Stratton Horngren Sundem Stratton's best selling texts emphasize decision making throughout each chapter. Decision making is introduced in the early text chapters and also appears in many of the text features. Making Managerial Decisions boxes, critical thinking exercises and more. As always, students develop a solid understanding of costs and cost behavior and the use of cost information for planning and control decisions, not just inventory valuation. Two text versions enable faculty to select a text that only covers management accounting concepts (Chs 1-14) or one that includes three chapters of financial accounting review (Chs 1-17). New OneKey provides the convenience of having all text resources in a single location and available in your choice of course management platform: BlackBoard, WebCT and CourseCompass. OneKey also includes PH Grade Assist, on-line homework with automatic grading and infinite practice for students.

This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection there are five previously unpublished essays. The topics covered in these new essays are: women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult-to-accessible journals, newspapers and other sources. This collection brings together these essays for the first time.

Cómo hacer un plan estratégico de comunicación Vol. IV Guillem Marca Francés, 2018-02-18

Con este volumen IV se cierra esta obra describiendo la cuarta y última etapa de todo plan estratégico: la evaluación final de la eficacia en el logro de los objetivos y la medición de los resultados. Una vez desplegado el plan de acción. Tras una revisión bibliográfica en profundidad, la primera parte del texto describe la medición de resultados, output, outcome y realizando antes un recorrido por la evolución de la evaluación en las últimas décadas y hasta la actualidad. Finalmente, en la segunda parte, se describe la evaluación final en los distintos modelos de planificación estratégica.
