Evans,2021-10-05 Jesus and the Manuscripts by popular author and Bible scholar Craig A. Evans introduces readers to the diversity and complexity of the ancient literature that records the words and deeds of Jesus. This diverse literature includes the familiar Gospels of the New Testament, the much less familiar literature of the Rabbis and of the Qur'an, and the extracanonical narratives and brief snippets of material found in fragments and inscriptions. This book critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion. Evans argues that the Gospel of Thomas is not early or independent of the New Testament Gospels but that it should be dated to the late second century. He also argues that Secret Mark, like the recently published Gospel of Jesus Wife, is probably a modern forgery. Of special interest is the question of how long the autographs of New Testament writings remained in circulation. Evans argues that the evidence suggests that most of these autographs remained available for copying and study for more than one hundred years and thus stabilized the text. Key

Inheritance of Land in the Pauline Epistles Miguel G. Echevarria,2019-01-25 The Apostle Paul s vision of eternity is centered on the inheritance theme Although Paul rarely unpacks this concept he employs the inheritance in a manner that encompasses the hope of a renewed cosmos promised to Abraham and his descendants Thus the apostle does not redefine a theme grounded in the Old Testament and Second Temple literature as if it now referred to heaven or some other spiritualized existence He expects what every pious Jew expected the tangible fulfillment of the promise when at last God s people will dwell in a land where they will experience rest under the rule of Messiah What Paul clarifies is that those who are in Christ are the beneficiaries of the inheritance Although believers do not currently possess what has been promised to them they have the hope that the Spirit will lead them on a new exodus through the wilderness of the present sinful age until they inherit the coming world **NLT One Year Chronological Study Bible** Tyndale,2022-09-20 The greatest story ever told in engaging chronological order Discover God s Word in a new light with this unique One Year Bible broken down into manageable daily readings ordered chronologically and illuminated by study notes The One Year Chronological Study Bible
