The Cultural Work of

Photography in Canada Carol Payne, Andrea Kunard, 2011-08-31 The Cultural Work of Photography in Canada is an in depth study on the use of photographic imagery in Canada from the late nineteenth century to the present This volume of fourteen essays provides a thought provoking discussion of the role photography has played in representing Canadian identities In essays that draw on a diversity of photographic forms from the snapshot and advertising image to works of photographic art contributors present a variety of critical approaches to photography studies examining themes ranging from photography s part in the formation of the geographic imaginary to Aboriginal self identity and notions of citizenship The volume explores the work of photographs as tools of self and collective expression while rejecting any claim to a definitive singular telling of photography s history Reflecting the rich interdisciplinarity of contemporary photography studies The Cultural Work of Photography in Canada is essential reading for anyone interested in Canadian visual culture Contributors include Sarah Bassnett University of Western Ontario Lynne Bell University of Saskatchewan Jill Delaney Library and Archives Canada Robert Evans Carleton University Sherry Farrell Racette University of Manitoba Blake Fitzpatrick Toronto Metropolitan University Vincent Lavoie Universit du Qu bec Montr al John O Brian University of British Columbia James Opp Carleton University Joan M Schwartz Queen s University Sarah Stacy Library and Archives Canada Jeffrey Thomas Ottawa and Carol Williams Trent University University of Lethbridge

Women in Wartime Geraldine Howell, 2019-03-07 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched Picture Post magazine was made famous by its pioneering photojournalism which vividly captured a panorama of wartime events and the ordinary lives affected This book is the first to examine this fascinating primary source as a cultural record of women s dress history Reading the magazine s visual narratives from 1938 to 1945 it weaves together the ways in which design style and fashion were affected by and responded to the state of being at war and the new gender roles it created for women From the working class of Whitechapel to the beach sets of the Bahamas and from well heeled Mayfair to middle class New York Women in Wartime takes a wide angled lens to the fashions and lifestyles of the women featured in Picture Post Exploring the nature of femininity and the struggle to be fashionable during the war the book reveals critical connections between clothing and social culture Drawing on a unique range of photographs Women in Wartime presents a living history of how women s clothing choices reflect changing perceptions of gender body and class during an era of unprecedented social change

Public Images Ryan Linkof, 2020-08-12 The stolen snapshot is a staple of the modern tabloid press as ubiquitous as it is notorious The first in depth history of British tabloid photojournalism this book explores the origin of the unauthorised celebrity photograph in the early 20th century tracing its rise in the 1900s through to the first legal trial concerning the right to privacy from photographers shortly after the Second World War Packed with case studies from the glamorous to the

infamous the book argues that the candid snap was a tabloid innovation that drew its power from Britain's unique class tensions Used by papers such as the Daily Mirror and Daily Sketch as a vehicle of mass communication this new form of image played an important and often overlooked role in constructing the idea of the press photographer as a documentary eyewitness From Edward VIII and Wallis Simpson to aristocratic debutantes Lady Diana Cooper and Margaret Whigham the rage of the social elite at being pictured so intimately without permission was matched only by the fascination of working class readers while the relationship of the British press to social economic and political power was changed forever Initially pioneered in the metropole tabloid style photojournalism soon penetrated the journalistic culture of most of the globe This in depth account of its social and cultural history is an invaluable source of new research for historians of photography journalism visual culture media and celebrity studies

The Concise Focal Encyclopedia of Photography Michael Peres, 2014-06-20 Defining photography is impossible Revealing it is another matter and that's what The Concise Focal Encyclopedia of Photography does with each turn of the page History The technical origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange's Migrant Mother than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise The Concise Focal Encyclopedia of Photography is packed with useful information compelling ideas and best of all pure pleasure

The Focal Encyclopedia of Photography Michael R. Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition shares the ever changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House the world's oldest photography museum this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role ranging from the atomic to the cosmic

The Exiles Daria Santini, 2019-09-05 London 1934 Austrian actress Elisabeth Bergner dominated the British theatre scene poet and director Berthold Viertel shot two successful films for Gaumont British two great actors from the Weimar era Conrad Veidt and Fritz Kortner became well known faces in English speaking cinema and the Hungarian journalist Stefan Lorant launched the first ever continental style illustrated magazine for the British newspaper market Exploring a phase in the history of Anglo German relations during which the migr's from Hitler's Germany were making their

influence felt in Britain Daria Santini traces their presence in London from around 1933 to 1935 when these characters made their presence truly felt all while the Nazi threat loomed on the horizon

The Making of Visual News Thierry Gervais, Gaëlle Morel, 2020-09-23 The Making of Visual News sets out to show how photography has changed the way we read report and sell the news It investigates how photographs first became news images at the end of the nineteenth century and how magazines in the USA the UK France and Germany have put them to use ever since Drawing on a wide selection of images author Thierry Gervais in collaboration with Gaëlle Morel analyses news photographs in the context of their original presentation in print Highly illustrated the book contains 85 full colour magazine layouts and spreads offering the reader a view of how photographs were and are used in print publications including Life Picture Post the Berliner Illustrierte Zeitung and VU It examines how photographs were employed to attract new readers throughout the twentieth century arguing that photography was the main tool by which news editors sought to communicate the news and attract a broader readership Looking beyond the roles of photographer and journalist this study also highlights the contributions of picture editors and artistic directors by commissioning photographs and incorporating images into magazine layouts these figures played critical but often overlooked roles in the construction of visual news even as they crafted unique styles for their publications Charting changes in technology and reportage as well as broader social and political histories The Making of Visual News offers new insight into the history of photojournalism making this an essential resource for students and scholars of photojournalism and the history of photography media and culture

Blood and Champagne Alex Kershaw, 2003-07-25 Friend of Hemingway John Huston and lover of beautiful women Capa lived a life that was equal parts glamour and danger He was the best of combat photographers yet no one knew that Capa was not his real name and that his greatest artistic achievement may well have been himself Two 8 page photo inserts

Robert Capa Richard Whelan, 1994-01-01 The legendary war photographer Robert Capa carried into his personal life the same remarkable vitality that characterizes his pictures Driven from his native Hungary by political oppression he was first recognized for photographing the Spanish Civil War In 1938 he was in China recording the Japanese invasion During World War II he was in London North Africa and Italy and then in France covering D Day on Omaha Beach the liberation of Paris and the Battle of the Bulge When the new nation of Israel was founded in 1948 he was there In 1954 he was in Vietnam taking photographs until the moment he was killed Away from battle Capa gathered about him such famous people as Ernest Hemingway and his wife the war correspondent Martha Gellhorn Gary Cooper Irwin Shaw and Gene Kelly Whelan shows Capa photographing the street life of Paris crisscrossing America on assignment from Life in Russia with John Steinbeck in Italy with John Huston on the Riviera with Picasso and with Ingrid Bergman
