Man Jumps Out Of An Airplane:

A Man Jumps Out of an Airplane Barry Yourgrau, 1992 *A Man Jumps Out of an Airplane* is a collection of flash fiction from Barry Yourgrau a writer performer whose twilit world lies somewhere between the surreal days of David Lynch and the moonlit nights of Maurice Sendak In this world a man comes home to find his wife in bed with a squirrel nuts strewn all over his wife s clothes on the floor A walk through the woods reveals a man molesting a tree Snowflakes dance around a living room where Dad has been turned into a snowman Says Yourgrau Once you put your imagination into a dream state anything you want to happen can happen Book jacket

A MADNESS Serge Demyanenko, 2008-07-31 This romance novel although fiction is based on the true life adventures of the author It is about real life but a life few people know exists and even fewer get to experience The narrator is a brother in arms and brother in spirit of the protagonist Nick Malenko who sets out to tell these scandalous tales for Nick would never do so himself disdaining publicity and public acclaim Nick is a young man who happens to be smart good looking a rebel at heart and self disciplined because of his upbringing He is an athlete but also a voracious reader loves learning and worships at the altar of Venus He goes to the best schools but he rebels early He marries a woman of color against the convention of the day He has decided that his goal in life is to become the commander of a parachute infantry battalion in the Regular Army of the United States a goal he exceeds in time He graduates as a distinguished military graduate and is commissioned in the regular army Because he is quadrilingual and his education and training the three letter agencies become interested in him He enters the shadowy world of intelligence And then his troubles begin He is bright but lacks the experience to be wise So he mistakes sex and passion for love learning for wisdom and in order to gain a measure of immortality he plunges into one adventure after another thinking that thumbing his nose at fate will bring him immortality In both war time and cold war settings he plunges from one adventure to another from one romance to another The settings are bedrooms and battlefields and the corridors of power in Vietnam Korea Washington D C Germany San Antonio Texas Rio de Janeiro Brazil and Los Angeles California Many years after he started on his journey he realizes that all he was searching for he has had at home He finds that he had love all along and immortality through his loving family and finally finally wisdom comes His long suffering wife used to say to him In your relentless search you create great upheaval and great stress for those around you Being married to you is madness That is why his friends called him The Mad Russian or The Madman That is the reason for the book title

Hornet Flight Ken Follett, 2003-11-25 Ken Follett and the intrigue of World War II: a winning formula. Entertainment Weekly: if ever there was one. With his riveting prose and unerring instinct for suspense, the #1 New York Times bestselling author takes to the skies over Europe during the early days of the war in a most extraordinary novel. It is June 1941 and the war is not going well for England. Somehow the Germans are anticipating the RAF's flight paths and shooting down British bombers with impunity. Meanwhile across the North Sea, eighteen-year-old Harald Olufsen takes a shortcut on the German-occupied Danish island of Sande and discovers an astonishing sight. He doesn't know what it is, but he knows he must tell someone. And when he learns the truth, it will fall upon him to deliver word to England, except that he has no way to get there. He has only an old derelict Hornet Moth biplane rusting away in a ruined church, a plane so decrepit that it is unlikely to ever get off the ground, even if Harald knew how to fly it. Look out for Ken's newest book, *A Column of Fire*, available now.

World's Best Professional Jokes Clifford Sawhney, 2004-04-12 The book is divided into 30 professional categories, with some professions containing multiple categories. Only the best jokes have been selected in this compilation. The professions have been listed alphabetically for easy reference. The book is illustrated with over 100 excellent cartoons that are independent jokes in themselves and offer excellent value for money. Indeed, the world's first book with jokes on so many professions. Guaranteed to make readers cackle, chuckle, grin, guffaw, giggle, hoot, roar, snigger, shriek, titter and finally collapse under piles of laughter.

Toxic Terrain Don Pendleton, 2011-05-01 The badlands of North Dakota become a war zone when a former Pentagon researcher stumbles across a Chinese terrorist plot to unleash deadly prions into the country's largest supply of cattle feed. With America's food chain and the lives of millions in jeopardy, Mack Bolan knows he must shut down the organization and it has to happen fast. But with the local authorities on the enemy's payroll and an army of mercenaries tracking his every move, there's no safe place for Bolan. Heavy fire power alone will not win this fight. Bolan must rely on his battle instincts if he's going to prevent tragedy. The Executioner will risk everything to succeed because if he fails, the United States may never recover.
