Phipps, 2022-11-15 This book examines the relatively unknown English late Victorian educational pioneer Constance Louisa Maynard 1849 1935 whose innovative London based Westfield College produced the first female BAs in the mid 1880s An atypical and powerful

woman Maynard is also notable for her unique knowledge of psychology and patriotic Evangelicalism both of which profoundly shaped her ambitions and passions In contrast to most history about an individual s life this book builds a fascinating life story based upon evidence and clues from minutia The focus is on nine enigmatic actions motivated by Maynard in her quests for educational leadership global conversion and same sex love Maynard s acts that she called mistakes caused deep enmities with administrators and college women Yet amid her trials and conflicts Maynard made key decisions about her public and private life Moreover her so called mistakes reveal astonishing new insights into a past mindset and the rapidly changing world in which Maynard lived

Female Physicians in American Literature Margaret Jay Jessee,2021-12-28 Female Physicians in American Literature traces the woman physician character throughout her varying depictions in 19th century literature from her appearance in sensational fiction as an evil abortionist to her more well known idyllic feminine presence in novels of realism and regionalism Murderess hag She Devil the instrument of the very vilest crime known in the annals of hell these are just a few descriptions of women abortionists in popular 19th century sensational fiction In novels of regionalism however she is often depicted as moral feminine and self sacrificing This dichotomy Jessee argues reveals two opposing literary approaches to registering the national fears of all that both women and abortion evoke the terrifying threats to white masculine Anglo American male supremacy

Bobbie : General Manager Olive Higgins Prouty,1913 A practical young woman finds her career as business manager for her family Cf Hanna A Mirror for the nation

Bobbie, General Manager Olive Higgins Prouty,2019-12-16 In Bobbie General Manager Olive Higgins Prouty masterfully navigates the complexities of female ambition and the professional landscape of the early 20th century Set against the backdrop of a burgeoning corporate America Prouty crafts a nuanced narrative that intertwines personal growth with societal expectations The protagonist Bobbie emerges as a relatable yet aspirational figure challenging gender norms and embracing leadership in a predominantly male sphere Prouty s prose is fluid and insightful perfectly encapsulating the zeitgeist of her time while engaging readers through her character driven storytelling Olive Higgins Prouty an accomplished writer with a keen understanding of women s issues imbues her works with her own experiences and social observations Influenced by her involvement in various women s organizations and her keen insights into the struggles of her contemporaries Prouty penned Bobbie General Manager as both a reflection and a

critique of corporate culture exploring the often overlooked hurdles women face in career advancement and empowerment This compelling work is a must read for anyone interested in feminist literature and the history of women s roles in society Prouty s exploration of Bobbie s journey is not just a story of perseverance it is a profound commentary on breaking barriers Readers will find inspiration within these pages urging them to reflect on their own aspirations in the face of societal challenges *Twentieth-century Romance and Gothic Writers* James Vinson,D. L. Kirkpatrick,1982 **The Descent of Love** Bert Bender,2015-11-16 Upon its publication in 1871 Charles Darwin s *The Descent of Man and Selection in Relation to Sex* sent shock waves through the scientific community and the public at large In an original and persuasive study Bert Bender demonstrates that it is this treatise on sexual selection rather than any of Darwin s earlier works on evolution that provoked the most immediate and vigorous response from American fiction writers These authors embraced and incorporated Darwin s theories insights and language creating an increasingly dark and violent view of sexual love in American realist literature In *The Descent of Love* Bender carefully rereads the works of William Dean Howells Henry James Elizabeth Stuart Phelps Sarah Orne Jewett Kate Chopin Harold Frederic Charles W Chesnutt Edith Wharton and Ernest Hemingway teasing from them a startling but utterly convincing preoccupation with questions of sexual selection Competing for readership as novelists who best grasped the real nature of human love these writers also participated in a heated social debate over racial and sexual differences and the nature of sex itself Influenced more by *The Descent of Man* than by the *Origin of Species* Bender s novelists built upon Darwin s anthropological and zoological materials to anatomize their character s courtship behavior returning consistently to concerns with physical beauty natural dominance and the power to select a mate Bringing the resources of the history of science and intellectual history to this the first full length study of the impact of Darwin s theories in American literature Bender revises accepted views of social Darwinism American literary realism and modernism in American literature forever changing our perceptions of courtship and sexual interaction in American fiction from 1871 to 1926 and beyond *Love Inspired Historical March 2015 Box Set* Regina Scott,Laurie Kingery,Noelle Marchand,DeWanna Pace,2015-03-01 *Love Inspired Historical* brings you four new titles for one great price available now This *Love Inspired Historical* bundle includes *Would Be Wilderness Wife* by Regina Scott *Hill Country Courtship* by Laurie Kingery *The Texan s Inherited Family* by Noelle Marchand and *The Daddy List* by DeWanna Pace Look for 4 new inspirational suspense stories every month from *Love Inspired Historical* *A Touch of Love from Heaven* Angel Love,2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the

chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident **General Catalogue of Printed Books** British Museum.
