Marriage Savers How To Help Your Friends And Family Avoid Divorce:

Marriage Savers Michael J. McManus, 1993 For anyone concerned about a friend or loved one's marriage McManus tells how to become a marriage saver and offers practical advice on helping others stay married in an age when every other marriage ends in divorce Includes new Gallup research on marriage Foreword by George Gallup Jr *Living Together* Mike McManus, Harriett McManus, 2008-03-04 IS LIVING TOGETHER THE ANSWER Since the late 1960s the number of couples living together before marriage has increased significantly as this phenomenon was thought to be the answer to obtaining a successful marriage The theory that couples could practice seemed a perfect solution to an increasingly higher divorce rate After all many argued if we live together first we will really know if we're compatible Mike and Harriet McManus co-founders of the Marriage Savers organization argue in this important book that theory and reality are often not the same They take a fundamental position that one can not practice permanence and unless a marriage is established as permanent a couple will not approach it the same way This significant finding has come from the McManuses' fifteen years of studying marriage and divorce and their desire to help couples build strong marriages that last a lifetime In the pages of this book you will discover that the divorce rate is actually higher among couples who live together before marriage as well as important principles that really do give couples the necessary tools for a successful marriage Consider this book an investment in yours or someone else's marriage Whether you are a counselor seeking to help others in their marriage a parent helping a child as he or she is contemplating living with someone a pastor who needs a reliable tool to help couples in his ministry or a person considering living with someone yourself this book is for you Parenting Our Children U.S. Commission on Child and Family Welfare, 1996 A report to the President and Congress Cover The Charles Colson Collection: The Good Life / How Now Shall We Live? Charles Colson, 2017-01-10 This collection bundles two of popular author Chuck Colson's classics into one volume for a great value The Good Life What constitutes the good life Chuck Colson explores the ways in which people define and live the pursuit of happiness Colson uses fascinating real life stories to illustrate the philosophies and worldviews by which individuals seek the good life Colson speaks directly and revealingly about his Watergate years and he examines the beliefs and assumptions that make up the fabric of our lives The Good Life searches for answers to the questions we all ask Who am I Why am I here How can I make my life count How Now Shall We Live True Christianity goes far beyond John 3:16 beyond private faith and personal salvation It is nothing less than a framework for understanding all of reality It is a worldview In How Now Shall We Live the 2000 Gold Medallion winner for best book about Christianity and society Chuck Colson and Nancy Pearcey show that the great spiritual battle today is a cosmic struggle between competing worldviews Through inspiring true stories and compelling teaching they demonstrate how to Expose the false views and values of modern culture Live a more fulfilling life the way God created us to live Contend for the faith by understanding how nonbelievers think Build a society that reflects biblical principles In short How Now Shall We Live will give you the
