Man Who Never Was

George William MacArthur Reynolds

Man Who Never Was:

Operation Heartbreak and The Man Who Never Was Hastings Ismay, John Julius Norwich, 2011-11-08 In the early hours of 30 April 1943 a corpse wearing the uniform of an officer in the Royal Marines was slipped into the waters off the south west coast of Spain With it was a briefcase in which were papers detailing an imminent Allied invasion of Greece As the British had anticipated the supposedly neutral government of Fascist Spain turned the papers over to the Nazi High Command who swallowed the story whole It was perhaps the most decisive bluff of all time for the Allies had no such plan the purpose of Operation Mincemeat was to blind the German High Command to their true objective an attack on Southern Europe through Sicily Though officially shrouded in secrecy the operation soon became legendary in part owing to Churchill s post war habit of telling the story at dinner It gave rise to two very different books In 1950 came Duff Cooper s poignant novel *Operation Heartbreak* a romantic tale one which the government right up to PM Clement Attlee attempted to suppress Its publication prompted the intelligence services to pressurize the operation s mastermind Ewen Montagu into writing a factual account *The Man Who Never Was* Spellmount are proud to present these two accounts fictional and factual of one of the greatest intelligence operations ever undertaken with an introduction by Duff Cooper s son John Julius Norwich [Hashish Dreaming](#)

Elias Sassoon, 2012-03-27 A novel that isn t a real novel a novel that really is the rambling of a disjointed 21st century dude exhibiting cerebral symptoms caused by inhaling the hashish haze overhead Being stoned to release the inner self reaching that higher state of consciousness and then gaining a real understanding that s what that s what we have We also have the opportunity to dig deep into the tender bowels of an individual s psyche and unearth the inner dimensions of the idea Unearthing it all unearthing the mind s fertile crescent in which action transpires and action inspires to set an action hero into orbit Who is this action hero Merely the neurotic who sits alone in a corner thinking thoughts about modern life and exactly where they fit into it Experimentation with the mind by letting the mind go by not trying to contain it by letting it be honest and forthright that is what *Hashish Dreaming* is all about It s nothing more and nothing less than that [Bearing Witness](#)

George E. Lankford, 2006-03-01 The first edition of *Bearing Witness* brought together for the first time 176 slave narratives from the state of Arkansas Now this new edition adds ten previously undiscovered accounts No one knew the truths of slavery better than the slaves themselves but no one consulted them until the 1930s Then recognizing that this generation of unique witnesses would soon be lost to history the Works Progress Administration s Federal Writers Project acted to interview as many former slaves as possible In a continuation of the project s interest in the life histories of ordinary people writers interviewed over two thousand former slaves more than a third of them in Arkansas These oral histories were first published in the 1970s in a thirty nine volume series organized by state and they transformed America s understanding of slavery They have offered crucial evidence on a variety of other topics as well the Civil War Reconstruction agricultural practices everyday life and oral history itself But some former Arkansas slaves were interviewed in Texas Oklahoma and

other states so their narratives were published in those other collections And more than half of the testimonies in the Arkansas volume were interviews with people who had moved to Arkansas after freedom Folklorist George Lankford combed all of the state collections for the testimonies properly belonging to Arkansas and deleted from this state s collection the testimony of later migrants
