Lieberman, 2017-07-14 How electricity became a metaphor for

modernity in the United States inspiring authors from Mark Twain to Ralph Ellison At the turn of the twentieth century electricity emerged as a metaphor for modernity Writers from Mark Twain to Ralph Ellison grappled with the idea of electricity as both life force illumination and death spark electrocution The idea that electrification created exclusively modern experiences took hold of Americans' imaginations whether they welcomed or feared its adoption In Power Lines Jennifer Lieberman examines the apparently incompatible notions of electricity that coexisted in the American imagination tracing how electricity became a common though multifarious symbol for modern life Lieberman examines a series of moments of technical change when electricity accrued new social meanings plotting both power lines and the power of narrative lines in American life and literature While discussing the social construction of electrical systems she offers a new interpretation of Twain's use of electricity as an organizing metaphor in A Connecticut Yankee in King Arthur's Court describes the rhetoric surrounding the invention of electric execution analyzes Charlotte Perkins Gilman's call for human connection in her utopian writing and in her little known Human Work considers the theme of electrical interconnection in Jack London's work and shows how Ralph Ellison and Louis Mumford continued the literary tradition of electrical metaphor

Electrical power was a distinctive concept in American literary cultural and technological histories For this reason narratives about electricity were particularly evocative Bridging the realistic and the romantic the historical and the fantastic these stories guide us to ask new questions about our enduring fascination with electricity and all it came to represent The Code K. Camp,2019-07-11 Joel Rufus Moseley 1870 1954 is one of the forgotten twentieth century champions of American Pentecostalism A brilliant scholar and university professor he left the accolades of academia and searched a number of spiritual paths until he embraced Pentecostalism in 1910 Thereafter he began a lay ministry to the down and outs of society openly campaigning against capital punishment for racial desegregation and above all else for living a life in the Holy Spirit he described as Life as Love He blazed a path that was to influence and

confound many Pentecostal leaders of his time provided an example to those who would lead what become known as the Charismatic Renewal and enjoyed a life of joy one rarely encounters A contemporary version of St Francis of Assisi Rufus Moseley shunned position power politics religious titles and seeking after wealth in favor of following simplicity and depth of spiritual life Like his thirteenth century counterpart he lived a life of gratitude of littleness and above all love Moseley offers encouragement as well as reproof to the contemporary charismatic movement to again seek the simplicity that is in Christ
