Jack J. Phillips

Managers Troubleshooter Pinpointing The Causes And Cures Of 125 Tough Day To Day Problems:

Implementing On-the-Job Learning (In Action Case Study Series) Jack J. Phillips, 2023-05-26 Do You Want to Make Better Use of Your Organizational Resources and Create More Relevant More Effective Training The emergence of the knowledge economy has brought new challenges to most organizations To succeed organizations have to respond quickly to this continuum of change Off the job training requires a sizeable investment in organizational resources with sometimes questionable outcomes This book Implementing On the Job Learning will illustrate how other companies have used and implemented a particular approach to facilitating employee learning in organizations structured on the job learning Structured on the job learning programs have the potential to make better use of your organization s resources and create training that is more relevant and effective This casebook should interest anyone involved in human resource development especially those who make decisions regarding the design and delivery of training programs The primary audience is practitioners who want to implement on the job training programs but have been frustrated in their attempts to find solid real life examples Instructors students in university and seminar settings and researchers will also find this book to be a useful reference Another audience is organization managers who want to make sure that trainers are adequately informed about potential training options No matter how you plan to use this book you will find it a valuable tool as you decide how to best meet the training development and performance goals of your organization ASTD is proud to present the 27th book in the IN ACTION Series offering 13 case studies from a variety of organizations The case study authors are diligently pursuing accountability in their areas of expertise Through their writing they share experiences at the forefront of applying leading edge principles of on the job learning

The Other Side of the Desk Lisa Parry, 2010-03-15 *The Other Side of the Desk* explores the world of the principal with stories that capture readers attention and moves them through the daily life of a school leader Humorous and heart wrenching memories fill each page as the author retells the stories that challenged her and affected her daily life as the principal of an elementary campus Tareilo s experiences as a principal ranged from dealing with difficult teachers and parents to stories that will touch the lives of any educator She reveals the working world of the principal in a clear and sometimes frank language with the intent to bolster and support newly positioned principals and reignite the leadership fire for those with many years of experience From beginning to end *The Other Side of the Desk* invites readers into a leadership experience that will have them laughing crying and believing that they too can make a difference in the lives of children

Team Leader's Problem Solver Clay Carr, 1996 Identifying your problem and implementing an effective solution is easy with the Team Leader s problem Solver Each workplace problem is introduced with a scene setter a real life scenario that helps you recognize the individual problem you face Each case then outlines several possible causes and a business tested cure relevant to each cause A Team Strengtheners at the end of each case helps you ensure that your problem is solved permanently You ll find techniques for solving 125 different team problems including Team Infighting
