**Julie Todaro-Cagle**

## **Managing Children's Services In The Public Library:**

Managing Children's Services in Libraries Adele M. Fasick, Leslie Edmonds Holt, 2013 The book is designed to give students and new library workers the skills they need to succeed as well as get experienced librarians up to speed on the new developments in technology publishing and education The book takes a broad view of all aspects of library work with children addressing the dramatic and ongoing changes in school and public libraries Back cover

*Managing Children's Services in the Public Library* Adele M. Fasick, 1991 Discusses the organizing planning and managing of work within the children's department of the public library

**Managing Children's Services in the Public Library** Adele M. Fasick, 1998 This practical guide for planning and implementing children's services has been completely updated and revised reflecting the enormous changes in our society and the library profession Organized along the same lines as the first edition the book covers management within the department the relationship between the children's department and the larger institution and community relations Fasick addresses topics ranging from service plans goals and objectives policies and procedures to special events emergencies budgets funding efforts staff patrons communication and public relations This revised edition contains new material on writing grant proposals fund raising staff recruitment and training organizing Internet services and planning a Web site Sections on services to homeschoolers self care children and disabled persons have also been expanded An indispensable professional guide for children's librarians this book can also be used as a text in library and information studies

**Fundamentals of Children's Services** Michael Sullivan, 2005 Children's services are the heart of the library This overview provides hands on proven strategies for librarians addressing questions critical to the long term success of children's library services Experienced new and trainee children's librarians library administrators trustees will all welcome this new bible

**Strategies for Success** Connecticut State Library, 1991

**Outstanding Library Service to Children** Rosanne Cerny, Penny Markey, Amanda Williams, 2006-07-17 This book is a companion to Competencies for librarians serving children in public libraries 1999

Introd

Middle Management in Academic and Public Libraries Tom Diamond, 2011-05-18 Drawing from the contributions of 20 academic and public library middle managers this book reveals knowledge expertise and insights on a variety of management topics and responsibilities Conflict resolution Professional development Budget cuts Mentoring and performance evaluations Time management Diversity and workplace culture All of these topics as well as many others represent challenges for library middle managers This unique resource provides the key insight needed to successfully advance a middle management career to the highest levels in librarian administration Middle Management in Academic and Public Libraries examines managerial topics such as the balance of authority and responsibility as viewed by middle managers views of middle managers engaged as youth services librarians collaboration efforts between public and technical services integrating modern technologies into library services and recommended career ladder steps Each of the 20 contributors shares his or her specific expertise resulting in an engaging compilation of great depth and breadth containing

the pearls of wisdom that an aspiring middle manager needs in an academic or public library setting      Library Services for Children and Young People Carolyn Rankin, Avril Brock, 2012-11-23 A vision for children's library services in the next decade This book provides a sound background to all aspects of library provision for 6-18 year olds It is designed to support the strategic planning and delivery of library services and programmes at a local community level or in schools The book outlines a vision for children's library services in the next decade and carves out a strategy for engaging with the challenges and opportunities for children's librarians and policy makers in the Google environment This book is accessible informative and inspiring and offers practitioners the knowledge ideas and confidence to work in partnership with other key professionals in delivering services and programmes It provides an evidence base which promotes and encourages the development of effective library services for children and young people The case studies scenarios and vignettes drawn from UK and international sources show that the key issues have an international dimension and the similarities and differences in service provision will be of interest to many In addition to the two editors chapters are contributed by a range of internationally known practitioners and academics offering a wide perspective Case studies at the end of each section complement themes and practices from previous chapters while rooting the discussion in a specific context The book is organized into four parts Children's library services policy people and partnerships Connecting and engaging reaching your audience and catching the latest wave acknowledging the role of technology Buildings design and spaces libraries for children and young people Issues for professional practice Readership This book is essential reading for all senior library practitioners children's librarians and school librarians subject co ordinators and managers in schools It will also be of value for all postgraduate students on CILIP accredited library and information management courses      Administration of the Public Library Alice Gertzog, Edwin P. Beckerman, 1994-01-01 Combines theory and practical advice to address public library policies procedures resources and human relations in a clear manner Expect future editions of this eminently readable yet well documented text LIBRARY JOURNAL      Children's Library Services Handbook Jane G. Connor, 1990-01-09 A guide through the pitfalls special needs and unique demands of children's library services Librarians in school and public libraries media specialists and library science instructors will find helpful cogent advice on collection development programming collection maintenance and reevaluation nonprint media summer programs publicity public relations and much more      **IFLA Public Library Service Guidelines** Christie Koontz, Barbara Gubbin, 2010-07-30 The public library is the prime community access point designed to respond to a multitude of ever changing information needs These guidelines are framed to provide assistance to library and information professionals in most situations They assist to better develop effective services relevant collections and accessible formats within the context and requirements of the local community In this exciting and complex information world it is important for professionals in search of knowledge information and creative experience to succeed This is the 2nd edition of The Public Library Service IFLA UNESCO Guidelines for Development      *Guidelines for Children's Services in*

*Public Libraries of New Jersey*, 2002      **The American Public Library Handbook** Guy A. Marco, 2011-11-29 A detailed reference work that documents every aspect of the American public library experience through topical entries statistics biographies and profiles The American Public Library Handbook is the first reference work to focus on all aspects of the American public library experience providing a topical perspective through comprehensive essays and biographical information on important public librarians Based upon the author's own notes and extensive experience as well as library periodicals library reference books monographs textbooks Internet sources and correspondence with individual libraries this book comprises nearly 1 000 entries addressing all aspects of public library service Each topical essay considers terminology of the area covered its historical context and current concerns and issues Biographies highlight the philosophical perspective of the individuals covered while entries on specific libraries present timely data and interesting facts about each facility This unique handbook also offers up to date statistics historical highlights and information about programs and events of individual libraries      **A Librarian's Planning Handbook for a Read-to-Me Club** Julie Todaro-Cagle, 1995-10      *IFLA Public Library Service Guidelines* Christie Koontz, Barbara Gubbin, 2010 The public library is the prime community access point designed to respond to a multitude of ever changing information needs These guidelines are framed to provide assistance to library and information professionals in most situations They assist to better develop effective services relevant collections and accessible formats within the context and requirements of the local community In this exciting and complex information world it is important for professionals in search of knowledge information and creative experience to succeed This is the 2nd edition of The Public Library Service IFLA UNESCO Guidelines for Development      *Bare Bones Children's Services* Anita T. Steele, Association for Library Service to Children, 2001 A companion to the popular Bare Bones Young Adult Services this handy new reference offers practical insights on the basics of library services for children The bare bones approach recognizes the reality that there are libraries either without or low on children's specialists due to budget or size constraints or to staff turnover As children and families continue to be key constituents of the library it is vital that the staff serving this powerful group knows what works and what doesn't Quick primer for generalists this installment in the Bare Bones series covers children's services programming and promotion of books and the library along the way pointing out practical differences between children and adult library users Written in easy to digest modules and packed with helpful tips this customer focused book will help you to Adapt adult reference and readers advisory skills to your work with children Offer age appropriate materials for all levels Provide homework help Tell a good story to a captive audience Set up and publicize programs that build alliances between parents caretakers teachers and librarians This hands on summary full of specific and easy to implement ideas will help you to serve children in the best      *Children's Services of Public Libraries*, 1978      **Guide to Reference** Jo Bell Whitlatch, Susan E. Searing, 2014-08-06 Ideal for public school and academic libraries looking to freshen up their reference collection as well as for LIS students and instructors conducting research this resource

collects the cream of the crop sources of general reference and library science information Encompassing internet resources digital image collections and print resources it includes the full section on LIS Resources from the Guide to Reference database which was voted a 1 Best Professional Resource Database by Library Journal readers Organized by topic and thoroughly indexed this guide makes it a snap to find the right sources It offers an appealing introduction to reference work and resources for LIS students and also serves as an affordable course book to complement online Guide to Reference access

*Understanding Libraries and Reading among Children* Nkhangweni Patricia Mahwasane,2019-05-20 Libraries are regarded as hubs that provide literary resources in various forms This collection of articles draws attention to the needs of learners and students in the 21st century who require more than textbook information to do their school work It represents an important contribution to research on learners and reading reading acquisition and information literacy

*The BIG Book of Reading, Rhyming, and Resources* Beth Christina Maddigan, Stefanie Drennan, Roberta E. Thompson,2005-10-30 Promote reading and literacy with this wonderful assortment of lively fast paced fun filled children s programs specifically designed for children aged 4 through 8 You and the children will delight in such program themes as Creepy Crawlies Forest Friends Frosty Frolics and After School Adventures The book presents an entertaining mix of multisensory activities that appeal to a variety of literacy levels and learning styles rhymes and songs awesome activities crafty crafts and great games Unlike other programming guides this one uses a developmental approach with literature based activities fitted to specific learning needs More than an idea book it includes all the nuts and bolts for initiating children s programs from foundations and guidelines for understanding various stages of learning to everything you need to get started book lists step by step instructions reproducible patterns and illustrations even tips on publicity and public relations Whether you re a novice or a seasoned children s programmer this book gives you fresh programming ideas that foster lifelong literacy and love of reading Grades PreK 3
