RUSSELL SMITH | MURIELLA PENT

A NOVEL

"Interspersed with the biting wit is an almost elegiac quality to the writing. [Smith] is a successor to that rumpled mensch of St. Urbain Street . . . Mordecai Richler."

Muriella Pent:

Muriella Pent Russell Smith, 2004 Marcus Royston is sent to Canada on a cultural exchange where he stays with Muriella Pent When two young university students are drawn into Royston's fractious orbit an unpleasant sexual competition occurs Life in Stilwoode Park becomes more artistic than any of the exchange's sponsors had ever hoped Some descriptions of sex and strong language 2004

Muriella Pent Russell Smith, 2005-04-12 Russell Smith's highly praised new novel features some typically caustic satire alongside a deep and melancholy awareness of the force of desire in our lives The combination of wit and perception in Muriella Pent and its brilliant dialogue beautiful descriptive prose assured handling of racial politics and exact observation of modern types underlines Russell Smith's claim to be one of Canada's subtlest sharpest writers The book begins with a poem by Marcus Royston from his Island Eclogues and a fundraising message from Muriella Pent then in the first scene still before chapter one these two very different writers have a revealing post coital conversation The combination of texts and action the pointed and moving dialogue and the ineradicable presence of sex tell us a lot about how Muriella Pent will go on it's precise and original even before really beginning In the first two chapters the principal characters are introduced more fully Marcus Royston a successful poet twenty years ago is now jaded boozy and slightly seedy and finding himself increasingly superannuated on the Caribbean island of St Andrew's Muriella Pent in the Arts and Crafts oasis of Stilwoode Park in Toronto is widowed free sometimes unhappy and perhaps a little uncontrolled Phone conversations introduce us to her younger friend Julia Sternberg and to Brian Sillwell a student who volunteers alongside Muriella on the very PC City Arts Board Action Council Literature Committee At this committee's invitation with a little quiet help from Canada's ministry of External Affairs Marcus comes to Toronto on a literary residency to live in a basement apartment in Muriella's large house From his arrival he is a disruptive presence he instantly flirts with his hostess and most everyone else drinks too much and is constitutionally unable to use the buzzword heavy language of victimhood appropriation and community spoken in the Toronto arts world As he tells the shocked literature committee alternative journalists a meeting of librarians and Muriella's genteel book club alike identity politics isn't everything art isn't activism and a novel shouldn't be read to uncover the author's social message It is not about providing positive influence or solving the problems of poverty It's about the things all dark things that He drained his cup All the dark things that motivate us He stared straight in the eyes of the beautiful young girl and said Sex It's about sex Largely And corruption and decadence And all the terrible terrible things we think Muriella Brian and Julia that beautiful young girl are unsettled and inspired Perhaps the disastrous and chaotic party held in his honour at Muriella's house best illustrates the disruptive effect Marcus has on the lives around him when the explosive power of desire crosses boundaries of age gender and race But Marcus is not simply a maverick he is honest pained doubly in exile from a home he is ambivalent about in sight of old age and genuinely moved by his connection to Muriella and Julia The novel's collage of diary entries e-mails letters and newspaper articles gives us unusual insight into

the characters needs and weaknesses as they are profoundly affected by crashing into each other With Marcus and Muriella s involvement Brian and Julia develop from wary adolescents into people capable of meaningful action it is Muriella herself however who seems to change the most But Muriella Pent works on a wider canvas for all its psychological acuity it is profoundly perhaps even primarily a novel of place Toronto is a vivid presence from the roti shops on St Clair West to historic sites like Fort York from its earnest grasping artists to the cosseted pseudonymous enclave of Stilwoode Park As satire and social observation as an exploration of what art should be and do as a study of sex as a prime mover in the messy triumphs of our lives Muriella Pent is unmatched

Young Men Russell Smith, 2011-01-14 In this astutely observed collection Russell Smith charts the lives of several thirty something men struggling to meet the adult challenges of career home and family while they mourn the aspirations of their youth Dominic discards the life he has built with Christine for a fantasy fling with her best friend and then sheepishly orchestrates a reconciliation When his career as a music producer fails to materialize Eddie begins secretly recording the dreams his girlfriend recites in her sleep He publishes these transcribed tales but his new found literary fame is hollow and his shameless crime is inevitably exposed Lionel embarks on an ill fated tour of small town Nova Scotia to promote his latest book Stranded by a snow storm the weary writer finds creative inspiration in the reminiscences of an elderly woman In each of these stories Russell Smith flawlessly captures the humour and the sadness of young men bridging the gulf between who they had hoped to be and who they have become

Muriella Ouida,1897 Rites of Way Mark Kingwell,Patrick Turmel,2009-09-08 There are many ways to approach the subject of public space the threats posed to it by surveillance and visual pollution the joys it offers of stimulation and excitement of anonymity and transformation its importance to urban variety or democratic politics But public space remains an evanescent and multidimensional concept that too often escapes scrutiny The essays in Rites of Way The Politics and Poetics of Public Space open up multiple dimensions of the concept from architectural political philosophical and technological points of view There is some historical analysis here but the contributors are more focused on the future of public space under conditions of growing urbanization and democratic confusion The added interest offered by non academic work visual art fiction poetry and drama is in part an admission that this is a topic too important to be left only to theorists It also makes an implicit argument for the crucial role that art not just public art plays in a thriving public realm Throughout this work contributors are guided by the conviction not pious but steely that healthy public space is one of the best living parts of a just society The paths of desire we follow in public trace and speak our convictions and needs our interests and foibles They are the vectors and walkways of the social the public dimension of life lying at the heart of all politics

What I Meant to Say Ian Brown, 2014-03-31 Are the men you know obsessed with strange details Do they sometimes seem to have less interest in you than they do in box scores and the history of the bolo tie Do they become sexually aroused at unusual moments perhaps while reading a history of the Battle of Trafalgar Why are they fixated on cars and heroes and strippers and silence Do they ever think about anything but sex Are they ever faithful And how can a man be so headstrong about not asking for directions and such a wimp about pain What I Meant to Say *The Private Lives of Men* answers these and other questions about the male animal whether you're a woman seeking enlightenment or a man looking for company After all there's a lot to clear up Thanks to the women's movement and gay liberation contemporary manhood has changed beyond recognition in the past forty years At the same time the age-old preoccupations of men their unreachable loneliness the unstoppable physicality of their bodies and desires remain as

Literature and the Glocal City Ana María Fraile-Marcos,2014-07-17 The modern city is a space that can simultaneously represent the principles of its homeland alongside its own unique blend of the cultures that intermingle within its city limits This book makes an intervention in Canadian literary criticism by foregrounding both globalism which is increasingly perceived as the state of the art literary paradigm and the city These are two significant axes of contemporary culture and identity that were previously disregarded by a critical tradition built around the importance of space and place in Canadian writing Yet as relevant as the turn to the city and to globalism may be this collection s most notable contribution lies in linking the notion of glocality that is the intermeshing of local and global forces to representations of subjectivity in the material and figurative space of the Canadian city Dealing with oppositional discourses as multiculturalism postcolonialism feminism diaspora and environmentalism this book is an essential reference for any scholar with an interest in these areas
