

A black and white photograph of a man, likely a portrait of a famous actor, dressed as Sherlock Holmes. He is wearing a dark deerstalker hat and a dark suit with a white shirt and dark tie. He is holding a magnifying glass in his right hand, which is positioned near his face. The background is dark and out of focus.

Man Who Became Sherlock Holmes The Tortured Mind Of Jeremy Brett:

The Man who Became Sherlock Holmes Terry Manners,2001 Mentored by Lawrence Olivier Jeremy Brett s career spanned the greats of the English stage and the trappings of Hollywood However he eventually became obsessed by his television role as the Victorian sleuth Sherlock Holmes and had to battle other demons as well as manic depression

Jeremy Brett Terry Manners,1997 For more than a decade Jeremy Brett was the face of Sherlock Holmes He fascinated television audiences with his portrayal of Conan Doyle s moody master of disguise and brought a brooding concentration and disturbing power to the role But Brett had never wanted to play the Victorian detective To enter into the spirit of Sherlock Holmes was to travel to a dark and morbidly fascinating place [Sherlock Holmes - The Hero With a Thousand Faces: Volume 2](#) David MacGregor,2022-06-22 Picking up the trail with the incredibly influential films of Basil Rathbone and Nigel Bruce Volume II goes on to explore the antiheroic Sherlock Holmes films of the 1970s and then the somewhat rocky journey of Holmes into the medium of television actors Alan Wheatley Douglas Wilmer and Peter Cushing all declared their respective TV series as the worst experience of their professional careers Television finally found its definitive Holmes in Jeremy Brett s portrayal for Granada Television and then the BBC s Sherlock had flashed brilliantly across the cultural sky before crashing and burning in spectacular fashion Still despite its ignominious end Benedict Cumberbatch s version of Sherlock Holmes quite literally changed the face of Sherlockian fandom overnight as studious middle aged white men now found themselves sharing uneasy ground with a younger more diverse and more female audience Now a full fledged transmedia phenomenon Sherlock Holmes can be any gender ethnicity or species and is celebrated in fan fiction and fanvids as well as conventions that are far more inclusive than Sherlock Holmes societies of the past Vincent Starrett s poetic notion that Sherlock Holmes is a character who never lived and so can never die has never been more true and the Digital Age promises any number of new versions of Sherlock Holmes to come *Jeremy Brett - Playing a Part* Maureen Whittaker,2024-09-23 Holmes could be rude impatient abrupt and his intolerance of fools was legendary I tried to show all this all of the man s incredible brilliance But there are some cracks in Holmes s marble as in an almost perfect Rodin statue And I tried to show that too It s difficult for me to say what I may have given to the image of Holmes Faithful to Conan Doyle s text certainly Also I ve tried to bring out the emotion that is there in Holmes On the surface he seems a cold sometimes dark rather off putting figure But deeper down I think he s a man of feeling Jeremy Jeremy Brett is still recognised as the most celebrated incarnation of Sherlock Holmes which he presented for ten years Jeremy delighted viewers with his dashing arrogant moody interpretation of the most popular famous detective he brought a brooding intensity to his finest role one of disturbing power He is still called the definitive Sherlock Holmes Covering a forty year period from first leaving Central School of Speech and Drama until his early death at the age of 61 *Playing a Part* is a full career book of a very fine actor who would delight audiences as a sensitive lover or as a haunted murderer Talented loved and admired by the theatrical world at

the birth of the National Theatre led by Laurence Olivier Robert Stephens and Maggie Smith Beginning and ending his career in Manchester he would transfer his talents to the American culture of the 70s as he settled into his new life with his American wife but was enticed back with some of the best classical roles for television and the stage Jeremy's own words are used whenever they are available to present his story and his approach to playing the parts His unfailing enthusiasm for a new project and the degree of commitment comes through Illustrated with original photographs covering his life and career it is the first detailed record of all his performances on the stage film or television **In Search of Dr Watson** Molly Carr,2011-11-22 In her third book author Molly Carr has for the moment abandoned the Watson Fanshaw Detective Agency in favour of discovering as much as possible about Doctor Watson Radically different in style from her first two books the investigation will nevertheless be of interest to students of military history railways both Indian and British and of course all fans of Sherlock Holmes Holmes is a household name But where would he be without his Biographer Beavering away in Baker Street unknown to everyone except Scotland Yard and a few luckless criminals It is time to put the loyal and much put upon man Dr John H Watson M D centre stage **Adapting Detective Fiction** Neil McCaw,2011-01-20 *The Great Detective* Zach Dundas,2015 A journalist and lifelong Sherlock Holmes fan explores Arthur Conan Doyle's original tales to reveal how they laid the groundwork for a myth of seemingly infinite variety in literary and screen adaptations **OK2BG** Jack Dunsmoor,2015 OK2BG is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author's attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder **The Sherlock Holmes Journal** ,1996 The British National Bibliography Arthur James Wells,2002 Dictionnaire Sherlock Holmes Lucien-Jean Bord,2008 **The Armchair Detective** ,1996 Whitaker's Books in Print ,1998 **Jahresbibliographie Massenkommunikation** ,2003 *The Sherlock Holmes Companion* Daniel Smith,2009 A lavishly illustrated book on one of the greatest and most enduringly popular literary characters of all time Sherlock Holmes This is a compendious guide to all the stories their author and the enigmatic pipe smoking creation at their heart *Bending the Willow* David Stuart Davies,1996 **Jeremy Brett** Linda Pritchard,2012 *Interview with Sherlock* Linda PRITCHARD,2012-03-31 The name Jeremy Brett is forever linked to the name of Sherlock Holmes Jeremy was the one actor who insisted that the scripts remained as close to the original Sir Arthur Conan Doyle stories as much as possible It was this

insistence that made the Granada Television series so immensely popular and even now the series continuous to be shown around the world This book looks back on all the episodes and feature films and includes a special interview with Jeremy who explains the skill and talent he needed to play the definitive detective Sherlock Holmes 160 PAGES and OVER 300
