*Unconventional Success* David F. Swensen, 2005-08-09 The bestselling author of *Pioneering Portfolio Management* the definitive template for institutional fund management returns with a book that shows individual investors how to manage their financial assets In *Unconventional Success* investment legend David F Swensen offers incontrovertible evidence that the for profit mutual fund industry consistently fails the average investor From excessive management fees to the frequent churning of portfolios the relentless pursuit of profits by mutual fund management companies harms individual clients Perhaps most destructive of all are the hidden schemes that limit investor choice and reduce returns including pay to play product placement fees stale price trading scams soft dollar kickbacks and 12b 1 distribution charges Even if investors manage to emerge unscathed from an encounter with the profit seeking mutual fund industry individuals face the likelihood of self inflicted pain The common practice of selling losers and buying winners and doing both too often damages portfolio returns and increases tax liabilities delivering a one two punch to investor aspirations In short Nearly insurmountable hurdles confront ordinary investors Swensen s solution A contrarian investment alternative that promotes well diversified equity oriented market mimicking portfolios that reward investors who exhibit the courage to stay the course Swensen suggests implementing his nonconformist proposal with investor friendly not for profit investment companies such as Vanguard and TIAA CREF By avoiding actively managed funds and employing client oriented mutual fund managers investors create the preconditions for investment success Bottom line *Unconventional Success* provides the guidance and financial

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824, the Register of Debates in Congress 1824-1837, and the Congressional Globe 1833-1873.

**Chains of Finance** Diane-Laure Arjaliès, Philip Grant, Iain Hardie, Donald A. MacKenzie, Ekaterina Svetlova, 2017. This book suggests that investment decisions cannot be understood by focusing on isolated investors. Rather, most of their money flows through a chain, a sequence of intermediaries that sit between savers and companies, governments. It argues that investment management is shaped by the opportunities and constraints that this chain creates.
