Incest Gimper Grandma Gimper, Grandma Gimper, 2010-02 This is a true story of six generations of family incest to be read by every family member psychologist medical professional researcher educator policy maker law maker legal professional and every talk show host I am the Great Granddaughter Great Niece Niece Daughter Sister Cousin Mother Grandmother Friend and Neighbor of an accused Child Molester And my family is not the only family It is no longer a family secret it is an epidemic and this war against our children must stop now It is my theory that incest is an illness passed on from generation to generation the same as other addictions afflictions which take over the victim's feelings and drives them to conduct these acts which they have no control over Until we address this issue as a disease instead of a crime our jails and communities will continue to be overloaded with these outcasts our loved ones We must build an ARCH a safe place where families may Acknowledge their illness accept Responsibility Confront the illness and begin the Healing to STOP INCEST We can't change history but it is up to us to change the future We must provide rights to the sexually challenged by providing awareness education resources and treatment to end this story Six generation later I refuse to remain silent and allow this to continue We must break the silence demand change and take steps to cure this legally silenced unspeakable epidemic

The Country Gentleman ,1919 *Merritt Magic* Melinda Merritt,2017-03-27 This book is about the world we lived in which was one of dreams spirituality magic and love I arrived just at the end of the Pisces Age in 1950 and I could feel the energies changing early in my life The Sages had spoken to the families about the coming cultural change which would take the world by storm We had no idea what they meant but we knew it would happen I was just going about my life learning all the ancient African knowledge and wisdom my family taught After all this is the spirituality and ancestral knowledge which freed the slaves from bondage We were a very blessed family in that there was never any lack just a life of abundance The Sages controlled what happened in this world and no one ever questioned them Our world was filled with happiness excitement and surprise Then as though my world was not already filled with many unusual things in the early 1960 s it happened The change of which the Sages had been speaking started to happen Rev Martin Luther King Jr and the Civil Rights Movement came to our little town of Americus GA This was the very beginning of what turned out to be the biggest event ever My father was a successful independent business leader and he and Rev King as Dr King was known at that time bonded immediately This meant that our entire family was heavily involved in the Movement Dr King was frequently at our home and became a part of the family for many years Everything changed for me and the family when this Movement came but the Sages managed to keep control over our daily lives These were some powerful Black women whom no one dared cross The energy which drove the Movement was constantly pointed out to me by the Sages I became an expert on the human energy phenomenon The world was completely magical and it seemed to have come to our small town The people we met were from all over the globe The power of the black people s energy was working full force Because of what the Sages taught me I was able to travel through my entire life in control of my elements The Sages believed practiced and

taught that if you can control your elements you can control your life This book is about these Black powerful women who had taken their gifts and skills underground until now My Life / His Way Gloria Florette Vogel,2013 A nonfictional inspirational story of the many experiences and lessons learned with its countless turns trials and tribulations in my life All this occurred while raising three children after a divorce and an absentee father My journey grew to lead me into a deeper level of faith I am blessed with the Gift of Discernment Word of Knowledge and Healing which brought me out of a religious environment into the awareness and understanding that our God is still alive The Lord sent me to pray over the wounded soldiers coming home from the current wars in Iraq and Afghanistan where healings and miracles abounded The stories that you read will make you think twice if you have any doubt that there is a living God **Finley Ball** Nancy Finley,2016-03-29 This is the story of a losing baseball team that became a 1970s dynasty thanks to the unorthodox strategies and stunts of two very colorful men When Charlie Finley bought the A s in 1960 he was an outsider to the game a insurance businessman with a larger than life personality He brought his cousin Carl on as his right hand man moved the team from Kansas City to Oakland and pioneered a new way to put together a winning team With legendary players like Reggie Jackson Catfish Hunter and Vida Blue the Finleys Oakland A s won three straight World Series and riveted the nation Now Carl Finley s daughter Nancy reveals the whole story behind her family s winning legacy how her father and uncle developed their scouting strategy why they employed odd gimmicks like orange baseballs and mustache bonuses and how the success of the 70s Oakland A s changed the game of baseball From the Prize Ring to the Pulpit Carolyn Rhame Kelley,2016-01-28 The book takes the reader through the story of a man who left the glamour of a boxing career and professional entertaining to follow a faith so deep you will be inspired to examine your own faith John Rhame was a professional fighter and entertainer but to me he will always be my pastor As a young boy growing up in the church his love for God and for people was a great example and influence in my life and future ministry In reading this book you will learn about what the heart of a pastor truly looks like as that is what John Rhame was all about Newell Smith District Superintendent Philadelphia District Church of the Nazarene I met Rev Rhame only a few times as young Christian but his love for God was always evident and impactful His musical talent and the story of his life were rich and colorful and left a lasting impression on all who experienced it His greatest contribution in my life came through the influence of his daughter Carolyn the author of this book who shared his legacy of love with me and many other young people that she served in our youth group M Kim Smith District Superintendent Iowa District Church of the Nazarene In life we long for a hero to follow someone who is bigger than life But the real gift is when that hero humbly points us to Someone beyond ourselves Someone who created us for greater purpose and meaning in life This book reveals the story of what God can do in and through and with the life of a man who is fully surrendered to Him Allan Greer Senior Pastor Parkway Place Baptist Church Little Rock Not all stories have an end but every story has a beginning This is a story of one mans beginning and decision which made an everlasting impact on generations Joel Studdard
