*Man-Power* Herb Tillman,2006-11-12 Who am I For what purpose am I here Does God REALLY care about me a nobody The real question is Are you ready to face yourself And when you do will you like what you see Does the reflection you see represent an image of success And if not what are YOU going to do about it and how are YOU going to get there Man Power is a book directed to men of all ages who are ready to ask for direction and to the woman who wants to help him get there It is written to men who are tired of running of hiding and are ready to face themselves maybe for the first time to find out who they REALLY are Let s be honest No more masks No more games No more fighting The time is now and if not now when Dare to discover yourself Dare to discover WHO you are through Man Power      *Two Thousand Million Man-Power* Gertrude Trevelyan,2022-11-30  
Two Thousand Million Man Power follows Robert a chemist and Katherine a schoolteacher through two tumultuous decades in English history From New Year s Eve 1919 to the funeral of King George V in 1936 they experience youthful radicalism economic boom and bust comfortable middle class life in the suburbs and grinding poverty and the debilitating experience of looking for work where there is none to be found Gertrude Trevelyan sets their story against the backdrop of newspaper headlines radio broadcasts and advertising slogans contrasting the promises of progress and technology with the brutal effects of economic upswings and downturns The result is one of the finest fictional portraits of English life in the 1920s and 1930s the equivalent for England of John Dos Passos s epic U S A Utterly forgotten for over 80 years Gertrude Trevelyan is finally being rediscovered The stylistic and imaginative daring of her fiction arguably makes her one of the finest English novelists of the generation that followed Virginia Woolf A panoramic view of English life from 1919

to 1936 Two Thousand Million Man Power is no wistful nostalgic account of this time Instead Gertrude Trevelyan shows how even the brightest and most able personalities can be ground down by economic highs and lows and a system in which individuals quickly disappear into crowds and statistics One year Robert and Katherine are enjoying the consumer comforts of a radio a car a house in the suburbs The next they are struggling to make ends meet in a tiny squalid East End flat as Robert trudges hopelessly into London each day in hopes of finding work The result is a savage portrait equalled only by George Orwell s *The Road to Wigan Pier*     **Power** ,1924     *Man Power: Birth of the Supermen* Matthew O'Keefe,2016-08-17 What if World War II never really ended A secret German Army the Iron Cross existed Not even Hitler knew of them Yet the Iron Cross succeeded in cloning humans and was tasked with raising an army of supermen Hiding their submersible base in the heart of the Bermuda Triangle they waited for the next rise of the German Superpower As the 1960 s approach it s clear that Germany was not going to rise again any time soon The Iron Cross set a new mission to weaken the World through economics For the next sixty years they plotted and worked behind the scenes to bring down America and the World from within Finally ready to strike they cripple the American society in one day Now with only hours until their final victory only a small handful of heroes stand in their way     **Man mortal: being a reply to Mr. F. W. Grant's "Life and Immortality," etc** Robert ROBERTS (Christadelphian.),1875     **Evangelical Christendom** ,1890     **Cement-mill & Quarry** ,1927     **Fuel Oil Journal** ,1927     **An Introduction to Social Anthropology** Clark Wissler,1929     **Life Association News** ,1918     *Essays on the Philosophy of Theism* William George Ward,1884
