**That Old-Time Religion** Jordan Maxwell, Paul Tice, Alan Snow, 2000 This book proves there is nothing new under the sun regarding many of our modern religious beliefs This includes Christianity and how many of its beliefs could be far older than what we have suspected It gives a complete run down of the stellar lunar and solar evolution of our religious systems and contains new long awaited exhaustive research on the gods and our beliefs **Matrix of Power** Jordan Maxwell, 2000-05 Who really runs the world Who controls the money the politics and almost every facet of life without you knowing a thing about it Is such a thing possible Maxwell grew up in a family that had high ranking insiders in international politics and religion so had access to information that few people could imagine He continued with a lifetime of investigation and is now considered the worlds foremost authority on ancient religions and modern conspiracies He has appeared on three CBS television specials and countless radio shows His work on the true meaning of symbols in politics religion and major corporations is also covered in this highly illustrated book Explore this fascinating subject with a man who has devoted a lifetime of study to uncovering our hidden masters *The Man with the Water Pitcher* Luella Sibbald, 1971 *The Flaming Sword*, 1928 *Igwebuike*: Ikechukwu Anthony Kanu, 2022-07-14 This piece studies the dimensions of Igwebuike which include its place within the theater of being and its literal and linguistic meanings It presents Igwebuike as essentially a transcendent complementary comprehensive systematic effort to understand the structure and dynamics of reality ultimately for the purpose of giving honest answers to fundamental questions or opinions to questions that arise within the arena of asking questions and questioning answers selfless enlightenment and furthering of human happiness **Esoteric Astrology - Vol. 5** Dr. Douglas M. Baker, 2015-05-24 Esoteric Astrology Vol 5 Rising Signs Libra through Pisces The Theory Interpretation and Practice This publication takes a new and revitalised look at astrology It is simple to understand yet remains a powerful tool capable of providing a solid foundation for the comprehension of this broad and magnificent subject This textbook like most of Dr Baker s printed books eBooks and DVDs enhances your studies via many charts lists tables and images over 100 in this one This major work is a very comprehensive introduction for those who want to study this subject in earnest and for the more advanced student it will serve as an essential reference manual In today s computer based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds and with 100% accuracy Consequently the needless paraphernalia usually associated with learning astrology has been stripped away Emphasis is placed on the application of astrology to the unique problems of the modern world its use as a method of revealing purpose and meaning in life and ultimately as a key to the psychosynthesis of personality The horoscope is described in comprehensive detail with special attention given to the esoteric ruling planets of the zodiac signs which are more relevant than orthodox rulers in the charts of spiritually minded people The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new

range of experience which the brain registers as the externa of the modern world The significance of karma is represented for it gives dramatic effect to our daily actions and the third factor of esoteric psychology lying beyond our understanding of heredity and environment is given full prominence This integrative and enriching work can be read alone as a fascinating introduction and foundation to the New Astrology or can be followed up with the author s extensive range of astrological books and video tapes audio lectures and the all embracing Dictionary of Astrology for the 21st Century Together they provide a complete system for the professional and novice alike containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology

African Origin Found in Religion and Freemasonry Kedar Griffo, Michael Berkley, 2010-03-13 This work explores the mystery and mythology found in Religion and Freemasonry We also will present information connecting Religion and Freemasonry to Ancient Africa as we discuss the supposed hidden meanings of movements characters and the zodiac A description of the faces and degrees of the zodiac, as given in the ancient authors, ed. by Raphael Description, 1879 The Culture Is I-God I & II Divine39 Allah, 2016-12-04 The Five Percent Nation are the Gods He was teaching in the Temple in 1963 and left in June or July He was there for three and one half years 1960 1963 All men lie when they are afraid Some tell many lies some but a few Some have only one great lie they tell so often that they almost come to believe it though some small part of them will always know that it is a lie and that will show up on their many faces **The Gospel & the Zodiac** Bill Darlison, 2008-02-14 Darlison elucidates the zodiac s significant place in the Gospels most specifically in the Book of Mark An intriguing leap into faith Kirkus Reviews For millennia the world has been driven by the differences between the great patriarchal religions Western civilization or Christendom as it was once called received its values and its confidence from a belief in God the Father and Jesus his only son But what if this conviction were founded on an error Who is the man in the factually inconsistent Gospel stories And who is the man who makes a brief appearance carrying a jar of water This extraordinary study by a Unitarian minister suggests that Jesus never existed historically he was simply a representation of an astrological theology a representation simply put of the zodiac sign of Aquarius In The Gospel the Zodiac Rev Bill Darlison demonstrates that all the other signs are present too in perfect zodiacal order The Gospel story is not the product of historians or eyewitnesses but an older mystical text produced by an ancient esoteric school as a guide to the Age of Pisces Every bit as revelatory and controversial as it sounds The Gospel the Zodiac will shake up the religious status quo and in doing so provide both a new look at a religious icon and a deeper understanding of the faith that binds millions together Darlison begins by looking at different scholarly approaches to the gospels then outlines his astrological interpretation logically and lucidly matching the zodiacal signs to the narrative of Mark Fortean Times *From Bethlehem to Calvary* Alice A. Bailey, 2012-08-01 The life experience of the Master Jesus including the Crucifixion the Great Renunciation is reflected in the life experience of all human beings We can know and consciously co operate in the journey which leads from the place of
