**Mid-Century Modernism in Turkey** Meltem Gürel, 2018-02-05 Mid Century Modernism in Turkey studies the unfolding of modern architecture in Turkey during the 1950s and 1960s The book brings together scholars who have carried out extensive research on post WWII modernism in a global context The authors situate Turkish architectural case studies within an international framework during this period providing a close reading of how architectural culture responded to ubiquitous post war ideas and ideals and how it became intertwined with politics of modernization and urbanization This book contributes to contemporary scholarship to reconsider post war architecture beyond canonical explanations

**Radical Politics in Modern Turkey** Landau, 2022-05-09

**The Politics of Turkish Democracy** John M. VanderLippe, 2012-02-01 One of the most significant yet least known periods of modern Turkish history is that of Turkey's second president smet n n Following the death of Mustafa Kemal Atatürk in 1938 Turkish politicians and intellectuals struggled to redefine Kemalist notions of modernity and democracy Islam and secularization the role of the state and Turkey's place in the world The Politics of Turkish Democracy examines n n s presidency 1938 1950 which developed amid the crises of World War II and the Cold War global economic and political transformation and economic and social change within Turkey John M VanderLippe analyzes the political discourse of the era and argues that n n was a pivotal figure who played the decisive role in Turkey's transition to a multi party political system

**Social Change and Political Participation in Turkey** Ergun Ozbudun, 2015-03-08 Scholars have long argued that

political participation tends to increase with economic and social modernization In this study of Turkey however the author shows that rapid socio economic growth has coincided with a substantial decline in turnout at the polls His ecological analysis of subnational aggregate voting data for the sixties and the explanation of his startling findings form the core of this up to date and comprehensive survey of Turkey s political development Turkey is one of very few countries to combine rapid socio economic change with a democratic system The author demonstrates that in this context modernization tends to increase autonomous instrumental and class based political participation and to decrease mobilized deferential and communal based political participation The topics he examines include social cleavages and the party system distribution of land and income geographical and social mobility access to education regional variations in voting turnout urban rural differences in voting behavior socio economic correlates of voting activity and party votes and patterns of participation among peasants and the urban poor Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Political Parties and Democracy in Turkey** Jacob M. Landau, Metin Heper, 2016-03-31 Since the establishment in 1945 of a constitutional democracy political parties have figured prominently in Turkish politics This book first published in 1991 examines the role they have played Key features of the political culture of the Turkish republic have created dilemmas for multi party democracy Atatrkism still exerts a powerful influence on the country s bureaucratic and military elites With their notion of responsible leadership and of democracy as rational intellectual debate in pursuit of the best policy they have expected an unrealistic degree of idealism and statesmanlike behaviour from the leaders of political parties Three times in 1960 1971 and 1980 the military has intervened in politics on the third occasion to undertake wholesale constitutional and legal restructuring aimed at producing sensible politicians Given these ambiguous circumstances what role have the political parties themselves played in the promotion and functioning of democracy in Turkey and what are their attitudes to the issues involved This collection of essays discusses political parties since the foundation of the Turkish Republic in 1923 until the 1990s With contributions from leading political scientists and historians of modern Turkey it is indispensable reading for all those concerned with the country

**Order and Compromise: Government Practices in Turkey from the Late Ottoman Empire to the Early 21st Century**, 2015-02-17 Order and Compromise questions the historicity of government

practices in Turkey from the late Ottoman Empire up to the present day It explores how institutions at work are being framed by constant interactions with non institutional characters from various social realms This volume thus approaches the state society continuum as a complex and shifting system of positions Inasmuch as they order and ordain state authorities leave room for compromise something which has hitherto been little studied in concrete terms By combining in depth case studies with an interdisciplinary conceptual framework this collection helps apprehend the morphology and dynamics of public action and state society relations in Turkey Contributors are Marc Aymes Olivier Bouquet Nicolas Camelio Nathalie Clayer Anouck Gabriela Corte Real Pinto Berna Ekal Beno t Fliche Muriel Girard Benjamin Gourisse S mb l Kaya No mi L vy Aksu lise Massicard Jean Fran ois P rouse Cl mence Scalbert Y cel Emmanuel Szurek and Claire Visier *State Building and Late Development* David Waldner,2018-05-31 Why does state building sometimes promote economic growth and in other cases impede it Through an analysis of political and economic development in four countries Turkey Syria Korea and Taiwan this book explores the origins of political economic institutions and the mechanisms connecting them to economic outcomes David Waldner extends our understanding of the political underpinnings of economic development by examining the origins of political coalitions on which states and their institutions depend He first provides a political model of institutional change to analyze how elites build either cross class or narrow coalitions and he examines how these arrangements shape specific institutions state society relations the nature of bureaucracy fiscal structures and patterns of economic intervention He then links these institutions to economic outcomes through a bargaining model to explain why countries such as Korea and Taiwan have more effectively overcome the collective dilemmas that plague economic development than have others such as Turkey and Syria The latter countries he shows lack institutional solutions to the problems that surround productivity growth The first book to compare political and economic development in these two regions *State Building and Late Development* draws on and contributes to arguments from political sociology and political economy Based on a rigorous research design the work offers both a finely drawn comparison of development and a compellingly argued analysis of the character and consequences of precocious Keynesianism the implementation of Keynesian demand stimulus policies in largely pre industrial economies

**Politics, Parties, and Elections in Turkey** Sabri Sayari,Yilmaz R. Esmer,2002 The Turkish party system has undergone significant changes since the 1940s moving from a two party system to one encompassing nineteen parties and resulting in a highly fragmented parliament The contributors to this volume assess the intertwined effects of party fragmentation and voter volatility in Turkey Presenting a wealth of data they illuminate the trajectory of democratic consolidation as well as underlying issues of representation participation and govern ability *Area Handbook for the Republic of Turkey* Richard F. Nyrop,American University (Washington, D.C.). Foreign Area Studies,1973 *International Labour Documentation* ,1978

**The State Tradition in Turkey** Metin Heper,1985 *Development Begins at Home* C. A. O. Van Nieuwenhuijze,2013-10-22 *Development Begins at Home* Problems and Prospects of the Sociology of Development examines

the challenges posed by development to the field of sociology The book first reviews colonialism and the emergent One World in terms of the history of ideas discusses attitudes towards development and examines the definitions of development These are followed by separate chapters on the contributions of sociology to development studies The considerable wealth of sociology in dealing with change and to a lesser extent with development is identified Subsequent chapters examine points of departure for current and prospective work in the sociology of development One is the profile of underdevelopment sociologically understood along with the matching configuration of development goals Another is the true meaning of social development as opposed to economic development The main finding is that development may well cause the general outlook of sociology to change The prospect is for a sociology of human dignity in the social nexus

*Public Administration in the Third World* V. Subramaniam, 1990-06-26 This multiauthor reference handbook gives a detailed objective picture of the evolution structure and processes of public administration in representative Third World countries Written by an international group of specialists with first hand knowledge of the subject it presents empirical studies of developing nations in Asia the Middle East North and Sub Saharan Africa the West Indies and Latin America The resulting data are shaped by the editor into a theoretical framework delineating the complex relationships of state bureaucracy and class in the Third World Subramaniam s introduction provides a critical overview of development literature in the field Each case study begins with an historical introduction and discusses the political executive and the administrative structures and processes Among the specific topics covered are public enterprises administrative departments personnel financial administration and regional and local administrative units The majority of the systems studied are affected by the unregulated power of public enterprises the persistence of colonial legacies and the elitism of the bureaucracy The concluding section relates these common elements to the sociohistorical characteristics of the middle class groups that dominate both politics and public administration Offering new research findings and a useful theoretical synthesis this study will promote a clearer understanding of the internal political processes of Third World nations and be of compelling interest to specialists and students concerned with Third World political economy comparative government and international political economy
