CONCORDANCE TO MISCELLANEOUS WRITINGS AND WORKS OTHER THAN SCIENCE AND HEALTH MARY BAKER EDDY, 1915 **Methods of Attainment** Newton N. Riddell, 1921 **The Kingdom of the Cults** Walter Martin, 2019-05-21 In an era of rapid growth of false religions worldwide, Christians need information they can trust. This comprehensive new edition of the leading book on cults will equip you, no matter your background, to understand and use biblical truth to counter false religions, including many that masquerade as mainstream Christianity. Reflecting the developments in cults and world religions in recent years, this edition, updated by expert Jill Martin Rische, daughter of Walter Martin, gives you the authoritative information you need to know. As our culture becomes less and less outwardly Christian, awareness of the belief systems of those around us has never been more vital. Readable and reliable for everyone, whether you're a teacher, a pastor, or a regular church attendee, *The Kingdom of the Cults* remains the go-to reference book on this crucial topic. Divine Healing Andrew Murray, 1981-07-01 After an illness interrupted his ministry for more than two years, Andrew Murray received a miraculous restoration of health through the prayers of God's people. *Divine Healing* is the classic work resulting from Murray's deep study of Scripture on this topic and the sermons that resulted from that study. In it, he unpacks the promise of James 5 that the prayer of faith will heal the sick. He writes about the prerequisites for healing, which are repentance from sin and the sanctification of the body by fully giving it over to God. Murray addresses such questions as: Is it God's will to heal the sick? Why are some people healed while others are not? What role do doctors play in miraculous healing? Why do many Christians doubt the gifts of healing? Does sickness come from God or from Satan? Andrew Murray's personal testimony and biblical teaching will serve as inspiration for readers to trust in God's healing touch in their areas of deepest need. **Complete Concordance to Miscellaneous Writings**, 1915 **The Christian Healing Power** Charles Fillmore, 2019-12-18 Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills. However, very few have dared even to suggest that Jesus applied universal law in His restorative methods. Charles Fillmore has found that Jesus' healing methods were based on universal mental and spiritual laws that anyone can utilize. Ultimately, that cognition led him to the conclusion that man and the universe are founded on mind, and that all
