Praise Her Works Conversations With Biblical Women:

Praise Her Works Penina Adelman, 2005-08-15 This rich collection celebrates 23 biblical women from the familiar Sarah Miriam Ruth and Esther to the more mysterious Hatzlelponi mother of Samson and the unnamed Wife of Ovadiah Based on the 13th century Yemenite Midrash ha Gadol literally the Great Midrash a work only partially translated into English and until now virtually unknown to American Jews this new volume presents stories commentaries original monologues and discussion topics touching upon the lives of Jewish women today Penina Adelman became captivated by Midrash ha Gadol while seeking a new ritual to perform before her daughter's bat mitzvah She eventually enlisted a group of writers to join her in studying the midrash These women agreed to step inside the Bible and become some of their ancestors The resulting book is an unusual encounter among remarkable biblical women from different time periods and walks of life who are able to converse directly with one another and the reader As the writers probe the hearts and minds of the biblical characters they provide an insightful behind the scenes look into the relationships of women whose feelings and actions have inspired readers throughout the ages This book is a beautiful example of the way today's scholars are using midrash to weave together Jewish tradition and modern society In the original Yemenite midrash each of the women is linked to a line from the poem in Proverbs Eishet Chayil Women of Valor the poem often sung at Jewish weddings by the groom to the bride and at the traditional Shabbat table by a husband to his wife and recited at a Jewish woman's funeral In this new book the reader is invited to experience the blending of the familiar poem with the previously unexplored treasure trove of Midrash ha Gadol and the new voices for each character This extraordinary combination makes it ideal for Jewish educators teen and adult study groups readers of midrash and scholars in the fields of women's studies and contemporary spirituality It also makes a lovely gift for brides mothers and grandmothers *The Fruit of Her Hands* Matthew B. Schwartz, Kalman J.

Kaplan, 2007-05-18 In much of Western literature and Greek mythology women have an evident lack of purpose a woman needs to either enter or leave a relationship in order to find herself and her own identity Matthew Schwartz and Kalman Kaplan set out to prove that the converse is true in the text of the Hebrew Bible Examining the stories of women in Scripture Rebecca Miriam Gomer Ruth and Naomi Lot's wife Zipporah and dozens more Schwartz and Kaplan illustrate the biblical woman's strong feminine sense of being crucial to God's plan for the world and for history courageously seeking the greatest good for herself and others whatever the circumstances Empowering illuminating and fascinating *The Fruit of Her Hands* makes a singular contribution to the fields of biblical and women's studies **This Will Be Remembered of Her** Megan

McKenna, 2010-07-15 Examines stories from Scripture of women around the world and of folk traditions for acts of hope courage imagination and compassion amid the challenges of daily life **Lady Parts** Kathryn D. Blanchard, Jane S.

Webster, 2012-11-13 How might women in the Bible tell their stories if they were prompted to do so by Eve Ensler's controversial play *The Vagina Monologues* This collection imagines some answers to that question The monologues herein

are written by a variety of authors including scholars undergraduates clergy and laywomen the content of the narratives reflects this variety being at times faithful or irreverent tragic or even funny All seek to give twenty first century voices to women in canonical texts including the Hebrew Bible Deuterocanonical books and New Testament who are often speechless nameless or otherwise marginalized Not for the faint of heart these monologues not only end the silences but also add flesh and bone to characters whose experiences have too easily been justified metaphorized or altogether ignored By naming the torn places in these women s stories this volume invites readers to encounter both the biblical characters and their contemporary interpreters with an attitude of compassionate listening Our hope is that such compassionate listening may contribute not only to more just readings of sacred texts but also to the mission of Eve Ensler and V Day to end global violence against women and girls

The Jewish Book of Days Jill Hammer, 2010-01-01 Throughout the ages Jews have connected legends to particular days of the Hebrew calendar Abraham s birth the death of Rachel and the creation of light are all tales that are linked to a specific day and season The Jewish Book of Days invites readers to experience the connection between sacred story and nature s rhythms through readings designed for each and every day of the year These daily readings offer an opportunity to live in tune with the wisdom of the past while learning new truths about the times we live in today Using the tree as its central metaphor The Jewish Book of Days is divided into eight chapters of approximately forty five days each These sections represent the tree s stages of growth seed root shoot sap bud leaf flower and fruit and also echo the natural cadences of each season Each entry has three components a biblical quote for the day a midrash on the biblical quote or a Jewish tradition related to that day and commentary relating the text to the cycles of the year The author includes an introduction that analyzes the different months and seasons of the Hebrew calendar and explains the textual sources used throughout Appendixes provide additional material for leap years equinoxes and solstices A section on seasonal meditations offers a new way to approach the divine every day

Women and Judaism Malka Drucker, 2009-04-30 Contributors to Women and Judaism describe the many ways in which women are claiming a place in and changing the face of this ancient religion Women and Judaism the editor writes carries an intention to do more than bring the reader new ideas to ponder For Jewish women it s a charge to claim and re claim their rightful place in their tradition For non Jewish sisters we hope that it encourages you to bring change in your traditions as you learn of our effort to be counted as full members of an ancient spiritual community In this all encompassing exploration of Judaism for the modern woman readers attend the first the Bat Mitzvah 70 years ago hear an imagined response of biblical mothers asked to give up their children and learn how each holiday contains an ecological message Readers explore the power of women within a patriarchal tradition including the story of the first woman rabbi Readers see demonstrations of how women keep body mind and spirit alive read a new view of biblical women as heroic role models and enter the memory of women Holocaust survivors Some contributors write about sexuality power and vulnerability while others present the newest women s rituals including Rosh Hodesh and

Vaughan, 2008-12-08 From the stone age to the cyber age women and men have experienced the world differently Out of a cosmos of goddesses and she devils earth mothers and madonnas witches and queens saints and whores a vast body of women's folklore has come into bloom International in scope and drawing on more than 130 expert contributors this encyclopedia reviews the myths traditions and beliefs central to women's daily lives More than 260 alphabetically arranged entries cover the lore of women across time space and life Students of history religion and spirituality healing and traditional medicine literature and world cultures will value this encyclopedia as an indispensable guide to women's folklore In addition there are entries on women's folklore and folklife in 15 regions of the world such as the Caribbean Central Asia the Middle East and Western Europe Entries provide cross references and cite works for further reading and the encyclopedia closes with a selected bibliography of print and electronic resources Students learning about history world cultures religion and spirituality healing and traditional medicine and literature will welcome this companion to the daily life of women across time and continents [The Truth About M\(O\)therhood: Choosing to be Childfree](#) Helene A. Cummins, Helene A. Cummins Cummins, Julie Anne Rodgers, Judith Dunkelberger Wouk, Julie Anne Rodgers Rodgers, 2021-01-29 In a world full of messages about the joys of motherhood ticking biological clocks pronatalist ideologies and socio cultural imperatives for women to mother what does the alternative look like That is what is the experience of women who choose or find themselves without progeny when they are deemed other instead of being a mother This anthology of interdisciplinary work links to sociology anthropology psychology demography religion language literature popular media medicine and child and family studies Are women that choose to be childfree always narcissistic self obsessed and lonely Or can they be free mobile and successful Do all women who choose to be childfree do it in the same way or have the same motivation What is the role of age partnership status trauma or poverty in this decision Using techniques such as literature review ethnographic interviews autoethnography and textual analysis and reframing these sixteen authors from around the globe unpack largely pronatalist racist sexist and heteronormative views and assumptions about childfree women **Jewish Feminism** Esther Fuchs, 2018-03-12 In the last three decades hundreds of books and essays have been published on women gender and Jewish Studies This burgeoning scholarship has not been adequately theorized contextualized or historicized This book argues that Jewish feminist studies is currently constrained by multiple frames of reference that require re examination a self critical awareness and a serious reflective inquiry into the models paradigms and assumptions that inform shape and define this area of academic interest This book is the first critical analysis of Jewish feminist scholarship tracing it from its tentative beginnings in the late 1970s to contemporary academic articulations of its disciplinary projects It focuses on the assumptions evasions omissions inconsistencies and gaps in this

scholarship and notably the absence of debate contestation and interrogation of authoritative articulations of its presumed goals investments and priorities The book teases out implicit thinking about mapping direction and orientation from introductions to leading anthologies and engages critically with the few explicitly theoretical works on Jewish feminist studies contesting ideas that have become hegemonic in some areas and interrogating the limitations these theories impose on future trajectories in Jewish feminist studies Each chapter outlines the theoretical assumptions that inform salient publications in the field providing a close reading of scholarly texts that justify certain practices The book is divided into four chapters each of which focuses on a different frame of reference It outlines the way in which the various frames that have so far been imposed on Jewish feminism the ethnocentric liberal personal masculinist and essentialist have arrested its theoretical elaboration and articulation The book includes both interdisciplinary anthologies on gender and Jewish identity and disciplinary publications in history literature philosophy cultural studies and Holocaust studies

Sacred Encounter

Lisa L. Grushcow, 2014-03-01 This wide ranging anthology takes a close look at the breadth of human sexuality from a Jewish perspective The essays begin with a look at biblical and rabbinic views on sexuality and then proceed to explorations of sexuality at different moments in the life cycle sexuality and the marital model diverse expressions of sexuality examples of sexuality education the nexus of sexuality and theology and the challenges of contemporary sexual ethics The Sacred Encounter is a thought provoking and important Jewish resource Perfect for personal study or for high school or adult classes Published by CCAR Press a division of the Central Conference of American Rabbis

Global Perspectives on Prostitution and Sex Trafficking Rochelle L. Dalla, Lynda M. Baker, John Defrain, Celia Williamson, 2011-04-01 This book is part of a two volume set that examines prostitution and sex trafficking on a global scale with each chapter devoted to a particular country in one of seven geo cultural areas of the world The 16 chapters in this volume Volume II are devoted to examination of the commercial sex industry CSI in countries within Africa Asia Middle East and Oceania while the 18 chapters comprising Volume I focus exclusively on Europe Latin America and North America This volume also includes a global section which includes chapters that are globally relevant rather than those devoted to a particular country or geographic location The content of each Volume as well as each chapter reflects great diversity diversity in focus writing style and personal position regarding the commercial sex industry Diversity extends to the contributors who are comprised of international scholars service providers and policy advocates representing a variety of fields and disciplines with distinct and varied frames of reference and theoretical underpinnings with regard to the commercial sex industry In addition to addressing aspects of the CSI across the globe as impacted by geography and culture authors have also provided a spectrum of implications of their work implications ranging from continued scholarship and research to legislative maneuvers and policy change to suggestions for collaboration across NGOS fieldworkers clinicians and service providers Together the 34 expertly crafted chapters provide a wealth of knowledge from which to more deeply appreciate and contemplate the global commercial sex

industry By uniting contributors from around the world this book aims to build a relatively common knowledge base on global prostitution and sex trafficking Viewed from a unified global perspective it is hoped that this common understanding will lead to a grounded theory and integrated view with applicable suggestions for international efforts aimed at intervention

New Jewish Feminism Rabbi Elyse Goldstein, 2012-06-28 Jewish Feminism What Have We Accomplished What Is Still to Be Done When you are in the middle of the revolution you can't really plan the next steps ahead But now we can The book is intended to open up a dialogue between the early Jewish feminist pioneers and the young women shaping Judaism today Read it use it debate it ponder it from the Introduction This empowering anthology looks at the growth and accomplishments of Jewish feminism and what that means for Jewish women today and tomorrow It features the voices of women from every area of Jewish life the Reform Reconstructionist Conservative Orthodox and Jewish Renewal movements rabbis congregational leaders artists writers community service professionals academics and chaplains from the United States Canada and Israel addressing the important issues that concern Jewish women Women and Theology Women Ritual and Torah Women and the Synagogue Women in Israel Gender Sexuality and Age Women and the Denominations Leadership and Social Justice

Downhome Gospel Jerrilyn McGregory, 2010-10-05 Jerrilyn McGregory explores sacred music and spiritual activism in a little known region of the South the Wiregrass Country of Georgia Alabama and North Florida She examines African American sacred music outside of Sunday church related activities showing that singing conventions and anniversary programs fortify spiritual as well as social needs In this region African Americans maintain a social world of their own creation Their cultural performances embrace some of the most pervasive forms of African American sacred music spirituals common meter Sacred Harp shape note traditional and contemporary gospel Moreover the contexts in which they sing include present day observations such as the Twentieth of May Emancipation Day Burial League Turnouts and Fifth Sunday Rather than tracing the evolution of African American sacred music this ethnographic study focuses on contemporary cultural performances almost all by women which embrace all forms These women promote a female centered theology to ensure the survival of their communities and personal networks They function in leadership roles that withstand the test of time Their spiritual activism presents itself as a way of life In Wiregrass Country You don't have to sing like an angel is a frequently expressed sentiment To these women good music is God's music regardless of the manner delivered Therefore Downhome Gospel presents gospel music as being more than a transcendent sound It is local spiritual activism that is writ large Gospel means joy hope expectation and the good news that makes the soul glad

Educating in the Divine Image

Chaya Rosenfeld Gorsetman, Elana Maryles Sztokman, 2013-10-01 Although recent scholarship has examined gender issues in Judaism with regard to texts rituals and the rabbinate there has been no full length examination of the education of Jewish children in day schools Drawing on studies in education social science and psychology as well as personal interviews the authors show how traditional mainly Orthodox day school education continues to reinscribe gender inequities and socialize

students into unhealthy gender identities and relationships They address pedagogy school practices curricula and textbooks as along with single sex versus coed schooling dress codes sex education Jewish rituals and gender hierarchies in educational leadership Drawing a stark picture of the many ways both girls and boys are molded into gender identities the authors offer concrete resources and suggestions for transforming educational practice

Elenchus of Biblica ,2005 [From Sun to Sun](#) Kenneth Wishnia,2024-06-04 From Sun to Sun is highly unconventional crime novel that presents two parallel stories separated by twenty five centuries The first set in modern New York City featuring a hardworking smart mouthed Latina investigator Felicity Ortega P rez specializing in forensic accounting and document examination as she hunts for a missing person who holds the clue to an ancient mystery Little does she realize how deep the criminality goes and what she will learn about her own hidden past The ancient section is a radical revision of the Book of Ruth the first person in the Bible to convert to the religion of Israel When Ruth s husband dies under strange circumstances she must join the exiles returning to

Jerusalem to rebuild the Temple in order to secure a future for herself her grieving mother in law Naomi and her future offspring Unfortunately the returning exiles also include religious leaders like Ezra and Nehemiah who plan to purify the land by expelling all the foreign women and Ruth must prove her worth under dire conditions including a major famine From Sun to Sun is a tale of love devotion and sacrifice depicting the challenges facing two determined foreign women as they battle ignorance hatred and indifference in two distinct historical periods Iron Age Israel and the modern world Each in their own struggle to find justice and a place in society a seemingly endless battle in a time of social upheaval fluid identities and diverse cross cultural complexities In short the novel is about combating prejudice and who gets to decide who is one of us and who is a foreigner and what it takes to prove you belong
