relationships in Hannah's life are without complications There's her father whose stubbornness Hannah realizes she's unfortunately inherited her gorgeous cousin Fig whose misbehavior alternately intrigues and irritates Hannah Henry whom Hannah first falls for in college while he's dating Fig and the boyfriends who love her more or less than she deserves who adore her or break her heart By the time she's in her late twenties Hannah has finally figured out what she wants most but she doesn't yet know whether she'll find the courage to go after it Full of honesty and humor *The Man of My Dreams* is an unnervingly insightful and beautifully written examination of the outside forces and personal choices that make us who we are
