The Fundamentals of Municipal Bonds The Bond Market Association, Judy Wesalo Temel, 2001-02-02 Praise for the Classic Guide to the Bond Market This is simply the most comprehensive useful look it up book on municipal bonds I ve ever read said with all due respect to *The ABC of Municipal Bonds* my dad wrote in 1937 when I was nine Read *Fundamentals* cover to cover

I'm keeping mine in my briefcase under my arm at my fingertips. No accountant, financial advisor, attorney, new bond salesman, reporter, regulator, test writer, cautious, suspicious, first time investor in municipal bonds, ordinary guest is ever going to catch me again with a question about municipal bonds I can't answer.

Jim Lebenthal, Chairman, Lebenthal Co. Judy Wesalo, Temel gives us the Rosetta stone of the municipal bond market, the key to unraveling the many mysteries of municipal bonds. Her book, a fresh take on the old standard *Fundamentals of Municipal Bonds*, updates chapter and verse on everything from investing to underwriting from over the counter to over the Internet. The style is clean, crisp and as simple as this complex subject can be. Are you a novice who wonders how to invest in bonds? She lays out the basics. Examples are easy to follow, even the mathematical ones that are critical to explaining how municipal bonds work. At the same time, there is plenty of meat for the pros. Whether you need to start from square one and learn all about municipal bonds and how they work or need a ready reference for specific technical questions you run across as a market professional, this book is for you.

Kathleen Hays, Economics Editor, Credit Markets Reporter and Bond Belle, CNBC. This is a must read for every scholar, banker and public official concerned with local government finance in the United States. Judy Wesalo, Temel has done the impossible; she has clearly and insightfully explained how we finance the development of the nation's vital public infrastructure. This is an important book, one that will be required reading for professionals responsible for planning, designing and evaluating publicly financed projects, the health care, transportation and educational facilities that all citizens rely upon. The bond market is an essential element in the life of local and state government and this book makes it understandable to all Americans.

Mitchell Moss, Henry Hart Rice Professor of Urban Planning and Director, Taub Urban Research Center, Robert F. Wagner Graduate School of Public Service, New York University. **Aanwinsten van de Centrale Bibliotheek (Queteletfonds)**, Bibliothèque centrale (Fonds Quetelet), 2004. **American Book Publishing Record**, 2003. **Managing a Corporate Bond Portfolio**.

Leland E. Crabbe, Frank J. Fabozzi, 2001-12-14. Praise for *Managing a Corporate Bond Portfolio*. Crabbe and Fabozzi's *Managing a Corporate Bond Portfolio* is a refreshingly good book on the neglected topic in fixed income portfolio management. If you want to understand the latest thinking in corporate bonds, what drives prices and why, read this book. You will emerge with knowledge that will help you get an edge in the competitive investing arena.

Tim Opler, Director, Financial Strategy Group, CSFB. A practitioner's guide, a creative, comprehensive and practical book that addresses the myriad of challenges facing managers of corporate bond portfolios. The chapter on liquidity, trading and trading costs is a must read.

Mary Rooney, Head of Credit Strategy, Merrill Lynch. As a Senior Portfolio Manager responsible for managing billions of dollars invested in fixed income products during the mid 1990s, Lee Crabbe was the one Wall Street strategist that I would read every week to help me figure out where value was in the corporate bond market and for insightful and easy to understand special reports that educated me and most investors on the risks and opportunities inherent in new structures and subordinated products. Fortunately for me and investors, Lee Crabbe and Frank Fabozzi have written this book which

compiles much of their previous work on corporate bond valuation along with new features that are a must read especially in light of the volatile times in the corporate bond market over the past few years For portfolio managers analysts traders and even strategists if there is one book in your bookshelf that you should have on corporate bond portfolio management it is this one William H Cunningham Managing Director Director of Credit Strategy J P Morgan Securities Inc www.wileyfinance.com

Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **Bond Portfolio Immunization** Michael R.
