Government Archives describes and prescribes the essential elements and best practices of a local government archives program. It is intended to be both a text for classroom instruction and a self help tool for both professional and paraprofessional archivists. It is also intended to be helpful to local governments considering the planning and implementation of a formal archives program. Coverage encompasses the various domains of archival enterprise as practiced in a local government setting: acquisition, appraisal, arrangement and description, preservation, access, relationship to the records management profession and other topics.
