Conwell, 2019-10-11 James Allen 1864 1912 was a British writer most famous for his inspirational poetry and work as well as an early leader of the self help movement As a Man Thinketh 1903 his best known work has been a significant source of inspiration for many self help authors Allen s 1908 book The Life Triumphant concentrates on mastering one s mind and desires in order to live a happier and more successful life focusing on the ideas of right thinking and self control Contents include Faith and Courage Manliness Womanliness and Sincerity Energy and Power Self control and Happiness Right Thinking and Repose Calmness and Resource Insight and Nobility etc James Allen 1864 1912 was a British writer most famous for his inspirational poetry and being an early leader of the self help movement As a Man Thinketh 1903 his best known work has been a significant source of inspiration for many self help authors Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in an affordable modern high quality edition complete with an Essay on Self Help by Russel H Conwell *Christ Triumphant* Thomas Allin, 2015-06-08 I plead for the acceptance of this central truth as the great hope of the gospel that the victory of Jesus Christ must be final and complete i e that nothing can impair the power of his cross and passion to save the entire human race Thomas Allin In 1885 the Rev Thomas Allin waded into the debates on final punishment that had plagued the Church of England during the nineteenth century His contribution was a radical book that sought to demonstrate that reason tradition and Scripture all affirm that God will one day redeem his whole creation through Jesus Christ Universal salvation he maintained was the only way to coherently affirm the victory of God over evil Allin s book is one of the first detailed attempts to show that global salvation was not some modern heresy but an ancient Christian tradition with a serious claim to catholicity and orthodoxy Turning the tables on the critics Allin boldly argued that universalism far from being dangerous was actually needed to defend the orthodox faith of the church This new edition of Allin s classic work includes an introduction that sets it in its historical context the addition of subtitles to help readers navigate the argument and numerous explanatory annotations **Triumphant Journey Road** Doris Cole, 2020-09-08 Dorothy s journey did not start until after the storm When did you realize that your journey of life had started Adam and Eve s journey started once they had bitten the apple I am like you traveling through this journey called Life We as individuals do not just want to survive but thrive not just to be ordinary but extraordinary and not merely journeying but to know it is a triumphant one You may ask how the journey through life be or can be a triumphant one especially with the situations and circumstances I have and still am facing No matter where you are on this journey called Life no matter what you have gone through and still may be going through know that you are not alone God will both bring people into our life as well as remove people from your life in relationship to His purpose and plan and to show us that our life was is and will be a Triumphant Journey **The Last Rabbi** William

Kolbrener,2016-09-19 Joseph Soloveitchik 1903 1993 was a major American Orthodox rabbi Talmudist philosopher and theologian In this new work William Kolbrener takes on Soloveitchik s controversial legacy and shows how he was torn between the traditionalist demands of his European ancestors and the trajectory of his own radical and often pluralist philosophy A portrait of this self professed lonely man of faith reveals him to be a reluctant modern who responds to the catastrophic trauma of personal and historical loss by underwriting an idiosyncratic highly conservative conception of law that is distinct from his Talmudic predecessors and also paves the way for a return to tradition that hinges on the ethical embrace of multiplicity As Kolbrener melds these contradictions he presents Soloveitchik as a good deal more complicated and conflicted than others have suggested The Last Rabbi affords new perspective on the thought of this major Jewish philosopher and his ideas on the nature of religious authority knowledge and pluralism **The Complaint; Or, Night Thoughts on Life, Death, and Immortality, ... To which is Added, a Paraphrase on Part of the Book of Job** Edward Young (the Poet.),1842 **Night Thoughts, etc** Edward Young,1856 **The Complaint: Or, Night Thoughts on Life, Death, and Immortality** Edward Young,1812 Complaint Edward Young,1822 **Night Thoughts ... McKenzie,2009-03-01 From the beginning of the New Testament era there have been disputes over what individual passages meant who wrote them when they were written and whether certain sayings could be directly attributed to Jesus McKenzie s aim is not to destroy the credibility of the New Testament but rather to enhance belief by allowing it to rest on a foundation freed from various manmade illusions and historically inaccurate assumptions that modern biblical research has discovered from both internal and external evidence about the writings Father McKenzie takes on a variety of topics the real Jesus and the Son of man gospels and gossip the roles of Peter and Paul divorce the resurrection the meaning of the Apocalypse to name but a few in this highly informative look at key themes and episodes of the New Testament **Everybody Ahead** Orison Swett Marden,1916 *A Complete Edition of the Poets of Great Britain...: Young.
