Besant,Charles Webster Leadbeater,1954 From Blavatsky to Krishnamurti: "It is Finished" Al Boag,2025-09-16 This book highlights some important continuities as well as differences between the teachings of Helena Petrovna Blavatsky 1831 1891 co founder of the Theosophical Society in 1875 and Krishnamurti Jiddu 1895 1986 the Theosophist who was trained to be the World Teacher Until now very little has been written of the importance to Blavatsky of an esoteric eschatology and Christology and their relation to the secret core of her Path of Initiation the practice of an occult breathless meditation Similarly scholarly research has overlooked the evidence that Krishnamurti eviscerated the secret core of Blavatsky s teaching with his own esoteric interpretation of it which exists in his published work as the camouflaged core of his teaching Offering a fresh appraisal this work draws on careful exploration of the primary source material of Blavatsky and Krishnamurti as well as his Theosophical mentors Annie Besant 1847 1933 and Charles Webster Leadbeater 1854 1934 It will be of particular interest to students and scholars of esotericism new religious movements and the history of religions

Good and Evil Bhimeswara Challa, 2021-09-03 By any measure we are at an inflection point in human history As the ongoing coronavirus pandemic has shown it is not only the planet that is at risk but our very destiny We must take an unblinking look at who we are compared with who we want to be or ought to be That entails going within to discover what is happening deep inside our consciousness This book suggests that the root of our troubles is our ignorance that there is a perennial war within each of us between good and evil Like in any war both sides need supplies But in this internal war they must come from outside in the shape of our daily doings and choices As you read you'll get a roadmap on how to make better decisions and contain the evil within Get answers to questions such as Why must we fix the inside before fixing the outside How can we prevent evil from overwhelming our consciousness How can the good inside of us overwhelm the bad outside There is no nobler calling for any of us at this pivotal point than to volunteer to join others committed to bettering themselves so we can rescue mankind from self annihilation
