Man Who Kept Cigars In His Cap:

Rooted David R. Pichaske, 2009-05 David Pichaske has been writing and teaching about midwestern literature for three decades In *Rooted* by paying close attention to text landscape and biography he examines the relationship between place and art His focus is on seven midwestern authors who came of age toward the close of the twentieth century their lives and their work grounded in distinct places Dave Etter in small town upstate Illinois Norbert Blei in Door County Wisconsin William Kloefkorn in southern Kansas and Nebraska Bill Holm in Minnesota Linda Hasselstrom in Hermosa South Dakota Jim Heynen in Sioux County Iowa and Jim Harrison in upper Michigan The writers intimate knowledge of place is reflected in their use of details of geography language environment and behavior Yet each writer reaches toward other geographies and into other dimensions of art or thought jazz music and formalism in the case of Etter gender issues in the case of Hasselstrom time past and present in the case of Kloefkorn ethnicity and the role of the artist in the case of Blei magical realism in the case of Heynen the landscape of literature in the case of Holm and the curious worlds of academia best selling novels and Hollywood films in the case of Harrison The result Pichaske notes is the growing away from roots the explorations and alter egos of these writers of place and the tension between the here and there that gives each writer s art the complexity it needs to transcend provincial boundaries Quoting generously from the writers Pichaske employs a practical jargon free literary analysis fixed in the text making *Rooted* interesting readable and especially useful in treating the literary categories of memoir and literary essay that have become important in recent decades

The Fall of Alice K. Jim Heynen, 2012-09-18 Seventeen year old Alice Marie Krayenbraak is beautiful witty a star student and a gifted athlete On the surface she has it all But in Alice s hometown of Dutch Center Iowa nothing is as it seems Behind the facade of order and tidiness the family farm is failing Alice s mother is behaving strangely amid apocalyptic fears of Y2K And her parents have announced their plans to send her special needs sister Aldah away On top of it all the uniformly Dutch Calvinist town has been rattled by an influx of foreign farm workers It s the fall of senior year and Alice now finds herself at odds with both family and cultural norms when she befriends and soon falls in love with Nickson Vang the son of Hmong immigrants Caught in a period of personal and community transformation Alice and Nickson must navigate their way through vastly different traditions while fighting to create new ones of their own Funny and provocative amusing and unsettling *The Fall of Alice K* marks a watershed moment in the publishing career of author Jim Heynen

Being Youngest Jim Heynen, 2015-08-18 It s not as if grown ups will let you be average if you re youngest If you re not fat they call you Skinny or Bones If you re not skinny they call you Hippo or Tubby Henry and Gretchen are the youngest children in two Iowa farm families Being youngest they get left out blamed ignored and picked on all the time At least that s how being youngest they tend to see it In a summer filled with change Henry and Gretchen swap stories become friends fight with their older brothers and sister and get to know the odd old couple down the road Between the old fan s habit of plucking nails out of the ground and the old woman s weird children who are kept locked

in a room upstairs they are strange enough But are they just strange or could the old folks actually be dangerous Jim Heynen's story of one farm summer has fun humor some scary moments and many wonderful insights into what being youngest means Before Henry and Gretchen went their separate ways they didn't compare the stories they were going to tell at home They did agree they'd tell something but not all They both had learned to hide the best part They knew that to keep a secret you had to hide it down a blind alley of stories that are only part of what happened You didn't want to pretend that nothing happened Too much silence was like honey to a hungry bear and grown ups were bound to start pawing around in it It was best to throw them a few scraps of the truth to keep them away from the real honey of what you did *The Party Train*

The Man who Kept Cigars in His Cap Jim Heynen, 1979 *Unconventions* Michael Martone, 2010-02-25

Unconventions is a quirky and provocative miscellany that reveals Michael Martone's protean interests as a writer and a writing teacher Martone has shall we say a problem with authority His chief pleasure in knowing the rules of his vocation comes from trying out new ways to bend blend or otherwise defy them The pieces gathered in Unconventions are drawn from a long career spent loosening the creative strictures on writing Including articles public addresses essays interviews and even a eulogy these writings vary greatly in form but are unified in addressing the many technical and artistic issues that face all writers particularly those interested in experimental and nontraditional modes and forms Martone's approach has always been to synthesize to understand and use any technique formula or style available I find myself then he writes self

identifying as a formalist both and neither an experimenter and or a traditionalist In *I Love a Parade* An Afterword Martone writes about not fitting in and loving it as he recalls the time he marched alone in a local Labor Day parade as a one person delegation from the National Writers Union Elsewhere in writings formally stylistically purposely at odds with themselves Martone s expansive curiosity is on full display We learn about camouflage techniques how a baby acquires language how to read a WPA era post office mural and why Martone sold his stock in the New Yorker and reinvested his money in the company that makes Etch A Sketch Unconventions then is Martone s Frankensteinian monster a kind of unruly hybrid spawn of the mainstream writing enterprise Writing seems to me an intrinsic pleasure an end in itself first says Martone The question for me is not whether my writing or any piece of writing is good or bad but what the writing is and what it is doing and how finally it is used or can be used by others
