Man Who Outgrew His Prison Cell Confessions Of A Bank Robber:

The Man Who Outgrew His Prison Cell Joe Loya, 2005-10-18 Joe Loya's idyllic childhood came to an abrupt end when his mother was diagnosed with a terminal illness. In the two years before her death, Joe's extremely religious father became increasingly violent toward his two young sons, a contradiction that haunted Joe for years. Then at age sixteen, Joe retaliated during a particularly severe beating and stabbed his father in the neck. For Joe, this was the starting point of a life of crime, and after holding up his twenty-fourth bank, he was arrested and served seven years in prison. He continued his criminal behavior behind bars and was eventually placed in solitary confinement, the lowest of lows even for convicts. Alone in his cell for two years, Joe was finally able to forgive his father, finding clarity, cultural insight, and redemption through writing.

Letters to an Incarcerated Brother Hill Harper, 2014-04 Originally published in hardcover in 2013 The Morning Side of the Hill Ezra E. Fitz, 2015-07-13 In *THE MORNING SIDE OF THE HILL*, Ezra E. Fitz's debut novella, he asks readers: What if you wanted up and kicked in everything you had on—a belief, a hope, a dream, on faith, and you lost? This is one of the questions facing Willie and Mo, the two insecure, incomplete protagonists that was inspired by and is an homage to William Faulkner's classic novel *The Wild Palms*. Like Faulkner's novel, it unfolds in two parallel stories told in alternating chapters that subtly illuminate one another. In the first set in uptown Manhattan, a disillusioned graduate student who's just a little too familiar with the neighborhood drug dealer and a lonely woman appears doomed to a disastrous end. In the second set in Crown Heights, Brooklyn, a soft-spoken parolee looking to reassemble the broken pieces of his former life meets a young, withered yet surprisingly ebullient cancer patient that eventually puts his one final chance at freedom at risk. As you read on, the twin tales gather like a storm to an exhilarating ferocity culminating in a violent flood of passions that none of the characters can control, and which threatens to drown them all. Faulkner fans may think they know what the end holds for these four characters, but rest assured, the culmination of *THE MORNING SIDE OF THE HILL* exposes an unexpected coincidence that Faulkner may have hinted at but never fully explored. **A Burglar's Guide to the City** Geoff

Manaugh, 2016-04-05 A deeply researched and brilliantly written blueprint to the criminal possibilities in the world all around us. Warren Ellis, author of *Gun Machine*. At the core of *A Burglar's Guide to the City* is an unexpected and thrilling insight: how any building transforms when seen through the eyes of someone hoping to break into it. Studying architecture the way a burglar would. Geoff Manaugh takes readers through walls, down elevator shafts, into panic rooms, and out across the rooftops of an unsuspecting city. Encompassing nearly two thousand years of heists and break-ins, the book draws on the expertise of reformed bank robbers, FBI special agents, private security consultants, the LAPD Air Support Division, and architects past and present. Whether discussing how to pick padlocks, climb the walls of high-rise apartments, find gaps in a museum's surveillance routine, or discuss home invasions in ancient Rome, *A Burglar's Guide to the City* ensures readers will never enter a bank again without imagining how to loot the vault or walk down the street without planning the perfect getaway. Praise for

A Burglar's Guide to the City This burglar's guide isn't for ordinary smash and grab burglars it's for the rest of us who steal in steal out and get away with glorious dreams A spectacularly fun read Robert Krulwich cohost of Radiolab Who knew that urban studies could be so riveting Geoff Manaugh excels at finding new illicit and fresh angles on a subject as loved as it is overexposed the city In his new book elegant perverse sinuous supervillains maneuver and master the city like parkour champions I see the TV series already Paola Antonelli design curator MoMA
