The Works of Thomas Reid ... Sixth Edition Thomas Reid,1863 **Becoming John** Kari Syreeni,2018-10-18 In this new analysis of the Gospel of John Kari Syreeni argues that the gospel is a heavily reworked edition of an earlier Johannine work and that the original did not include Jesus passion Syreeni theorizes that the original gospel ended at Chapter 12 with the notion of Jesus disappearance from the world and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew Syreeni suggests that the letters of John written after the predecessor gospels but before the final edition reveal a schism in the Johannine community that was caused by the majority faction's acceptance of Jesus death and resurrection as it was then recorded in the new gospel By exploring the gospel's different means of legitimizing the passion story such as the creation of the Beloved Disciple to witness Jesus passion and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus Syreeni provides a bold and provocative case for a new understanding of John **Magic Potion** Mahrouyeh Maghzi,2014-12-18 A woman has invited 25 women and 25 men to come and listen to her talk about her book and ask them whether or not to publish it In a small square room she finds 23 men have arrived She stays outside the room and speaks to them telepathically about relationships honouring the female principle and the meaning of life What does the story of the Garden of Eden mean Later she comes into the room and educates them about the role of women and raising the men's consciousness She embodies light and takes them into another mental realm She tests their ideas surprises and shocks them to help them evolve One of them finds that the book on the lectern is blank In the end we realize she hasn't written a book but lived it Maghzi states This book is one woman's vision which has been reduced to a readable form This book is about a woman who raises her voice on behalf of those women who have suffered through the centuries This book is about cutting selfish self's rough and uneven edges in order to become wiser and smarter to circle the wiser and smarter beloved Sermons on the Passion of Christ Martin Luther,1871 **10 Passions of a Man's Soul** Mark Elfstrand,2008-09-01 Morning show host of Moody Radio Network's flagship station in Chicago Mark Elfstrand uses interviews with ten dynamic powerfully gifted leaders to explore the driving passions that motivate authentic men of God Exploring topics such as power adventure purpose pleasure and wealth this transparent disclosure of men's innermost feelings brings up thought provoking questions and surprising revelations about contemporary leaders and historical figures Readers will discover the hidden leader waiting to emerge from within themselves The "Summa Theologica" Saint Thomas (Aquinas),1914
