during a year of solitude in the isolation of a cabin Mary's poetic gift with words loving guidance humor and heart will feed your soul and have you looking forward to each day's reading Every Day Spirit is packed with spiritual wisdom making it a road map to a more meaningful and fulfilling life and a reminder to slow down and notice the blessings It's the perfect gift for yourself and anyone in need of inspiration hope comfort and wisdom The Extortion Shorey Chapman,2005-07 The primary extortion which enables our society is Work or Die Art Hoppe That simple statement written several years ago by the late San Francisco Chronicle columnist confers a stunning moral indictment on every aspect of our society Like it or not we live in a country which does not recognize the most basic human rights food shelter clothing medical care and education much less enough time for spiritual practice or adequate leisure Our Constitution makes no mention of these rights We have consistently refused from its inception to sign the United Nations Declaration of Human Rights precisely because it mandates such rights The Extortion dominates the issue of homelessness especially since so many of them either can't or won't work Clearly we must have a thorough and vigorous national debate on this question do you believe that we should fight each other down to the last loaf of bread or do you believe in universal access to basic necessities whether one has money or not Some of course will insist that real economic democracy will foster laziness and sloth If that were true only a 100% estate tax would save the children of the rich from such a fate Unless they are somehow different from the rest of us **Forthcoming Books** Rose Arny,2001 **New England Journal of Education** ,1915 *Resources in Education* ,1997-05 **The Zionist Illusion** Haim Ben-Asher,2010-12-22 What is the use of Zionism To restore our pride as Jews comes the ready answer Now just when did we lose this precious pride Could it be that without the State of Israel Zionists might be ashamed of being Jews And how can one be proud of a country that drops white phosphorous bombs on defenseless civilians Instead of combating anti-Semitism Zionism cultivates it An essential dogma of this new creed is that anti-Semitism is immutable and permanent Zionists claim that we are still in 1938 and that a new Holocaust is in the offing Every passing year becomes a year of broken glass So we must rally around the State of Israel which alone can save us A fear based religion allows Jewish leaders in the Diaspora to retain power over their flock To free themselves from such blackmail to break out of the vicious Auschwitz Israel circle Jews have only to disconnect from Zionism and take up their historic vocation explaining Torah to the nations But first they will have to understand it themselves Haim Ben Asher is a historian **Journal of Education** ,1915
