**Managing Employee Retention** Jack J. Phillips, Adele O. Connell, 2004-02-18

During the past decade employee turnover has become a very serious problem for organizations Managing retention and keeping the turnover rate below target and industry norms is one of the most challenging issues facing business All indications point toward the issue compounding in the future and even as economic times change turnover will continue to be an important issue for most job groups Yet despite these facts employee turnover continues to be the most unappreciated and undervalued issue facing business leaders There are a variety of reasons for this for example the true cost of employee turnover is often underestimated The causes of turnover are not adequately identified and solutions are often not matched with the causes so they fail Preventive measures are either not in place or do not target the issues properly and therefore have little or no effect and a method for measuring progress and identifying a monetary value ROI on retention does not exist in most organizations

Managing Employee Retention is a practical guide for managers to retain their talented employees It shows how to manage and monitor turnover and how to develop the ROI of keeping your talent using innovative retention programs The book presents a logical process of managing retention from identifying turnover costs and causes designing solutions that match the causes of turnover developing tools for tracking turnover and placing alerts when action is needed

and measuring the ROI of retention programs      *Business Advantage Intermediate Personal Study Book with Audio CD* Marjorie Rosenberg, 2012-01-26 An innovative new multi level course for the university and in company sector Business Advantage is the course for tomorrow s business leaders Based on a unique syllabus combining current business theory business in practice and business skills presented using authentic expert input the course contains specific business related outcomes making the material highly relevant and engaging The Business Advantage Intermediate level includes input from the Cambridge Judge Business School IKEA Emirates NBD Isuzu and Unilever to name but a few The Personal Study Book provides further practice and lesson consolidation and comes with an Audio CD with recordings from the Student s Book skills lessons plus additional audio      **Let Go to Grow** Doug White, Polly White, 2011      **Gen Z in Work** Karina Ochis, 2024-12-20 This concise and clear book provides actionable solutions to every manager s and leader s newest problem How to work effectively with Gen Z employees Employee disengagement is a problem for businesses around the globe with 85% of employees actively disengaged from their work By 2025 Gen Z will account for one third of the workforce according to the World Economic Forum and a growing challenge is how to adapt organizations to effectively include this group Companies must now redesign long established practices to include rapid integration gamified rewards mixed generation teams and multigeneration training in ways that will capitalize on the current behaviors of Gen Z as well as other worker groups This book provides The measures companies can take to forge productive relationships between Gen Z and older more experienced employees An approach that can be readily applied by senior executives and managers to engage Gen Z employees and to address the disengagement problem more broadly Implementable solutions on how five traditional practices onboarding leadership culture motivation and benefits can be altered in companies to improve Gen Z productivity The problem of disengagement is widespread across companies and industries and results in diminished productivity high turnover costs and the loss of experienced professionals Managers and leaders across all sectors will find this book indispensable in implementing an actionable strategy for improving the performance of Gen Z      *Integrated Business Planning* Robert Kepczynski, Raghav Jandhyala, Ganesh Sankaran, Aleksandra Dimofte, 2018-05-31 This book presents a comprehensive introduction to Integrated Business Planning IBP building on practitioner s experience and showcasing the value gains when moving from disconnected planning to IBP It also proposes a road map for the transformation of planning including technological initiatives business priorities and organizational processes and demonstrates how to motivate different IBP stakeholders to work together when and how to connect strategic to be understood as long term SC O tactical and operational planning and how to leverage functional and data integration features of SAP IBP Real world business process use cases help to show the practical implications of implementing SAP IBP Furthermore the book explores new capabilities talent acquisition and retention career development leadership IBP Center of Expertise A discussion of how disruptive technology trends like big data Internet of Things machine learning and artificial intelligence can influence IBP
