**Unravelling the Mysteries of Africa's Underdevelopment** W. Forje, 2020-05-19 Unravelling the mysteries of Africa's underdevelopment presents an Afrocentric ideological understanding of the continent's fragmentation, a scientific and objective discourse as well as an approach of how to move progressively and sustainably Africa forward. The breadth and depth of the book shows the unwavering impoverishment and urgent need for the continent to stand up and take the bull by the horn. It offers an inspiring means of grappling with the continent's problems to build the change we want. An African Wealth of Nations, not the continent of collapsed failed states under the governance construct of centralised authoritarian regimes. It is a thought-provoking discourse that challenges us all to be inherent participants in the reconstruction of a Brave New Africa far beyond the 21st Century. *Successful Project Management in Social Work and Social Care* Gary Spolander, Linda Martin, 2012-03-15 This is a practical guide to the essential core skills of project management in social work and social care.
