Congress. House. Committee on Education and Labor. Subcommittee on Equal Opportunities, 1974 *The Illusions of Billie Washington* Freddie Louis Smith, 2020-01-16 *The Illusions of Billie Washington* By Freddie Louis Smith *The Illusions of Billie Washington* follows the adventures of several children growing up in St Louis Missouri in 1966 Though they once spent their days together in the same neighborhood they each saw the world a little differently And once they are accidentally transported from their familiar surroundings to places further and further from home the children have to learn to fend for themselves and make their own way in the often racist and unfriendly world of the 1960 **Unsilencing Slavery** Celia E. Naylor, 2022-07 Popular references to the Rose Hall Great House in Jamaica often focus on the legend of the White Witch of Rose Hall Over one hundred thousand people visit this plantation every year many hoping to catch a glimpse of Annie Palmer's ghost After experiencing this tour with her daughter in 2013 and leaving Jamaica haunted by the silences of the tour Celia E Naylor resolved to write a history of Rose Hall about those people who actually had a right to haunt this place of terror and trauma the enslaved Naylor deftly guides us through a strikingly different Rose Hall She introduces readers to the silences of the archives and unearths the names and experiences of the enslaved at Rose Hall in the decades immediately before the abolition of slavery in Jamaica She then offers a careful reading of Herbert G de Lisser's 1929 novel *The White Witch of Rosehall* which gave rise to the myth of the White Witch and a critical analysis of the current tours at Rose Hall Great House Naylor's interdisciplinary examination engages different modes of history making history telling and truth telling to excavate the lives of enslaved people highlighting enslaved women as they

navigated the violences of the Jamaican slavocracy and plantationscape Moving beyond the legend she examines iterations of the afterlives of slavery in the ongoing construction of slavery museums memorializations and movements for Black lives and the enduring case for Black humanity Alongside her book she has created a website as another way for readers to explore the truths of Rose Hall rosehallproject.columbia.edu **Up the River** Oliver Optic, 2018-05-23 Reproduction of the original Up the River by Oliver Optic **The Boys' Life of Mark Twain** Albert Bigelow Paine, 2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage , **Mark Twain: A Biography** Albert Bigelow Paine, 2016-08-23 Samuel Langhorne Clemens better known by his pen name Mark Twain was an American writer Among his novels are The Adventures of Tom Sawyer 1876 and its sequel Adventures of Huckleberry Finn 1885 the latter often called The Great American Novel Twain was raised in Hannibal Missouri which later provided the setting for Tom Sawyer and Huckleberry Finn After an apprenticeship with a printer Twain worked as a typesetter and contributed articles to the newspaper of his older brother Orion Clemens He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada He referred humorously to his lack of success at mining turning to journalism for the Virginia City Territorial Enterprise In 1865 his humorous story The Celebrated Jumping Frog of Calaveras County was published based on a story he heard at Angels Hotel in Angels Camp California where he had spent some time as a miner The short story brought international attention and was even translated into classic Greek His wit and satire in prose and in speech earned praise from critics and peers and he was a friend to presidents artists industrialists and European royalty **The Price of Freedom** T. Stephen Whitman, 2021-05-11 A stereotypical image of manumission is that of a benign plantation owner freeing his slaves on his deathbed But as Stephen Whitman demonstrates the truth was far more complex especially in border states where manumission was much more common Whitman analyzes the economic and social history of Baltimore to show how the vigorous growth of the city required the exploitation of rural slaves To prevent them from escaping and to spur higher production owners entered into arrangements with their slaves promising eventual freedom in return for many years hard work The Price of Freedom reveals how blacks played a critical role in freeing themselves from slavery Yet it was an imperfect victory Once Baltimore's economic growth began to slow freed blacks were virtually excluded from craft apprenticeships and European immigrants supplanted them as a trained labor force **The Adventures of Huckleberry Finn (Tom Sawyer's Comrade), Scene: the Mississippi Valley, Time: Forty to Fifty Years Ago** Mark Twain, 1918 **Pranksters** Kembrew McLeod, 2014 From Benjamin Franklin's newspaper hoax that faked the death of his rival to Abbie Hoffman's attempt to levitate the Pentagon pranksters hoaxers and con artists have caused confusion disorder and laughter in Western society for centuries Profiling the most notorious mischief makers from the 1600s to the present day Pranksters explores how pranks are part of a long tradition of speaking truth to power and social critique Invoking such

historical and contemporary figures as P T Barnum Jonathan Swift WITCH The Yes Men and Stephen Colbert Kembrew McLeod shows how staged spectacles that balance the serious and humorous can spark important public conversations In some instances tricksters have incited social change and unfortunate prank blowback by manipulating various forms of media from newspapers to YouTube For example in the 1960s self proclaimed professional hoaxer Alan Abel lampooned America s hypocritical sexual mores by using conservative rhetoric to fool the news media into covering a satirical organization that advocated clothing naked animals In the 1990s Sub Pop Records then receptionist Megan Jasper satirized the commodification of alternative music culture by pranking the New York Times into reporting on her fake lexicon of grunge speak Throughout this book McLeod shows how pranks interrupt the daily flow of approved information and news using humor to underscore larger pointed truths Written in an accessible story driven style Pranksters reveals how mischief makers have left their shocking entertaining and educational mark on modern political and social life Globalization and Latin American Cinema Sophia A. McClennen, 2018-05-25 Studying the case of Latin American cinema this book analyzes one of the most public and most exportable forms of postcolonial national culture to argue that millennial era globalization demands entirely new frameworks for thinking about the relationship between politics culture and economic policies Concerns that globalization would bring the downfall of national culture were common in the 1990s as economies across the globe began implementing neoliberal free market policies and abolishing state protections for culture industries Simultaneously new technologies and the increased mobility of people and information caused others to see globalization as an era of heightened connectivity and progressive contact Twenty five years later we are now able to examine the actual impact of globalization on local and regional cultures especially those of postcolonial societies Tracing the full life cycle of films and studying blockbusters like City of God Motorcycle Diaries and Children of Men this book argues that neoliberal globalization has created a highly ambivalent space for cultural expression one willing to market against itself as long as the stories sell The result is an innovative and ground breaking text suited to scholars interested in globalization studies Latin American studies and film studies *The Home Book of Verse, American and English, 1580-1920* Burton Egbert Stevenson, 1926 The Home Book of Verse Burton Egbert Stevenson, 1912 The Home Book of Verse, American and English, 1580-1920 , 1922 **Poems of youth and age** Burton Egbert Stevenson, 1926 **The Home Book of Verse, American and English, 1580-1912** Burton Egbert Stevenson, 1912 **The Home Book of Verse, American and English, 1580-1918** Burton Egbert Stevenson, 1918
