Man Who Loved Children

Christina Stead

Man Who Loved Children:

The Man who Loved Children Christina Stead, 2010-12 *The Man Who Loved Children* is Christina Stead's masterpiece about family life. Set in Washington during the 1930s, Sam and Henny Pollit are a warring husband and wife. Their tempestuous marriage, aggravated by too little money, lies at the centre of Stead's satirical and brilliantly observed novel about the relations between husbands and wives and parents and children. Sam, a scientist, uses words as weapons of attack and control on his children and is prone to illusions of power and influence that fail to extend beyond his family. His wife Henny, who hails from a wealthy Baltimore family, is disastrously impractical and enmeshed in her own fantasies of romance and vengeance. Much of the care of their six children is left to Louisa, Sam's 14-year-old daughter from his first marriage. Within this psychological battleground, Louisa must attempt to make a life of her own. First published in 1940, *The Man Who Loved Children* was hailed for its satiric energy. Now its originality is again lauded by novelist Jonathan Franzen in his illuminating new introduction.

Man Who Loved Children Christina Stead, 2012 This crazy gorgeous family novel is one of the great literary achievements of the twentieth century. I carry it in my head the way I carry childhood memories; the scenes are of such precise horror and comedy that I feel I didn't read the book so much as live it. Jonathan Franzen, author of *Freedom*. *The Man Who Loved Children* is a brutally honest examination of domestic life and family. Sam and Henny Pollit have too much, too much contempt for one another, too many children, too much strain under endless obligation. Flush with ego and a chilling domestic power, Sam torments his children, bending and manipulating their seemingly limitless love to his overbearing advantage, while Henny looks on desperately, all too aware of the madness at its root. A favorite novel of Jonathan Franzen and Randall Jarrell, among many others, *The Man Who Loved Children* stands as Christina Stead's masterwork.

The Man who Loved Children Christina Stead, *The Man Who Loved Children* Christina Stead, 1980-09-15 With an Introduction by Randall Jarrell, Sam and Henny Pollit have too many children, too little money, and too much loathing for each other. As Sam uses the children's adoration to feed his own voracious ego, Henny watches in bleak despair, knowing the bitter reality that lies just below his mad visions. A chilling novel of family life, the relations between parents and children, husbands and wives. *The Man Who Loved Children* is acknowledged as a contemporary classic. *The Man who Loved Children* Christina Stead, *Christina Stead's the Man Who Loved Children: Bookmarked* Lucy Ferriss, 2023-09 Celebrated by writers including Jonathan Franzen, who said that this crazy gorgeous family novel is one of the great literary achievements of the twentieth century, *The Man Who Loved Children* is a 1940 novel by Australian writer Christina Stead. The harrowing portrait of a dysfunctional family, the novel focuses on the relationship between the father, Sam, a tyrannical crank far removed from the civilized man he thinks himself to be, his bitter wife Henny, and their six children, particularly eldest daughter Louie. Considering a contemporary classic, *The Man Who Loved Children* was named one of the 100 greatest novels of all time by Time magazine. In her entry in Ig's acclaimed Bookmarked series, author Lucy Ferriss juxtaposes the egoism and brutality

of Sam with the behavior of her own father using his dairies to give the reader an intimate and devastating portrait of their father daughter relationship Ferriss also shares how *The Man Who Loved Children* influenced her own creativity and development as a writer as well as taking on male critics of the novel including Franzen to get to the true feminist heart of what Time called the greatest picture of the lousiest family of all time

The Man Who Loved Dogs Leonardo Padura, 2024-03-26 A gripping novel about the assassination of Leon Trotsky in Mexico City in 1940 In *The Man Who Loved Dogs* Leonardo Padura brings a noir sensibility to one of the most fascinating and complex political narratives of the past hundred years the assassination of Leon Trotsky by Ram n Mercader The story revolves around Iv n C rdenas Maturell who in his youth was the great hope of modern Cuban literature until he dared to write a story that was deemed counterrevolutionary When we meet him years later in Havana Iv n is a loser a humbled and defeated man with a quiet unremarkable life who earns his modest living as a proofreader at a veterinary magazine One afternoon he meets a mysterious foreigner in the company of two Russian wolfhounds This is the man who loved dogs and as the pair grow closer Iv n begins to understand that his new friend is hiding a terrible secret Moving seamlessly between Iv n s life in Cuba Ram n s early years in Spain and France and Trotsky s long years of exile *The Man Who Loved Dogs* is Padura s most ambitious and brilliantly executed novel yet This is a story about political ideals tested and characters broken a multilayered epic that effortlessly weaves together three different plot threads Trotsky in exile Ram n in pursuit Iv n in frustrated stasis to bring emotional truth to historical fact A novel whose reach is matched only by its astonishing successes on the page *The Man Who Loved Dogs* lays bare the human cost of abstract ideals and the insidious corrosive effects of life under a repressive political regime

dreams of becoming but she realizes that she will know once and for all what it means to be a young lady after this summer. She figures out in her mind that the young lady her grandmother became at eleven isn't the young lady she has dreamed of becoming since she was ten. All Chelsey cares about is becoming a full-fledged teenager on September 1. Whenever she talks to her best friend Alisha about what her mother says that with young womanhood comes responsibilities, Alisha becomes girly-giggly and says, "That's not the kind of responsibilities your mom's talking about." Chelsey puts her hands over her ears when Alisha becomes girly-giggly. Chelsey spends every other summer in Louisiana with her mother's oldest sister, Aunt Ophelia, but unfortunately this isn't the summer she'll be spending time with her favorite aunt. The thought of not spending the most important summer of her life with Aunt Ophelia gives Chelsey a sick feeling in the pit of her stomach. Chelsey's not looking forward to spending her summer alone and clueless. This summer is the most important summer of her life and she will have to endure it without the wise advice and comforting arms of her Aunt Ophelia. Chelsey knows that without Aunt Ophelia this will be one long and lazy summer.
