourful account of the unique beginnings of a new nation and a unique insight into the history of Australia s long love affair with the hard stuff Journal of the Royal Australian **Historical Society** ,2005 Includes the Society's Annual report and statement of accounts The Eighteenth Century Australian Book Review ,2003 Kevin L.
