

On Rawls

Norman Daniels

On Rawls:

Reading Rawls Norman Daniels, 1989 First published in 1975 this collection includes many of the best critical responses to John Rawls *A Theory of Justice* and the editor has elected to reissue the book without making any substitutions As he argues in his new preface the variety of issues raised in the original papers has been a major part of the book's appeal He also acknowledges that no modest revision of this book could pretend to respond adequately to the considerable elaboration and evolution of Rawls theory in the last fifteen years Political philosophy has been one of the most exciting areas of philosophical activity in the years since *A Theory of Justice* and much of that activity has been a response to Rawls work In his preface the editor suggests how some of the insights and criticisms contained in the collection have had a bearing on developments in Rawls theory and in political philosophy more generally and that fresh reading of each of them reveals additional important points that have not yet received adequate attention The contributors are Benjamin Barber Norman Daniels Gerald Dworkin Ronald Dworkin Joel Feinberg Milton Fisk R M Hare H L A Hart David Lyons Frank Michelman Richard Miller Thomas Nagel T M Scanlon and A K Sen On Rawls, Development and Global Justice H. Williams, 2011-03-08 John Rawls text *The Law of Peoples* has inspired extensive scholarly debate in the field of international political theory since its publication in 1999

Responding to the arguments of cosmopolitan theorists and Amartya Sen's recent critique this new work presents a fresh appraisal of the debate and argues that Rawls offers a persuasive and prescient moral perspective on issues of global poverty and development By elaborating one of Rawls' core ideas the duty of assistance the book offers a unique theoretical response to the ideal of global justice The duty is presented as a far reaching principle of justice one that advocates increasing the state capability of burdened societies and aims to compel the most powerful states to reform international structures and provide aid in a constructive and culturally sensitive manner The aim of assistance is the strengthening of democratic or decent indigenous institutions and the promotion of the freedom of peoples *On Rawls Development and Global Justice* is an original contribution to current debates on international redistribution democracy promotion and global poverty **A**

Companion to Rawls Jon Mandle, David A. Reidy, 2013-10-11 Wide ranging and up to date this is the single most comprehensive treatment of the most influential political philosopher of the 20th century John Rawls An unprecedented survey that reflects the surge of Rawls scholarship since his death and the lively debates that have emerged from his work Features an outstanding list of contributors including senior as well as next generation Rawls scholars Provides careful textually informed exegesis and well developed critical commentary across all areas of his work including non Rawlsian perspectives Includes discussion of new material covering Rawls's work from the newly published undergraduate thesis to the final writings on public reason and the law of peoples Covers Rawls's moral and political philosophy his distinctive methodological commitments and his relationships to the history of moral and political philosophy and to jurisprudence and the social sciences Includes discussion of his monumental 1971 book *A Theory of Justice* which is often credited as having

revitalized political philosophy **Reflections on Rawls** Shaun P. Young, 2016-04-08 The late John Rawls was one of the most inspiring provocative and influential political philosophers of the twentieth century In this collection a panel of distinguished political philosophers critically explore the intellectual legacy of Rawls The essays herein engage Rawls's political theorizing from his earliest published writings in the 1950s to his final publication in 2001 *Justice as Fairness: A Restatement* and explore a diversity of issues related to his arguments such as the attractiveness of his methodology methodologies and the normative coherence and empirical validity of his claims In turn the effectiveness both of his arguments and those of various supporters and critics are evaluated from the perspective of a variety of analytical approaches including cosmopolitanism communitarianism perfectionism liberalism and legal theory This book is an edifying and engaging dialogue with ideas and arguments that have provided the theoretical framework for much of contemporary political philosophy and a thoughtful assessment of their continuing significance and place within the pantheon of political philosophy Reflections on Rawls Dr Shaun P Young, 2012-10-01 The late John Rawls was one of the most inspiring provocative and influential political philosophers of the twentieth century In this collection a panel of distinguished political philosophers critically explore the intellectual legacy of Rawls The essays herein engage Rawls's political theorizing from his earliest published writings in the 1950s to his final publication in 2001 *Justice as Fairness: A Restatement* and explore a diversity of issues related to his arguments such as the attractiveness of his methodology methodologies and the normative coherence and empirical validity of his claims In turn the effectiveness both of his arguments and those of various supporters and critics are evaluated from the perspective of a variety of analytical approaches including cosmopolitanism communitarianism perfectionism liberalism and legal theory This book is an edifying and engaging dialogue with ideas and arguments that have provided the theoretical framework for much of contemporary political philosophy and a thoughtful assessment of their continuing significance and place within the pantheon of political philosophy **On Rawls** Robert B. Talisse, 2001 This brief text assists students in understanding Rawls philosophy and thinking so they can more fully engage in useful intelligent class dialogue and improve their understanding of course content Part of the Wadsworth Notes Series which will eventually consist of approximately 100 titles each focusing on a single thinker from ancient times to the present ON RAWLS is written by a philosopher deeply versed in the philosophy of this key thinker Like other books in the series this concise book offers sufficient insight into the thinking of a notable philosopher better enabling students to engage in reading and to discuss the material in class and on paper **The Idea of a Political Liberalism** Clark Wolf, Victoria Davion, 1999-12-22 In this unique volume some of today's most eminent political philosophers examine the thought of John Rawls focusing in particular on his most recent work These original essays explore diverse issues including the problem of pluralism the relationship between constitutive commitment and liberal institutions just treatment of dissident minorities the constitutional implications of liberalism international relations and the structure of international law The first comprehensive

study of Rawls's recent work *The Idea of Political Liberalism* will be indispensable for political philosophers and theorists interested in contemporary political thought

Justice and the Social Contract : Essays on Rawlsian Political Philosophy Samuel Freeman Stephen F. Goldstone Term Professor of Philosophy and Law University of Pennsylvania, 2006-11-09 John Rawls 1921-2002 was one of the 20th century's most important philosophers and continues to be among the most widely discussed of contemporary thinkers His work particularly *A Theory of Justice* is integral to discussions of social and international justice democracy liberalism welfare economics and constitutional law in departments of philosophy politics economics law public policy and others Samuel Freeman is one of Rawls's foremost interpreters This volume contains nine of his essays on Rawls and Rawlsian justice two of which are previously unpublished Freeman places Rawls within historical context in the social contract tradition addresses criticisms of his positions and discusses the implications of his views on issues of distributive justice liberalism and democracy international justice and other subjects This collection will be useful to the wide range of scholars interested in Rawls and theories of justice

The Idea of a Political Liberalism Clark Wolf, Victoria Davion, 1999-12-22 In this unique volume some of today's most eminent political philosophers examine the thought of John Rawls focusing in particular on his most recent work These original essays explore diverse issues including the problem of pluralism the relationship between constitutive commitment and liberal institutions just treatment of dissident minorities the constitutional implications of liberalism international relations and the structure of international law The first comprehensive study of Rawls's recent work *The Idea of Political Liberalism* will be indispensable for political philosophers and theorists interested in contemporary political thought

[Justice and the Social Contract](#) Samuel Freeman, 2007 Pt I A theory of justice Reason and agreement in social contract views Utilitarianism deontology and the priority of right Consequentialism publicity stability and property owning democracy Rawls and luck egalitarianism Congruence and the good of justice pt II Political liberalism Political Liberalism and the possibility of a just democratic constitution Public reason and political justification pt III The law of peoples The law of peoples social cooperation human rights and distributive justice Distributive justice and the law of peoples

[Rawls](#) Sebastiano Maffettone, 2010 The most complete introduction to the work of John Rawls The literature on Rawls and his main arguments are presented in an unprecedented way An indispensable tool for teachers and students This book is necessary reading for anyone interested in contemporary political thought

John Rawls Thomas Pogge, 2007-01-27 John Rawls was one of the most important political philosophers of our time and promises to be an enduring figure over the coming decades His *Theory of Justice* 1971 has had a profound impact across philosophy politics law and economics Nonetheless Rawlsian theory is not easy to understand particularly for beginners and his writing can be dense and forbidding Thomas Pogge's short introduction originally published in German gives a thorough and concise presentation of the main outlines of Rawls's theory introduces biographical information when necessary and draws links between the Rawlsian enterprise and other important positions in

moral and political philosophy

Development and Main Outlines in Rawls's Theory of Justice Henry S.

Richardson,1999 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **Rawls's 'A Theory of Justice'** Jon Mandle,2009-10-15 This book reconstructs Rawls s argument as well as discussing some of the most influential criticisms in the secondary literature *An Analysis of John Rawls's A Theory of Justice* Filippo Dionigi,Jeremy Kleidosty,2017-07-05 John Rawls s A Theory of Justice is one of the most influential works of legal and political theory published since the Second World War It provides a memorably well constructed and sustained argument in favour of a new social contract version of the meaning of social justice In setting out this argument Rawls aims to construct a viable systematic doctrine designed to ensure that the process of maximizing good is both conscious and coherent and the result is a work that foregrounds the critical thinking skill of reasoning Rawls s focus falls equally on discussions of the failings of existing systems not least among them Marxism and Utilitarianism and on explanation of his own new theory of justice By illustrating how he arrived at his conclusions and by clearly explaining and justifying his own liberal pluralist values Rawls is able to produce a well structured argument that is fully focused on the need to persuade Rawls explicitly explains his goals He discusses other ways of conceptualizing a just society and deals with counter arguments by explaining his objections to them Then carefully and methodically he defines a number of concepts and tools thought experiments that help the reader to follow his reasoning and test his ideas Rawls s hypothesis is that his ideas about justice can be universally applied they can be accepted as rational in any society at any time Rawls's A Theory of Justice at 50 Paul Weithman,2023-08-10 In 1971 John Rawls s A Theory of Justice transformed twentieth century political philosophy and it ranks among the most influential works in the history of the subject This volume of new essays marks the 50th anniversary of its publication with a multi faceted exploration of Rawls s most important book A team of distinguished contributors reflects on Rawls s achievement in essays on his relationship to modern political philosophy and 20th century economic theory on his Kantianism on his transition to political liberalism on his account of public reason and contemporary challenges to it on his theory s implications for problems of racial justice on democracy and its fragility and on Rawls s enduring legacy The volume will be valuable for students and scholars working in moral and political philosophy political theory legal theory and religious ethics

A Law of Peoples for Recognizing States Chris Naticchia,2016-11-02 Which political entities should the international community recognize as member states granting them the rights and powers of statehood and entitling them to participate in formulating adjudicating and implementing international law What criteria should it use and are those criteria defensible From Kosovo Palestine and Taiwan to South Sudan Scotland South Ossetia Abkhazia and Catalonia these questions continuously arise and constantly challenge the international community for a consistent principled stance In response to this challenge Chris Naticchia offers a social contract argument for a theory of international recognition a normative theory of the criteria that states and international bodies should use to recognize political entities as member states of the international

community Regardless of whether political entities adequately respect human rights or practice democracy he argues we must recognize a critical mass of them to get international institutions working Then we should recognize secessionist entities that suffer from persistent grave and widespread human rights abuses by their government and under certain conditions minority nations within multinational states that seek independence We must also recognize entities whose recognition would contribute to the economic development of the least well off entities Drawing on the social contract tradition and developing a broadly Rawlsian view *A Law of Peoples for Recognizing States* will both challenge and appeal to a broad readership in political philosophy international law and international relations Rawls Samuel Freeman,2007-05-23

In this superb introduction Samuel Freeman introduces and assesses the main topics of Rawls philosophy Starting with a brief biography and charting the influences on Rawls early thinking he goes on to discuss the heart of Rawls s philosophy his principles of justice and their practical application to society Subsequent chapters discuss Rawls s theories of liberty political and economic justice democratic institutions goodness as rationality moral psychology political liberalism and international justice and a concluding chapter considers Rawls legacy Clearly setting out the ideas in Rawls masterwork *A Theory of Justice* Samuel Freeman also considers Rawls other key works including *Political Liberalism* and *The Law of Peoples* An invaluable introduction to this deeply influential philosopher Rawls is essential reading for anyone coming to his work for the first time

The Legacy of John Rawls Thom Brooks,Fabian Freyenhagen,2005-09-08 John Rawls was unquestionably the most important moral and political philosopher of the last one hundred years His *A Theory of Justice* published in 1971 is already a classic text and his political philosophy is more widely studied than that of any other theorist Interest in Rawls s work has increased still further since his recent death and the publication of his complete works but until now there has been no single volume that explores the legacy of his work This book fills the void making a substantial contribution not only to work on Rawls s thought but to contemporary debates in ethics and justice as well The book will be of great interest to academics and students in philosophy politics and law departments alike *Good Roads* ,1928

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **On Rawls**

In a world inundated with monitors and the cacophony of immediate interaction, the profound power and psychological resonance of verbal beauty often diminish into obscurity, eclipsed by the continuous assault of noise and distractions. However, nestled within the lyrical pages of **On Rawls**, a charming work of literary splendor that pulses with natural feelings, lies an remarkable journey waiting to be embarked upon. Penned with a virtuoso wordsmith, that magical opus courses viewers on a mental odyssey, delicately exposing the latent possible and profound affect stuck within the delicate web of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is central subjects, dissect their interesting writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

On Rawls Introduction

In today's digital age, the availability of On Rawls books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of On Rawls books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of On Rawls books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing On Rawls versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, On Rawls books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing On Rawls books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for On Rawls books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a

non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, On Rawls books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of On Rawls books and manuals for download and embark on your journey of knowledge?

FAQs About On Rawls Books

1. Where can I buy On Rawls books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
