producers Rosen reveals the interview secrets that made Wallace's work legendary and the flaring temper that made him infamous. Later as senior producer of ABC News Primetime Live and 20/20, Rosen exposes the competitive environment among famous colleagues like Diane Sawyer and Barbara Walters and the power plays between correspondents Chris Wallace, Anderson Cooper, and Chris Cuomo. A master class in how TV news is made, Rosen shows readers how 60 Minutes puts together a story when sources are explosive, unreliable, and even dangerous. From unearthing shocking revelations from inside the Trump White House to an outrageous proposition from Ghislaine Maxwell to interviewing gangsters Joe Bonanno and John Gotti Jr., Ira Rosen was behind the scenes of some of 60 Minutes' most sensational stories. Highly entertaining, dishy, and unforgettable, *Ticking Clock* is a never-before-told account of the most successful news show in American history.

He wants to be a good father, but Tamra's manipulations and his own inner demons threaten to pull him under. As secrets come to light and old wounds reopen, Mark faces a choice: let the weight of his past break him or find the courage to heal. And can he find the strength to create a new future for himself and his children?

**The Senator and the Sin Eater** William J. Buchanan, 2007 Seneca Falls, West Virginia, is a picturesque town tucked between the foothills of the Blue Ridge and Allegheny Mountains. It lives in the shadow of the Dunning and Munroe families, mining moguls who have competed for coal in the region for generations. It is a place Joshua Chacón would rather forget. The scorned biracial stepson of the Dunning dynasty, Chacón has acquired a national reputation and a Pulitzer Prize for his books revealing political skulduggery. Drawn back to the hometown he abandoned by news of the mysterious murder of his half brother, Senator Stewart Dunning, Josh soon becomes entangled in a murder plot thick with the power politics of the ruling families of West Virginia's mining country. Any time you pick up a book with Bill Buchanan's name on the cover, there is one thing of which you can be certain: Colonel Buchanan always deals with his characters kindly and gently. *The Senator and the Sin Eater*, his last book before his death, provides a perfect example of this. It is much more than a murder mystery; it is an examination of what sometimes goes wrong in a small, friendly town. Tony Hillerman from the Foreword.

from the lightning storms and Farmers and Ranchers were selling their stocks in order to save their livestock while some were resorting to auction sales in mass to save homes and families As I ran alongside the ranch land the poor critters seem to be begging me to save them with a low moo there was no drooling because the little bit of fodder that was dropped for them was too dry The creek bed was so dry even the red dirt had turned into a white sandy trail I thought of my yard which had turned brown and kept me on guard always because reckless drivers flick cigarette butts out their windows could easily start a grass fire Our Fire Department had been busy lately and there was nothing I could do to help but adhere to the strict rules I kept on going till I rounded the street corner to my house and saw my wife standing at the door waving me on     **No**
