and Demi Moore his filmography has come to represent both a genre of film and an era of pop culture In *Brat* McCarthy focuses on that singular moment in time The result is a revealing look at coming of age in a maelstrom reckoning with conflicted ambition innocence addiction and masculinity 1980s New York City is brought to vivid life in these pages from scoring loose joints in Washington Square Park to skipping school in favor of the dark revival houses of the Village where he fell in love with the movies that would change his life Filled with personal revelations of innocence lost to heady days in Hollywood with John Hughes and an iconic cast of characters *Brat* is a surprising and intimate story of an outsider caught up in a most unwitting success

Search for the Holy Grail Marija Petrovic,2014-11-03 Dear Reader It has been fun cathartic heart wrenching inspiring and powerful to write this travel novel after a month long trip to France Germany and Serbia Initially it started out by writing down my research about Mary Magdalene the Holy Grail and the mystic sites but then I also looked for new jobs in Germany and prepared for my final trip to Serbia where I longed to connect with a man whom I admired from far Essentially this book represents the results of my soul journey which reached the end of a cycle in 2012 when realized I am at crossroads in my life where I was in the situation to make a decision where to live Germany or the United States of America This was part of external reality but psychologically I found the pressing need to make some internal changes in my very personal relationships This is book is as much about the holy grail the legend of Mary Magdalene as much as it is about my own story

Queering Teen Culture Jeffery P Dennis,2013-12-16 Why did Fonzie hang around with all those high school boys Is the overwhelming boy meets girl content of popular teen movies music books and TV just a cover for an undercurrent of same sex desire From the 1950s to the present popular culture has involved teenage boys falling for longing over dreaming about singing to and fighting over teenage girls But Queering Teen Culture analyzes more than 200 movies and TV shows to uncover who Frankie Avalon s character was really in love with in those beach movies and why Leif Garrett became a teen idol in the 1970s In Top 40 songs teen magazines movies TV soap operas and sitcoms teenagers are defined by their pubescent discovery of the opposite sex universally and without exception Queering Teen Culture looks beyond the litany to find out when adults became so insistent about teenage sexual desireand whyand finds evidence of same sex desire romantic interactions and identities that according to the dominant ideology do not and cannot exist This provocative book examines the careers of male performers whose teenage roles made them famous including Ricky Nelson Pat Boone Fabian and James Darren and discusses examples of lesbian desire including I Love Lucy and Laverne and Shirley Queering Teen Culture examines Ozzie and Harriet Father Knows Best and Leave It to Beaver Were Ricky Bud and Wally sufficiently straight the juvenile delinquent films of the 1950s Why weren t the rebel without a cause bad boys interested in girls horror sci fi and zombies from outer space Body of a boy

Mind of a monster Soul of an unearthly thing teen idols pretty androgynous and feminine No wonder they were rumored to be funny beach movies She wants to plan their wedding but he wants to surf sky dive and go drag racing with the guys Biker hippies boys of the late 1960s I know your scene don't think I don't the 1950s nostalgia of the 1970s Why does Fonzie spend all his time with high school boys teen gore What makes the psycho killer angry and much more including Gidget the Brat Pack buddy dramas nerds and operators Saved by the Bell The Real World and the incredible shrinking teenager Queering Teen Culture is an essential read for academics working in cultural and gay studies and for anyone else with an interest in popular culture

In Search of the Promised Land Gary Murphy, 2009 Murphy argues against the thesis of Tom Garvin and his work Preventing the Future In that book Garvin argues that old culture old ideas and the repression of the Church held Ireland's development in check through the 1940s and 1950s Gary Murphy suggests that the Irish government and civil service leaders were in fact open to change and new ideas and this openness led them to adopt outward looking policies

The Films of the Eighties Robert A. Fire over Heathrow Susan Ottaway, 2008-09-22 An in depth account of the 1968 London air tragedy that claimed five lives includes interviews with cabin crew passengers and air traffic controllers One and a half minutes after takeoff on the clear and sunny afternoon of April 8 1968 the Number 2 engine of BOAC Boeing 707 G-ARWE broke away from its mounting pylon and fell tumbling in flames Captain Cliff Taylor managed an extremely smooth touchdown about 400 yards beyond the Heathrow runway threshold and the aircraft came to a stop 1 400 yards further along the runway The cabin crew had the doors open and passengers began escaping from the starboard over wing exit and then via chutes at the forward and rear galley doors Several explosions occurred and the port wing fell off the resulting blast hurling flaming debris over the side of the aircraft The rear escape chute was damaged by the fire and burst but of the 126 people aboard most of the 121 survivors had escaped before the arrival of the main fire and rescue services Thirty eight people received treatment for injuries and five including stewardess Barbara Jane Harrison were overcome by heat and fumes and died aboard G-ARWE For her bravery in trying to rescue the remaining passengers on that day Harrison was awarded the George Cross An amazing story a fitting tribute to Jane and the other unfortunate people who lost their lives It is extremely well written and I would highly recommend it Jonathan Wright
