

Footprints in the Sand

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life.

For each scene, he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints.

He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. 'Lord, you said that once I decided to follow you, you would walk with me all the way.

But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me.'

The Lord replied, 'My son, my precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you.'

Jung** C.G Jung, 2015-06-05 In May 1956 in his eighty second year Jung first discussed with Gerhard Adler the question of the publication of his letters Over many years Jung had often used the medium of letters to communicate his ideas to others and to clarify the interpretation of his work quite apart from answering people who approached him with genuine problems of their own and simply corresponding with friends and colleagues Many of his letters thus contain new creative ideas and provide a running commentary on his work From some 1 600 letters written by Jung between the years 1906 1961 the editors have selected over 1 000 Volume 2 contains 460 letters written between 1951 and 1961 during the last years of Jung s life when he was in contact with many people whose names are familiar to the English reader These include Mircea Eliade R F C Hull Ernest Jones Herbert Read J B Rhine Upton Sinclair and Fr Victor White Volume 2 also contains an addenda with sixteen letters from the period 1915 1946 and a subject index to both volumes The annotation throughout is detailed and authoritative **Crazy Water** Evelyn Grant, 2014-04-18 Crazy Water is he Comanche half breed or white The four men who find him with a head injury on the riverbank name him Crazy Water He doesn t know his true name or where he comes from He is dressed in Comanche garb speaks the Comanche tongue fluently and has more knowledge of hunting and tracking than most boys his age He remembers nothing of his life before he was found at the riverbank For nearly ten years he lives as a Comanche When the Jerome Agreement is put into effect giving each Comanche 160 acres of his own land thereby breaking up the Kiowa Comanche and Apache reservation Crazy Water and his friends decide to take advantage of this and return to the reservation for their share of the land When he meets beautiful Kyah and they fall in love he concentrates on building a life without ever learning the answers to his questions Will he ever learn who he is If he has parents or other family Or will his past remain a mystery forever *The End of the Tether* Joseph Conrad, 2022 This selection of four relatively neglected stories by Conrad The End of the Tether The Duel The Return and Amy Foster remind readers that he is not just the teller of sea stories and tales of imperialist action but a writer for an age of global terror and individual trauma *Inflexible Factors and Other Short Pieces* , 1892 Chronicles of the Careworn; or, Walks and Wanderings. Edward WEST (Printer.), 1843 Chronicles of the careworn Edward West (printer.), 1843 Story of Chester Lawrence Nephi Anderson, 2019-12-17 In Story of Chester Lawrence Nephi Anderson crafts a compelling narrative that intertwines themes of ambition identity and the pursuit of love through the life of its eponymous protagonist Set against the backdrop of early 20th century America this novel employs a realistic literary style rich in detail and character development often reflecting the socio economic challenges of the time Anderson s keen observations and lyrical prose bring to life the trials faced by Chester as he navigates the tumultuous waters of personal aspirations and societal expectations ultimately exploring the dichotomy of success and moral integrity Nephi Anderson known for his contributions to early American literature drew inspiration from
