they need to be loved, not
the way you want to love.
It's not about you. Love is
selfless, not selfish.

Marriage How To Have It The Way You Want It:

Making Marriage Work Lynn Toler, 2012-08-07 Solid advice for newlyweds golden anniversary celebrants and everybody in between from the Marriage Boot Camp and former Divorce Court star The Augusta Chronicle As the judge starring on two hit television shows Lynn Toler has witnessed en masse the thematic mistakes made in American marriages She herself has also been wed for more than 30 years and has seen both the highs and lows of matrimony in her own marriage as well as the marriages of those close to her Drawing from both her professional career and personal life Toler sees that the biggest impediment to marriage these days is that couples decide to take the plunge based almost entirely on the most irrational criteria falling in love Making Marriage Work doesn't suggest that love has nothing to do with marriage at all rather Toler says that love by itself is simply not enough to make marriages survive Marriage Toler says is a job and it needs to be treated like one This updated manual suggests specific procedures that should be put in place to bridge the gap between head over heels and happily ever after It explains how to phrase things in order to span the great hormonal divide men and women often fall into when trying to talk to one another It also discusses the very new and real challenges to marriage created in a culture often overwhelmed by the emphasis on and ability to attain instant gratification Replete with simple no nonsense rules Divorce Court anecdotes and stories about Judge Toler's own union Making Marriage Work contains invaluable information couples can use today to secure their marital tomorrow Marriage: A Journey of Love, Faith, and Commitment Archbishop Dr. Ronald R. Whereof One Cannot Speak Barbara Grenfell Fairhead,2018-06-01 Octavia Chavez eighteen and fiercely passionate has spent her life listening to the remote music of the stars which only she seems to hear She has a forbidden love of which she dares not speak and a longing for wild empty places Her one true friend is a sanguine seventy seven year old wood carver Alejandro Jaramillo Alejandro has been carving angels ever since he was summoned to do so at the age of ten These two unlikely friends share one thing a sense of having been called to something that lifts them towards an experience of the sacred But when Octavia is involved in a life threatening accident and Alejandro begins to have dreams in which thousands of angels fall away from him into a bottomless abyss they are both forced to question everything they have come to assume about themselves and their place in the world So begins a voyage of discovery on which silence and dark music new love and ancient landscapes will test their resolve to inhabit their own inimitable lives In prose that is both refreshingly muscular and hauntingly lyrical Grenfell Fairhead invites us to examine what it means to grow up and truly belong but also even more crucially what it could mean to grow down into one's own center learning the slow fierce discipline of paying attention to each fleeting moment
