It is a guidebook for pastors and church leaders who have a sincere desire to achieve God's true mission in the world. He is also the author of *The Art of Servant Leadership: Designing Your Organization for the Sake of Others*. **Biblical Principles of Leading and Managing Employees** Bruce E.

Winston, 2018-05-17. This book examines the scriptural concepts that apply to leading and managing people. It begins with a chapter that contrasts leaders, managers, and administrators and the roles they each play. The book then presents the seven virtues from the Beatitudes and how these virtues result in leaders' and managers' behaviors. The book then reviews the 15 characteristics of what love is and what love is not from the 1 Corinthians 12 passage. The book presents the four modalities of leaders as conveyed in the Ezekiel 1 and 10 chapters as well as Revelations 4 where Ezekiel and John describe the four faces of the winged beings. The modalities are described in terms of contemporary leaders interacting with employees in the workplace. A chapter follows based on the Parable of the Vineyard and how leaders should provide a minimum living wage. The book then compares the wife in Proverbs 31 to a good leader/manager in today's contemporary organization. The book ends with an admonition from Ecclesiastes 3:1 about the need for leaders/managers to step away and not meddle when the leader/manager's role is finished. Throughout the book, composite case examples provide practical application of the concepts to contemporary organizations.

Equipping for Service Knud Jorgensen, 2013-01-09. Description: *Equipping for Service: Christian Leadership in Church and Society* by Knud Jorgensen is written out of decades of experience of leading churches and missions in Ethiopia, Geneva, Norway, and Hong Kong. Combining the teaching of Scripture with the insights of contemporary management philosophy, Jorgensen writes in a way which is practical and applicable to anyone in Christian service. As he writes in his introduction, "The intention has been to challenge towards a leadership relevant for work in church and mission and in public and civil society with special attention to leadership in Church and organisation." *Equipping for Service* is a gift, a source of wisdom for younger leaders, a sourcebook for more seasoned leaders. From the Preface by Doug Birdsall: "The Lausanne Movement Endorsements." Knud Jorgensen has over the years inspired many young and old persons to a life in ministry and mission. This discourse on leadership is deeply rooted in Jorgensen's biblical and scholarly work on contemporary leadership in Church and mission as well as in his own experience as a leader with a distinct ministry of preaching and teaching, writing, and various ways of communication. Ole Chr. M. Kvarme, Bishop of Oslo Church of Norway, Dr.

On-Purpose Leadership Dale E. Galloway, Warren Bird, 2002-10-01 Break through the barriers that bar you and your church from achieving a new level of leadership and ministry This book introduces a three level perspective for developing ministry leaders within the local church that builds on Christ s own ministry model and draws upon contemporary leadership experts for expanded instruction Encouraging and empowering lay leaders provides the room to expand vision and effect ministry Open this book and find the confidence to break through to an extraordinary ministry future Paper **Achieving** Anthony J Headley, 2020-10-02 Balance it is an elusive ideal and magnificent goal Most Christian leaders especially pastors desire balance in life and ministry but many would give themselves a failing grade when it comes to achieving it While ministers hear a lot about self mastery discipline time management and wholeness most are caught up in a daily crunch of trying to sort the urgent from the important At the same time most pastors are both magnetically drawn and self judged by Jesus words to seek first the kingdom of God and Paul s testimony about doing one thing and having learned the secret of contentment What a nerve wracking confusion all this creates for contemporary ministers
