Novak, 2017-03-17 These essays trace the myth of the wild man from the Middle Ages to its disintegration into symbol in the periods following the discovery of America and encounter with real wild men This is the first book to discuss the concept of wildness in the writings of the Enlightenment period in Western Europe and the first to attempt a broad interdisciplinary approach to the subject of primitivism not only from a strict history of ideas approach but through discussions of individual works both literary and political and encompassing various subject matter from racism to the origins of language Contributors Richard Ashcraft Ehrhard Bahr John G Burke Earl Miner Gary B Nash Stanley Robe Geoffrey Symcox Peter Thoralev Hayden V White and the editors **Man within His Life-World** Anna-Teresa Tymieniecka, 2013-06-29 **The Man Within My Head** Pico Iyer, 2013-05-09 We all carry other people inside our heads actors leaders writers people from history or fiction met or unmet who sometimes seem closer to us than the people we know Pico Iyer investigates the mysterious closeness he has always felt with Graham Greene and follows him from his first novel *The Man Within* to such later classics as *The Quiet American* The further he delves the more he begins to wonder whether the man within his head is not Greene but his own father or perhaps some more shadowy aspect of himself Drawing upon experiences across the globe from Bolivia to Berkhamsted to Bhutan one of our most resourceful cultural explorers gives us his most personal and revelatory book **The Man Within the Temple (The Golden Mage Book Two)** C.G. Garcia, 2015-09-05 Depressed and overwhelmed by learning the true meaning of her

destiny as the Golden Mage as well as the major part she along with Aidric Keldan and Aren will play as foretold within the Prophecy of the Six Allison despairs of ever picking up the pieces of her shattered life Then to add insult to injury the Temple of Seni sends representatives to Lamia to collect her in order that she may swear oaths to Seni as is required by divine law The party is led by Eban a Domnae full of an infinite amount of ambition and utterly despised by Aidric for reasons he refuses to confide to anyone However though suspicious of his motives Eban s the least of her worries as going to the Temple means leaving the protection of Lamia s Shield with very little mage training under her belt at a time when hostilities with Mihr are at their highest and rumors of a spy planted within the palace by Roderick have begun to arise The wheels of fate are turning ever so quickly and Allison feels the threads of her life becoming helplessly and dangerously entangled within its spokes even more so now as she is exposed to the politics of the Temple itself **Forest and Stream** ,1912 **The Man Within**

Graham Greene,2018-05-15 The strikingly original debut novel by the masterful British author is a perfect adventure of love and smuggling on the English coast The Nation Francis Andrews is a reluctant smuggler living in the shadow of his brutish father s legacy To exorcise the ghosts of the man he loathes Andrews betrays his colleagues to authorities and takes flight across the downs It s here that he stumbles upon the isolated cottage of a beguiling stranger named Elizabeth an empathetic young woman who is just as lonely every bit the outsider as he and reconciling a troubling past of her own Andrews a man on the run from those he exposed believes he s found refuge and salvation But when Elizabeth encourages him to return to the courts of Lewes and give evidence against his accomplices the treacherous and deadly repercussions may be beyond their control The ultimate strengths of Graham Greene s books is that he shows us the hazards of compassion a theme that would find its earliest expression in The Man Within his first published novel Pico Iyer **Philosophy and Religion** Strong,1888
