Love's Memory Betty McLain,2021-12-06 Love was in the air People everywhere were being matched by a magic mirror and falling in love Silas watched his family grow larger from all the marriages and children He wondered when his time would come but a part of his mind couldn t let go of a memory from long ago of a beautiful girl He called her his woodland sprite but where had she gone and would he ever see her again May struggled against the unwanted advances of the man her mother wanted her to marry She did not love him Her memories were full of the vision of a boy she loved from afar but her family had left that place long ago She never expected to see him again especially not in the reflection of the magic mirror She knew she loved him but following her heart meant leaving her family and returning to the home they left behind Could their love be strong enough to withstand the wrath of her mother and become more than just a memory
