Managed Care An Agency Guide To Surviving And Thriving:

Managed Care David L. Emenhiser,Robert L. Barker,Madelyn DeWoody,1995 Managed Care shows how agency executives staff and trustees of nonprofit organizations can prepare for survive and even prosper during the transition to a managed care system It takes the mystery out of managed care and quells the anxiety of executives by showing the practical steps they can take to ease the transition It also helps executives regain a sense of optimism for their agency s future in the managed care environment
The Managed Care Answer Book for Mental Health Professionals Gayle McCracken Tuttle,Dianne Rush Woods,1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company

The Managed Care Answer Book Gayle McCracken Tuttle, Dianne Rush Woods, 2013-09-05 This text aims to provide answer to questions such as what happens when you get dropped from a managed care panel How do you get paid Why can t you get on a managed care panel This book is an extended guestion and answer session where issues are tackled from the providers perspective Armed with the resources examples and explanations provided in this book clinicians will be positioned to make the decisions that contribute to success under managed care The Mission-driven Organization and Managed Medicaid Home and Community Based Waivers Madelyn Freundlich, 1997 **Care** Patricia Langley, 1996 Care Crisis Patrick Almond Curtis, Grady Dale, Joshua C. Kendall, 1999-01-01 The inadequacy of the foster care system has long been recognized One of the biggest obstacles to reforming the system is the relative unavailability of research data from the field information that would shed light on key empirical trends and pressing issues This long overdue volume provides a much needed overview of the current state of foster care Leading researchers and practitioners summarize and discuss the results of their current research providing through their data an unparalleled detailed glimpse of the inner workings of the foster care system in its entirety The volume is also valuable for its survey and syntheses of important issues and trends affecting foster care Subjects discussed include welfare reform reporting systems family reunification mental health services and the needs of minority children Wide ranging and detailed in its coverage this collection is destined to become an essential reference and quide to the foster care system Child Welfare Research Duncan Lindsey, Aron Shlonsky,2008-04-25 During the last decade there have been major advances in research in child welfare the largest specialty within social work The focus of this research has been on improving current child welfare practices and programs that protect children from abuse and neglect The major policy and program changes in the child welfare system have been guided by these research studies spurred by federal and state emphasis on monitoring child welfare outcomes and identifying best practices This landmark collection gathers those research developments and how they have been translated into policies programs and practice in a single volume for the first time Duncan Lindsey one of the nation s foremost child welfare scholars and Aron Shlonsky have assembled a case of the giants in the field who analyze developments in adoption foster care risk assessment CPS work welfare reform poverty decision making and epidemiological studies The final section

of the book details new approaches to programs designed to combat child maltreatment and child poverty This volume with its unparalled breadth depth and up to date content will define the state of the field and serve as an invaluable reference for child welfare scholars and practitioners alike **Social Work Practice with Families and Children** Anthony Maluccio, Barbara Pine, Elizabeth M. Tracy, 2002-09-11 This book emphasizes family centered social network and school based interventions in the preparation of social workers for direct and indirect practice with clients from vulnerable populations especially the poor people of color and recent immigrant groups With an eye to recent changes in social work practice and service delivery including the impact of welfare reform and managed care on vulnerable families and children Social Work Practice with Families and Children helps social work students and practitioners understand the increasingly complex needs of their clients Three valuable appendixes include information about tools and instruments to support practice child welfare resource centers and electronic resources pertaining to the field Networks, Mergers, & Partnerships in a Managed Care Environment David L. Emenhiser, 1998 Economic forces will drive the next phase of managed care putting emphasis on the creation of networks mergers and partnerships The authors real world expertise and insight into the managed care process can help child welfare executives keep pace with the ever changing environment and the demand for additional information Chapters focus on the executives and stakeholders roles in creating a strategic vision growth strategies for child welfare agencies and a comprehensive managed care readiness checklist Raising Cain Richard J. Delanev, 1998 Foster and adoptive parents are challenged by society to raise the child with extraordinary emotional and behavioral problems the child marked by his past the child whose future without help looks grim In effect we ask these parents to not only Raise Cain but to raise him better But if we ask foster and adoptive parents to raise society s abused and neglected youngsters our system legal welfare and mental health must better attend to the best interests of its children and of those who care for Cain Raising Cain challenges failings in the legal welfare and mental health system that undermine the best interests of foster and adoptive children It protests confronts and Raises Cain about basic but reparable flaws in our present system of care

Social Workers' Desk Reference Albert R. Roberts, Gilbert J. Greene, 2002 Following in the groundbreaking path of its predecessor the second edition of the Social Workers Desk Reference provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice Making Managed Health Care Work for Kids in Foster Care Ellen Sittenfeld Battistelli, 1996 All children are dependent on others for their care and well being but children in foster care are uniquely dependent upon governments and their agencies and services These children have complex problems rooted in family social and environmental conditions and often need a broad range of health mental health and developmental services to overcome the effects of abuse and neglect This guide will help purchasers of managed health care understand the complex health care and social service needs of children in foster care Moving to Managed Care in Child Welfare William Meezan, 2003

Managed Care in Human Services Stephen P. Wernet, 1999 The

unique contribution of this book is its exclusive focus on the current impact of managed care on social service organisations and delivery systems public sector systems and professional practice It is one of the only books to address managed care from a social work perspective And it is the first to address the impact of managed care on services to children Shifting Principles in a Sacred Market Bowen McBeath,2006 Managed Care Resource Guide for Social Workers in Agency Settings Vivian H. Jackson,1995 The Psychotherapist's Guide to Cost Containment Bernard D. Beitman,1998-02-12 In an age when psychotherapists are subjected to cost saving measures which run counter to their wish to optimize care for their clients this book is particularly timely After chapters on the mechanics of cost containment and the clash between cost containment and client care the author shows practitioners how to live with the enemy and to provide psychotherapeutic care in these adverse circumstances Public Welfare ,1995 Washington Social Legislation Bulletin ,1995 Practice Learning Graham Ixer,2006
