## **Man Without Words:**

A Man Without Words Susan Schaller, 2014-05-15 For more than a quarter of a century Ildefonso a Mexican Indian lived in total isolation set apart from the rest of the world He wasn't a political prisoner or a social recluse he was simply born deaf and had never been taught even the most basic language Susan Schaller then a twenty four year old graduate student encountered him in a class for the deaf where she had been sent as an interpreter and where he sat isolated since he knew no sign language She found him obviously intelligent and sharply observant but unable to communicate and she felt compelled to bring him to a comprehension of words The book vividly conveys the challenge the frustrations and the exhilaration of opening the mind of a congenitally deaf person to the concept of language This second edition includes a new chapter and afterword
