

On Christian Faith

William A Spurrier

On Christian Faith:

The Christian Faith Friedrich Schleiermacher, 1999-03-11 The classic work of Christian theology which seeks to present the Christian faith in its entirety Schleiermacher was equally at home in the theological systems of Protestant orthodoxy and the new world of thought shaped by the historical and natural sciences and German philosophy He follows a confident course through the entire range of themes in dogmatics but leaves both the dogmatic task and the individual themes transformed by a powerful and original mind A new foreword by B A Gerrish summarises the dogmatic goals of *The Christian Faith* and corrects some common misreadings of his work

Essential Truths of the Christian Faith R. C. Sproul, 2011-02-18 For those who yearn for a deeper walk of faith their journey can begin here Dr R C Sproul takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth which is foundational to maturity in Christ Here are theologically sound explanations of the biblical concepts every Christian should know written in a way that we all can understand Sproul's homespun analogies and illustrations from everyday life make this book interesting informative and easy to read

Christian Faith Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality

Understanding the Christian Faith Georgia Elma Harkness, 1947 An excellent primer on the basic principles of Christian doctrine Harkness offers light and direction to those who are bewildered by the seeming complexities of Christian belief and practice Displaying her uncanny ability for translating the abstract and the scholarly into terms easily grasped by laypersons Harkness explains the various concepts that so often shroud Christianity in mystery

A Christian Faith for Today Prof W Montgomery Watt, W. Montgomery Watt, 2003-09-02 Written by one of the world's foremost religious authorities *A Christian Faith for Today* provides both Christians and sceptics with a much needed response to modernity's challenge to God Most people accept that our world is regulated by the laws of natural science but how should Christian believers reconcile this with faith incarnation and a loving and intelligent Creator W Montgomery Watt returns to the Biblical stories and sources at the roots of modern faith and to theological problems such as Jesus divinity and humanity He suggests how the miraculous might be understood from a rational perspective and the genuinely transcendental distinguished from allegory and symbolism Sympathetic to the Gospel yet acceptable to the modern mind this is a timely and sensitive exposition of God's manifestation and intervention in the world and of his purposes with us and for us

Essentials of Christian Faith Jack Cottrell, Andrew Paris, Tony Newby, 1992-12 With this scathing indictment of modern America editor Steve Burris takes us on a pilgrimage that is foundational It is necessary that we go back to fundamental matters at this point in our history he writes We live in an instant culture We have come to expect instantaneous answers to all of life's questions

Yet he notes we are called by God to be the light and salt of the earth even as problems of the world permeate the church and threaten it. It is from this need that Essentials of Christian Faith was born. That is why Burris has drawn together many of the most influential and prolific Restoration writers. As a Christian, what is essential that you know and believe? The answer to that question is here in Essentials of Christian Faith. *The Christian Faith Personally Given in a System of Doctrine* Olin Alfred Curtis, 1905. Christianity 101: An Introduction to Faith, Leader's Guide The Foundry Publishing, 2021-04. This study explores topics such as who God is, where the Bible came from, what purpose the Holy Spirit serves, what role the church plays in our lives, and more. **The Foundations of the Christian Faith** Charles Wesley Rishell, 1899. **Christian Faith** Walt Kallestad, 1999-03-01. Walt Kallestad, the senior pastor of one of the fastest growing churches in the United States, knows and understands spiritual seekers and new Christians. His newest book, written in plain English, explains the fundamental beliefs of Christian faith and what it means to be Christian. Free of religious jargon, *Christian Faith: The Basics* addresses the questions contemporary adults pose, such as: How can I know God? Why is Jesus important? How do I know what's right and wrong? How do I become a Christian? Is there life after death? Each easy-to-read chapter features discussion questions and a Bible study to help prompt conversations in adult study groups or classes for new members. *Grounded in the Faith* Ken Erisman, 2013-07-15. The greatest challenge for the twenty-first century church is the lack of catechesis training in biblical and doctrinal knowledge. As J. I. Packer states, where wise catechesis has flourished, the church has flourished; and where it has been neglected, the church has floundered. It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it. *Grounded in the Faith* takes up that challenge with twenty-four low-prep, in-depth sessions that will ground believers in the basics of their faith. This new, innovative guide is a transformational disciple-making tool that leaders can immediately use to activate discipleship in the church. It presents individuals, small groups, and Sunday school classes with a cohesive understanding of historic, sound biblical theology that serves as a catalyst for deeper intimacy with Christ. It is a user-friendly guide to growth in the Christian faith that covers important topics such as justification, overcoming temptation, sanctification, evidence for the inspiration of the Bible, the value of prayer, the guidance of God, the Trinity, the uniqueness of Christ, and the attributes of God. **On Christian Faith** Hermann Witsius, 2019-08. Divided into 33 succinct sections, *A Treatise on Christian Faith* is Hermann Witsius's careful examination of the doctrine of faith. In just 40 pages, Witsius provides believers a solid and practical basis for understanding day-to-day faith. He goes into detail about various Christian faith acts, such as desiring truth and thirsting after Christ. Living Belief Douglas F. Ottati, 2022-06-07. A leading theologian's concise guide to the beliefs, commitments, and practices of Christianity. What do Christians believe? But also, what do they do? And feel? With decades of experience teaching the essentials of Christian faith, Douglas Ottati still finds these questions and more like them dynamic and compelling. In *Living Belief*, he moves beyond trite answers, drawing from the deep well of tradition to offer up wisdom from the Apostles' Creed, the

Ten Commandments the Sermon on the Mount and the Lord's Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable Living Belief makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity

Christian Faith for Handing On Helen Oppenheimer, 2013-12-23 Human beings have to ask how faith is possible in this mixed world of trouble and joy A safe universe with no scope for adversity would be a mechanical toy not a creation A glorious universe will be a place where troubles have eventually been overcome Christians believe in one God who is three Persons God the heavenly Father took the risk of making a real world full of living people capable of happiness Jesus Christ God the Son came as a human being to take responsibility for creation He suffered and died and he rose from death to vindicate the whole enterprise and show that creation can and will be made good People are not left to work out their own faith but are invited to belong to the church in order to keep in touch with God the Spirit They are to behave as God's children not by rule bound conformity but by grateful response to the glory of God the Holy Trinity

Christianity 101: An Introduction to Faith, Participant's Guide The Foundry Publishing, 2021-04 This study explores topics such as who God is where the Bible came from what purpose the Holy Spirit serves what role the church plays in our lives and more

Essential Christianity Keith Sherlin, 2006-06 What are the essentials to the Christian faith How can you know and find God's will What doctrines comprise the foundation to a Christian life What should church leadership look like What experiences mark a healthy Christian These questions and more are answered in this book If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily

Saving Christianity? Michael Youssef, 2020 A clear and frank exploration of the future of Christianity and whether it needs to be saved We live in confusing times Our society has shifted on its moral axis and many are asking whether Christianity needs to be reinvented or even reimagined in order to save it With Newsweek declaring The Decline and Fall of Christian America on its cover and The Daily Beast questioning Does Christianity Have a Future bloggers and Christian commentators are discussing whether we need a new kind of Christianity In Saving Christianity Dr Michael Youssef explores this train of thought and its pitfalls He describes how similar discussions in Christianity's recent past explored the very same question Saving Christianity will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible We dare not abandon this mere faith as Dr Youssef describes it because it is the light for all humanity and especially for those of us living in today's chaotic times After reading Saving Christianity you'll have a renewed

confidence in the future of the church and the central place it will occupy for generations to come *Letters on the Greatness and Simplicity of the Christian Faith* Henry Churchill King, 1906 Connecting Faith and Life in No Particular Order Eric Biehl, 2007-02 Too often we move through this life on a fast track I've never officiated or attended a funeral where there wasn't at least some sense of surprise or regret that this life had ended Yet we all face the time when this life will end Still we rush to get be and do things that we hope will give us some security and assurance of our place in life The most tragic outcome of life's fast track is the strained discarded and sometimes broken relationships that result from our frantic pace of living not to mention the loss of life's simple moments *Guide to the Christian Faith* William A Spurrier, 2012-03-01

As recognized, adventure as without difficulty as experience nearly lesson, amusement, as with ease as bargain can be gotten by just checking out a book **On Christian Faith** in addition to it is not directly done, you could believe even more a propos this life, concerning the world.
