Vertie Pringle Reid, 2019-07-20 After placing a Storyteller's Challenge Project on a website looking for a few positive inspiring life stories to include along with a story that I was writing I realized that the early responses from the various entries would be quite an interesting challenge Not all life's stories are like the Cinderella ending one where she lived happily ever after once she met her prince charming or like that of the three little pigs who got away from the wolf

finding safety in a brick house Other stories are real life stories like that of the woman who already had six husbands when she met Jesus at the well He is the Savior who offered her water that would give her everlasting life Also found in the Bible is the account of three young men who were thrown into a fiery furnace for their refusal to bow down to an idol A fourth man the Son of God was also in the fire with them so that none of them were burned in the flames Nonetheless these fiction nonfiction various stories entitled in this book are entries from those who respond to the Storytellers Challenged Project
