Man Who Couldn't See Himself A Love Story:

The Man who Couldn't See Himself, 1999 In the tradition of such bestselling illustrated classics as Jonathan Livingston Seagull and Off to Sea Torregrossa's The Man Who Couldn't See Himself is an enchanting story Whimsically illustrated The Man Who Couldn't See Himself tells the story of a man who has lost sight of who he is He is filled with only loneliness and little self esteem To fill this void he buys himself a dog but before long they are both lonely And what evolves is a sublime journey of a man to find himself again In spite of life's daily demands and stresses in his business he decides to make paper flowers a compelling metaphor for how he's now chosen to look at life The paper flowers find their way around and eventually make their way into the hearts of those whose lives they touch One paper flower leads a beautiful woman to him and because he has been able to transform himself he attracts true love The magic of this story occurs at the moment the man decides to surrender himself to what he believes is his fate and comes to terms with his loneliness However instead of allowing his acceptance to become a dismal one he demonstrates a shift in his consciousness and becomes open to the mystery of love It is only then that he is able to let love enter his life and his acceptance of himself is what creates this possibility not the expectation or the egoistic need for love *Almost a Love Story* Carissa Foo, Erin is a homemaker who hasn't read a book in a long time But that changes when Wendell now a published author returns after twelve years Once they shared a creative partnership he wrote she took notes their closeness defined by the things they never said But when Erin begins to read his novel about a professor and his amanuensis she sees shadows of herself on the page The more she reads the more the boundaries between fact and fiction blur Conversations restart old wounds reopen and the past reshapes the present in quiet irreversible ways After twelve years abroad acclaimed novelist Wendell An Ling returns home and reconnects with Erin once his devoted amanuensis now married who has abandoned reading Their reunion stirs memories of a creative partnership fraught with unspoken tensions mirrored in Wendell's latest novel about a professor and his note taker As Wendell and Erin navigate their tangled history the lines between past and fiction blur revealing a layered exploration of love power and the fragile boundaries between life and literature not a love story. His affinity for capturing the essence of human experiences across different cultures is palpable in this work, suggesting a personal gravitation toward the universally resonant theme of love, which at its core transcends geographical and temporal barriers. This collection is a must-read for those who find themselves fascinated with the intersection of love, culture, and history. Love/Stories (or, But You Will Get Used to It) Itamar Moses, 2010. A casting session for a play about a love affair goes awry. A talk back with a theater audience becomes the occasion for a life-altering choice. A couple moving in together finds that greater intimacy can be a mixed blessing when even the surface of their dialogue is stripped away. Metatheatrical antics abound in Itamar Moses's *Love Stories or but you will get used to it*, five one-act meditations on modern love and on the act of telling stories in which a variety of inventive devices stresses the ineradicable gap between art and experience. Reminiscent of the works of both Samuel Beckett and David Foster Wallace in their verbal dexterity, humor, and generosity, the plays collected in *Love Stories* constitute an important addition to the contemporary American theater by one of our most exciting young playwrights.
