Life is a promising venture where we learn more and earn less Yet the irony is that we as humans today are too much after ephemeral things It is easy to desensitize good behavior where we consistently fill our minds with anxious and angry thoughts Peace and harmony downslides Moreover there is a tendency to talk too much weigh our words too little and speak before thinking This book *A Wisdom Miscellany* has my lessons for exercising discretion My soul heals when I am at peace with myself The Miscellany is my lesson towards what is simple and nearer to wisdom Some pertinent pathways can be found below Simplicity thy name is Virtue Globalization which has perpetually condemned all life purposes Helping others is the only way through which we grow Technological advancement never imagined that a drunkard would leave his driving profession With time you heal Mind is always empowered by listening to others Life becomes predictable once you throw yourself for others Hard work propels luck Simplify your behavior and be united with your true self Grow inward to be rooted Wisdom is never sociable *Current Superstitions* Fanny Dickerson
