# Militarization And State Power In The ArabIsraeli Conflict Case Study Of Israel 1948198

**Alan M. Dershowitz**

## **Militarization And State Power In The ArabIsraeli Conflict Case Study Of Israel 1948198:**

**Militarization and State Power in the Arab-Israeli Conflict** Eligar Sadeh,1994      **Israel's Materialist Militarism** Yagil Levy,2007-01-01 Israel's Materialist Militarism explains the fluctuations in Israel's military policies during the 1990s 2000s from the Oslo Accords to the al Aqsa Intifada and the Second Lebanon War A conceptual framework is offered that relies on materialist militarism the relations of exchange between the state and social groups by which the groups exchange their military sacrifice for social rewards that in turn nurtures militarism The dynamic balancing of the sacrifice reward equation explains the dynamics of war versus de escalation      Militarization and Violence Against Women in Conflict Zones in the Middle East Nādirah Shalhūb-Kīfūrkiyān,2009-05-07 An examination of the violence perpetrated against women in politically conflicted or militarized areas      **The Case for Peace** Alan M. Dershowitz,2005-08-17 The author of the New York Times bestseller The Case for Israel charts a controversial but crucial path to peace in the Middle East In the bestselling The Case for Israel Alan Dershowitz used all his skills as an advocate to defend the Jewish state against the lies and distortions that have been hurled at it in recent years      **From War to War: the Arab-Israeli Confrontation, 1948-1967** Nadav Safran,1969      Arab-Israeli Military Forces in an Era of Asymmetric Wars Anthony H. Cordesman,2008 The Arab Israeli balance now consists of two subordinate balances Israel versus Syria and Israel versus the Palestinians This book analyzes these two balances and their impact on defense planning in each country and on the overall strategic risk to the whole region It covers military developments in each of six states Egypt Israel Jordan Lebanon Syria and Palestine and provides an analytical view of how the changing natures of the military and political threats faced by each is impacting its military force readiness and development The roles of Hezbollah Hamas and Palestinian Islamic Jihad are analyzed in light of the changing political landscape in both Israel and Palestine Finally the book explores the ways that internal instability in Lebanon could escalate into regional conflict Publisher's description      War over Peace Uri Ben-Eliezer,2019-06-04 Violence and war have raged between Zionists and Palestinians for over a century ever since Zionists trying to establish a nation state in Palestine were forced to confront the fact that the country was already populated Covering every conflict in Israel's history War over Peace reveals that Israeli nationalism was born ethnic and militaristic and has embraced these characteristics to this day In his sweeping and original synthesis Uri Ben Eliezer shows that this militaristic nationalism systematically drives Israel to solve its national problems by military means based on the idea that the homeland is sacred and the territory is indivisible When Israelis opposed to this ideology brought about change during a period that led to the Oslo Accords in the 1990s cultural and political forces reinforced by religious and messianic elements prevented the implementation of the agreements which brought violence back in the form of new wars War over Peace is essential reading for anyone who wants to understand the role of ethnic nationalism and militarism in Israel as well as throughout the world      **The Making of Israeli Militarism** Uri Ben-Eliezer,1998-06-22 an original interpretation of the wide ranging impact of the military on Israeli

society one of the most insightful works on Israeli society in general Gershon Shafir From the early days of the Yishuv militarism and the military have become a way of life for Israelis Focusing on the period between 1936 and 1956 Uri Ben Eliezer traces the ways in which military force acquired legitimacy in civilian society and how the use of organized violence became an acceptable solution to conflicts especially the Arab Israeli conflict

**Rising Powers and the Arab-Israeli Conflict since 1947** Guy Burton, 2018-02-26 What has been the role of rising powers in the Arab Israeli conflict What does this tell us about rising powers and conflict management as well as rising powers behavior in the world more generally This book studies the way that five rising powers Brazil Russia India China and South Africa the BRICS countries have approached the conflict since it first became internationalized in 1947 Conflict management consists of different methods from peacekeeping to mediation and the use of economic incentives and sanctions and non enforcement of international legal decisions What distinguishes them is whether they are active or passive active measures seek to transform a conflict and resolve it passive measures seek to ameliorate its worst effects but do not change their underlying causes Since 1947 rising powers active or passive use of these methods has coincided with their rise and fall and rise again in the international system Those rises and falls are tied to global changes including the Cold War the emergence of the Third World economic and ideological retrenchment of the 1980s and 1990s and the shift from unipolarity to multipolarity after 2000 In summary rising powers management of the Arab Israeli conflict has shifted from active to more passive methods since 1947 Their actions have occurred alongside two key changes within the conflict One is the shift from a primarily state based conflict between Israel and the Arabs to one that is more ethnic and territorial in scope between Israel and the Palestinians The other the emergence of the Oslo framework which has frozen power imbalance between Israel and the Palestinians since 1993 By pursuing the Oslo process rising powers have separated conflict management from developing normal diplomatic and economic exchanges with Israel and the Palestinians In adopting this more passive conflict management approach rising powers are disregarding both emerging alternatives that may potentially transform the conflict s dynamics including involvement with civil society actors like the Boycott Divestment and Sanctions movement and undertaking more active efforts at conflict resolution and presenting themselves as global powers

**Logic of Conflict** Steven Greffenius, 2019-07-12 The author s argument ties this literature to a field that is often called the logic of inquiry He criticizes an influential and deliberately analytical approach to the study of international conflict and show what can be gained by bringing more integrative or synthetic approaches to bear on problems in the field The study started as an effort to work out some problems in international relations theory and it has remained that through eight years of writing and research Still the book is more than incidentally about the Middle East and evidence from the region informs the argument made here This evidence is of two kinds traditional historical material from both primary and secondary sources and data on events that have occurred during the course of both conflictual and cooperative exchanges between the actors there The treatment focuses on the

relationship between Egypt and Israel between 1967 and 1979 a period that saw their relations pass from the most intense antagonism to a reasonable degree of comity if not friendship *Militarism and Israeli Society* Gabriel Sheffer, Oren Barak, 2010-03-12 Challenging the established view that the civilian sector in Israel has been predominant over its security sector since the state's independence in 1948 this volume critically and systematically reexamines the relationship between these sectors and provides a deeper more nuanced view of their interactions Individual chapters cast light on the formal and informal arrangements connections and dynamic relations that closely tie Israel's security sector to the country's culture civil society political system economy educational system gender relations and the media Among the issues and events discussed are Israel's separation barrier the impact of Israel's military confrontations with the Palestinians and other Middle Eastern states especially Lebanon and the impact of the wars in Iraq and Afghanistan The Israeli case offers insights about the role of the military and security in democratic nations in contemporary times *Hijacking the Arab-Israeli Conflict* Asaf Romirowsky, 2021-07-05 The importance of reclaiming the scholarly language of the Palestinian Israeli conflict cannot be overstated as entire disciplines including Middle Eastern Studies Women and Gender Studies and Ethnic Studies have come under the spell of these politicised fads with the attendant perversion of standards of evidence and open inquiry Wielded by scholar activists the vast majority of whom do not know Hebrew and have spent little time in Israel the distortion of crucial terms has become so pervasive that it is no longer possible to recall how these terms were originally used That a vocabulary of historical explanation has dissolved into today's crude value judgments and unhinged polemics distorts the academic study of Israel of Palestinians of the Israeli Palestinian conflict and not incidentally of politics *Hijacking the Arab Israeli Conflict* emphasizes how a delegitimizing lexicon of terms and concepts is often used in highly politicized anti Zionist scholarship This volume focuses on this linkage between language and thought partly because it is long a staple focus for political theory and philosophy The chapters in this book were originally published as a special issue of *Israel Affairs* **The Arab-Israeli Conflict** Kirsten E. Schulze, 2014-12-01 In this fully revised new edition Kirsten Schulze brings us to a new understanding of the causes course and consequences of the Arab Israeli Conflict Schulze analyses the dynamics of the violence and explores the numerous attempts at resolving the conflict She assesses why in the cases of Israel Egypt in 1978 and Israel Jordan in 1994 negotiations succeeded in bringing about a lasting peace and why in the cases of Israel and the Palestinians Syria and Lebanon they failed to do so Written in a clear and accessible style this fully updated second edition Traces the origins of the conflict from their first intellectual roots in the 19th century Examines the actions and aims of the competing nationalist movements during the period of the British Mandate which led to the creation of the state of Israel Outlines and analyses each of the Arab Israeli conflicts from the creation of the state of Israel in 1948 to the 2006 Lebanon war and the on going second Palestinian uprising With a diverse collection of documents and a Chronology Glossary Guide to Further Reading and a Who's Who summarizing the careers and contributions of the main figures this book is absolutely vital to understanding the

current Israeli Palestinian violence the intra Palestinian rift between Hamas and Fatah and why the Arab Israeli conflict has become the centre of Muslim politics both violent and non violent across the world      *The Arab-Israeli Dispute* Lawrence L. Whetten,1977      **Arab-Israeli Military/Political Relations** John W. Amos,2013-10-22 Arab Israeli Military Political Relations Arab Perceptions and the Politics of Escalation examines the escalatory patterns of Israel s relations with Arab countries paying particular attention to the preconditions conditions and ultimate precipitants of wars that have broken out with some repetitiveness in the Middle East The impact of the October 1973 War known as the Yom Kippur War in the West and the Ramadan War in Arab countries on the United States interests in the Middle East is also assessed This book is comprised of seven chapters and opens with an overview of the October War those Arab states actually involved in the war especially Egypt and Syria and those Arab states having geographical access to either the Mediterranean or Indian Oceans including the oil producing states The wider political and military implications of the war are discussed with specific reference to super power interests The following chapters discuss the perceptual context of Arab politics the wars of 1967 and 1973 and the impact of Arab conflict imagery on an inherently escalatory situation the consequences and lessons of the June 1967 war or Six Day War and Arab coalition politics between 1970 and 1973 The final two chapters focus on the combined Egyptian Syrian battle plan code named Operation Badr and the historical and political implications of the 1973 war This monograph will be of interest to diplomats policymakers and government officials concerned with the politics of war and in international relations more generally      **Writing the Arab-Israeli Conflict** Jonathan B. Isacoff,2006-03-30 Presents the nature of historical knowledge by examining the multiple histories of the Arab Israeli conflict written by Israeli scholars This book also undertakes an analysis of literature drawn from historians and political scientists of the Vietnam War demonstrating that historical revisionism is not unique to the study of the Middle East      **Cycles of Violence** Ranan D. Kuperman,2007 Cycles of Violence provides a theoretical and empirical analysis of how norms rules and procedures of decision making cohere into a decision regime Ranan D Kuperman balances careful theoretical discussion with a case study to track the evolution of a decision regime over time Focusing on the regime governing Israeli use of limited military force and using quantitative historical analysis as well as qualitative historical surveys Kuperman uses previously unpublished documents from the 1950s and 1960s to generate a new interpretation of historical events Cycles of Violence is more than just another examination of the Arab Israeli conflict indeed the methodology and theoretical models developed for this analysis can be replicated for any situation where decision makers are confronted with a repeated sequence of problems This book is essential reading for scholars and researchers of the Middle East and security issues      **The Balance of Military Power** Enver M. Koury,1976      *The Israeli Military and the Origins of the 1967 War* Ami Gluska,2007 This new book looks at the relationship between the Israeli armed forces the government and the origins of the 1967 War Ami Gluska discusses the effect of the Israel Defense Forces IDF on Israel s defense policy between 1963 1967 against the backdrop of the

developments in the Middle East In addition he describes in detail the decision making process leading to the Arab Israeli Six Day War in June 1967 through the prism of the relations between the military and political echelons He shows how the Six Day War was a watershed event in the Middle Eastern conflict and had a profound effect on the development of the Palestinian problem and the character of the State of Israel over the past four decades This book will be of great interest to students of Middle Eastern politics strategic studies Israeli politics and military history in general Arabs and Israelis Abdel Monem Said Aly,Shai Feldman,Khalil Shikaki,2022-09-22 An innovative and balanced introduction to the political history of the long standing Arab Israeli conflict and the various efforts to solve it This second edition has been updated to provide an essential overview of the key developments and events since the Arab Awakening up to the present day

This book delves into Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198. Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
  - Chapter 1: Introduction to Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198
  - Chapter 2: Essential Elements of Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198
  - Chapter 3: Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 in Everyday Life
  - Chapter 4: Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198. This chapter will explore what Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 is, why Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 is vital, and how to effectively learn about Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198.
3. In chapter 2, this book will delve into the foundational concepts of Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198. This chapter will elucidate the essential principles that need to be understood to grasp Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 in its entirety.
4. In chapter 3, the author will examine the practical applications of Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 in daily life. This chapter will showcase real-world examples of how Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 in specific contexts. This chapter will explore how Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198 is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198. The final chapter will summarize the key points that have been discussed throughout the book. The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly

recommended for anyone seeking to gain a comprehensive understanding of Militarization And State Power In The Arabisraeli Conflict Case Study Of Israel 1948198.
