Principles and Forces in Nature and Man Helena Petrovna Blavatsky, 2018-04-03
Tattvas and Bhutas are the Principles and Aspects of Cosmos and Man. Lokas and Talas are Divine and Worldly planes of being. Colours and sounds are all spiritual numerals. Colour is Spirit, Atman, Sound is Voice, Buddhi. Proportion of Numbers is Word. Higher Manas. Woe to the selfish man who seeks to develop occult powers only to attain earthly benefits or revenge or to satisfy his ambition. And warnings to those who are anxious to develop powers by sitting for yoga. Tattvas are the substratum of the Forces in Nature and Man. Sound is no attribute at all but the primal correlation of Akasha. Akasha is both the highest Tattva and the synthesis of all Tattvas. Esoteric and Tantric Tattvas and their correspondences with states of matter, body parts and colours explained. In the realm of hidden Forces of Nature, an audible sound is but a subjective colour and a perceptible colour but an inaudible sound. The Seven Rays of Logos keep vibrating not only in the Tattvic centres of action but in every atom of the body. The lower you go in the Talas, the more intellectual you become and the less spiritual. You may be a morally good man but not spiritual. Every human passion, every thought and quality is indicated in one's aura by corresponding colours and shades of colour. Certain of these are sensed and felt rather than perceived. The introspective Adept can see the golden aura of a man in his normal condition pulsating in both the Pineal and the Pituitary Glands, a pulsation like that of the heart, never ceasing throughout life. Watch out. Tantric works tend to Black Magic and are most dangerous to take for guides in self training.

Focus On: 100 Most Popular South Korean Male Film Actors Wikipedia contributors, **Psychic and economic results of man's physical uprightness** Theodore William Heineman, 1906 **The British Essayists**, 1828 *Words from Awaki* Bernetha George MD, 2014-11-20. Don't believe the hype. Believe what you see. Apocalypse as we have come to fear is not apocalypse as it truly is. We live today in the time of apocalypse and for some it is pure torment. For those around the world living with bombs raining down on them, yes that is apocalyptic torture as we feared. For those thousands and millions throughout the universe visited and killed by the deadly flu and flu-like diseases, SARS, swine flu, bird flu, West Nile virus, etc., Ebola, tuberculosis, measles, cholera, dengue fever, EV D68 and HIV/AIDS, yes those are apocalyptic diseases as we feared. For those ravished, killed, left homeless and totally dispossessed by these record-breaking, seemingly wicked weather events we are currently experiencing, yes they would agree that these are for certain apocalyptic changes as we feared. However, given there are over seven billion of us on the planet and those apocalyptic events mentioned have only killed millions, not billions of us, they don't seem to rise to the level of chaos and destruction we have been conditioned to fear as being apocalyptic. Nevertheless, our over-exaggerated, deep-seated and conditioned fears notwithstanding, Armageddon is upon us and the signs of it have been for almost twenty years that we know

of Those above mentioned apocalyptic occurrences are the signs we were all told would be by John the Revelator in Revelation November 1995 to May 1996 no fewer than seventy of us were told by an angel Awaki and his Angels of God that the signs had already begun and that Armageddon would begin in the year 2000 Our story no matter how far fetched it may seem is true The evidentiary events of war disease and bizarre weather changes we witness daily provide for us the credibility of what we were told The angel Shakardak told us Some will see and they will believe some will not see and they will believe some will hear and they will believe and some will not hear and they will believe and then there will be those who will see and they will not believe and there will be those who will hear and they will not believe **The Spectator** ,1840
