

MANAGERS TALK ETHICS

*Making
Tough Choices
in a Competitive
Business World*

"Good news for anyone who wonders whether ethics and morality have all but ceased to exist in corporations... Toffler suggests ways to raise an organization's ethical consciousness—advice all the more valuable because it remains so rare." —USA TODAY

Barbara Ley Toffler

Managers Talk Ethics Making Tough Choices In A Competitive Business World

Ying-Ying Zheng

Managers Talk Ethics Making Tough Choices In A Competitive Business World:

Managers Talk Ethics Barbara Ley Toffler, 1991-05-02 Presents the thoughts and hard won experiences of men and women who have had to face thorny ethical issues in their roles as managers Shows how to be ethical and still be a success how managers can recognize ethical situations and how to resolve problems that involve ethical considerations Toffler's book is not what others think ethics ought to be for managers It is what practicing managers say it is Its unique format lets the managers talk about the actual situations in which they were responsible for decisions which had ethical consequences All managers will be able to identify with the situations The author has added her own introductory and concluding commentary to the interviews to help readers get the most out of it *A Companion to Business Ethics* Robert E. Frederick, 2008-04-15 In a series of articles specifically commissioned for this volume some of today's most distinguished business ethicists survey the main areas of interest and concern in the field of business ethics Sections of the book cover topics such as the often easy relation between business ethics and capitalism the link between business ethics and ethical theory how ethics applies to specific problems in the business world the connection between business ethics and related academic disciplines and the practice of business ethics in modern corporations Includes extensive accessible discussion of all of the main areas of interest and debate in business ethics Features all original contributions by distinguished authors in business ethics Includes an annotated table of contents bibliographies of the relevant literature and a list of internet sources of material on business ethics Perfect comprehensive book for use in business ethics courses **Applied Ethics in a Troubled World** Edgar Morscher, Otto Neumaier, Peter M. Simons, Peter Simons, 1998-03-31 The 23 papers that were prepared for a 1991 symposium that was cancelled beneath the weight of public and professional protests at some of the speakers invited particularly Peter Singer They analyze the application of theoretical considerations arising from philosophical reflection to particular concrete cases and situations of moral conflict in such fields as the environment biology and medicine business and professions politics law and society Among the topics are a philosophical critique of legal rights for natural objects comparing the value of human and nonhuman life business ethics as a goal rights system liberal society and planned morality and moral philosophy and its function No subject index Annotation copyrighted by Book News Inc Portland OR Strategic Action Planning Now Setting and Meeting Your Goals Cate Gable, 2020-10-07 Filling the need for a how to step by step guide to strategic planning Strategic Action Planning NOW outlines team based planning in four steps Gate Gable's techniques provide detailed guidance into planning processes strategic skills recognition of challenges consideration of goals monitoring and measurement and implementation tips to help the reader begin the planning process almost immediately Written in three parts the author provides exercises with each chapter Part one covers the pre planning stages defining who and what your team is and what your team's goals are The second part goes over the actual planning identifying the challenges and setting the goals for your team The third and final part deals with post planning implementation and evaluating your team's progress

Managing Ethics in Business Organizations Linda Klebe Treviño, Gary Richard Weaver, 2003 Aimed both at broadening the range of theoretically informed empirical research on business ethics and at addressing the underlying questions regarding the nature of business ethics research this is a comprehensive state of the art portrait of the role of ethics in organizations

BUSINESS ETHICS AND VALUE SYSTEMS H. C. MRUTHYUNJAYA, 2013-01-10 This comprehensive and well organised book deals with some of the basic issues associated with business ethics and value systems It presents the views of different schools of thought on this subject and dissects the phenomenon of corruption to expose its root causes The book provides a critical analysis of this social epidemic that forces corporates to become corrupt and remain unethical Besides it describes a few popular ethical theories some of the key issues that affect ethical decision process and the role of total quality management in ensuring practice of good workplace ethics Primarily intended for the postgraduate students of management and commerce the book can also be used beneficially by practicing professionals Key Features Presents more than forty live cases that show a cross section view of different types of unethical practices Gives model ethical codes for a few professions Provides spreadsheets to enable satisfactory compliance with legal and statutory requirements

Business Information Sources Lorna M. Daniells, 1993 This is the reference work that librarians and business people have been waiting for Lorna Daniells s updated guide to selected business books and reference sources Completely revised with the best most recent information available this edition contains several new sections covering such topics as competitive intelligence economic and financial measures and health care marketing Handbooks bibliographies indexes and abstracts online databases dictionaries directories statistical sources and periodicals are also included Speedy access to up to date information is essential in the competitive computerized business world This classic guide will be indispensable to anyone doing business research today

Moral Leadership Deborah L. Rhode, 2015-06-10 Moral Leadership brings together in one comprehensive volume essays from leading scholars in law leadership psychology political science and ethics to provide practical theoretical policy guidance The authors explore key questions about moral leadership such as How do leaders form sustain and transmit moral commitments Under what conditions are those processes most effective What is the impact of ethics officers codes training programs and similar initiatives How do standards and practices vary across context and culture What can we do at the individual organizational and societal level to foster moral leadership Throughout the book the contributors identify what people know and only think they know about the role of ethics in key decision making positions The essays focus on issues such as the definition and importance of moral leadership and the factors that influence its exercise along with practical strategies for promoting ethical behavior Moral Leadership addresses the dynamics of moral leadership with particular emphasis on major obstacles that stand in its way impaired judgment self interest and power Finally the book explores moral leadership in a variety of contexts business and the professions nonprofit organizations and the international arena

Responsible Leadership Steve Kempster, Brigid Carroll, 2016-03-31 It is time for the

development of a new kind of business leadership Global needs call for a revision of market capitalism and a move towards moral capitalism a move from value to values from shareholders to stakeholders and from balance sheets to balanced development Kofi Annan With the challenge of this transition in mind this book argues that it is time for a new understanding of leadership a new romanticism which looks behind the overvalued heroic leadership notion The editors explore a romanticized rhetoric and situate it within current discourses of authentic distributed and ethical leadership where societal economic and environmental challenges require us to take a collective lead towards doing good and growing well Exploring this dichotomy of romantic ideal and essential requirement this book combines the insights of leading academics and with those of practitioners in the field Thought provoking and engaging it will challenge both thinking and practice and is essential reading for all those operating or researching in the field of leadership particularly those who realize the overwhelming challenges of sustainability and corporate social responsibility which the world now faces **Final**

Accounting Barbara Ley Toffler, Jennifer Reingold, 2003-03-04 A withering exposé of the unethical practices that triggered the indictment and collapse of the legendary accounting firm Arthur Andersen's conviction on obstruction of justice charges related to the Enron debacle spelled the abrupt end of the 88 year old accounting firm Until recently the venerable firm had been regarded as the accounting profession's conscience In **Final Accounting** Barbara Ley Toffler former Andersen partner in charge of Andersen's Ethics how Andersen's both accountants and consultants lived the mantra keep the client happy and how internal infighting and billing your brains out rather than quality work became the all important goals Toffler was in a position to know when something was wrong In her earlier role as ethics consultant she worked with over 60 major companies and was an internationally renowned expert at spotting and correcting ethical lapses Toffler traces the roots of Andersen's ethical missteps and shows the gradual decay of a once proud culture Uniquely qualified to discuss the personalities and principles behind one of the greatest shake ups in United States history Toffler delivers a chilling report with important ramifications for CEOs and individual investors alike **Leadership and Governance from the Inside Out**

Robert Gandossy, Jeffrey Sonnenfeld, 2004-11-11 At last there's a business leadership book that really tackles the tough issues of integrity and governance Taking a unique approach to leadership this book gathers the path breaking perspectives of influential shareholder activists opinion leading CEOs of major firms trailblazing distinguished academics and courageous regulators The all star roster of contributors from the corporate world and academia includes Vanguard's John Bogle former SEC Chairman Arthur Levitt and Harvard Business School's Rosabeth Moss Kanter Sherron Watkins Enron whistleblower and Time Person of the Year shares an inside look at Enron and Barbara Ley Toffler former head of Arthur Andersen's Ethics Practice paints a picture of Anderson Consulting before their fall **Successful Manager's Handbook** Brian L. Davis, 1992

This new edition focuses on what it takes to be a successful and effective manager as we complete this decade and move into the 21st century This expanded edition provides specific ways in which managers can develop new skills and fine tune

existing ones It contains on the job development suggestions and lists of books audiocassettes and public seminars that can help you develop your skills It includes resources available in the United States and provides a beginning list of resources available internationally Book Preface Reclaiming Liberation Theology: Desire, Market, Religion Jung Mo Sung, Marcella Althaus-Reid, Ivan Petrella, 2007-10-26 Jung Mo Sung has pioneered a theological analysis of economics in his previous publications developing a penetrating ethico religious critique of the international capitalist systems whose institutions he likens to altars Where ancient idolatry had visible altars the modern altar of the global market god is invisible but still demands human sacrifices in the name of objective desires Here Sung recovers theology s relevance for a world where the most dangerous idols those that sacrifice millions of people upon the altar of wealth have for too long been ignored by theology Desire Market Religion Sung investigates themes such as the struggle against social exclusion the relationship between economics and religion in the 21 century where global brands and global economies reigns supreme and theology s role in the struggle against social exclusion and the giving of hope for plenty when the reality is scarcity Business Ethics and Values Colin M. Fisher, Alan Lovell, 2003 Features include a comprehensive review of existing material combined with new perspectives to equip students for the challenges in the work environment chapter overviews and student learning objectives offer a solid and useful framework in which to organise study diagrams and charts present overviews and contexts for the subject to act as useful revision aids effective pedagogy including a review of the arguments considered a menu of seminar topics and questions in every chapter serving as an ideal basis for seminar study and additional open ended simulations to allow students to work through unfolding scenarios **California Management Review** , 1998 The Practice of Public Relations Fraser P. Seitel, 1995 The sixth edition now full color and streamlined is designed to carry public relations into the year 2000 It emphasizes the practical nature of public relations work KEY TOPICS Full chapters are now devoted to video integrated marketing communications and multi cultural communications Over half of the interviews with public relations professionals are new New coverage ranges from Bill Clinton s use of communications to the escalating use of public relations overseas to the changing technological realm in which public relations must operate **The Academy of Management Review** Academy of Management, 1992 Harvard Business School Core Collection Baker Library, 1993 **Social Sciences Research Journal** , 2007 *Global Market Entry* Christopher Nagel, 2012-08-28 This book is intended to assist managers newly assigned to meaningful international responsibilities those with established positions but looking for a primer on market entry strategies trade documentation and the protection of a firm s international cash position This short pragmatic text guides managers through the fundamental decisions necessary to access and serve new markets The text also serves as a reference for the more granular issues of trade finance In the context of increasing levels of globalization and cross border competition the focus is on how managers can best position their firms for long term sustainable profitability
